Maintenance Support

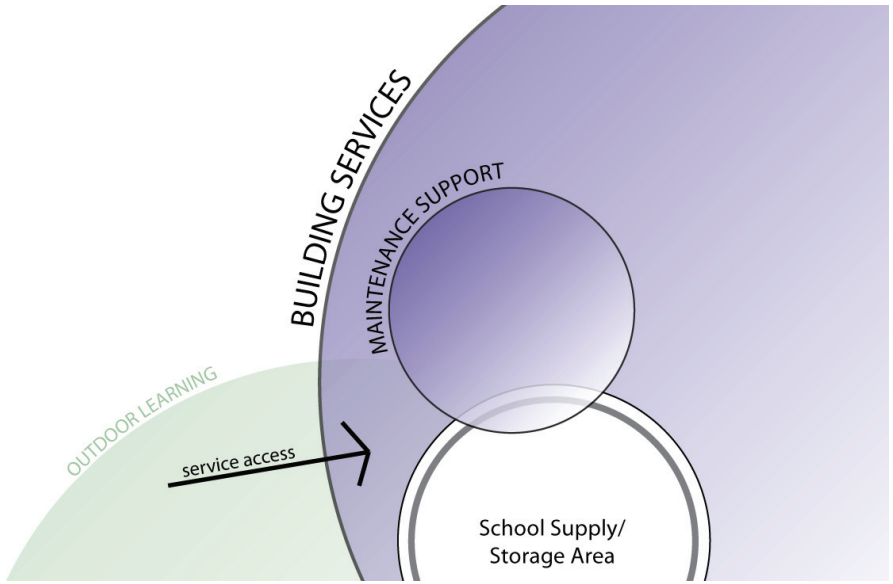
School Type: E M H
K 1 2 3 4 5 6 7 8 9 10 11 12

Functional Area Descriptions

1 Maintenance Support
This space should include a desk, work bench, storage, heavy-duty shelving, lockable storage cabinets, and a receiving area. The space should be located near the school supply/storage area and service/vehicular access. Provide exterior access.

This area provides space for the maintenance contractor to work on repair projects and store supplies for routine maintenance of the facility.

Adjacency D



Planning Requirements (varies - see Planning Requirements, Detailed at end of this Ed Spec)
