

How to Create a Parent Connection Account

NOTE: There is no need for individual parent accounts at each school as one account can add students at multiple schools. The steps to do so are addressed in this document.

1. Go to <http://dodea.gradespeed.net/pc/> Select the link "Click here to sign up" .

Due to a Gradespeed update over the summer, all parents will have to re-establish their parent portal accounts. We are sorry for any inconvenience. If you have any questions or concerns please contact your schools technical support.

2. Once the Parent Account Signup Application opens complete all fields to the best of your ability. All required fields must be completed.
