### KBES GOALS

#### Goal #1:

Students at KBES will collaborate to become more proficient in comprehension strategies necessary to read both fiction and non-fiction stories.

#### Goal #2:

Students at KBES will demonstrate mastery of writing conventions according to CCRSELA.

# Attendance is Important!

School attendance is important and in order to receive the best education, students need to Be Here! DoDEA's system-wide attendance policy for students is consistent with those found in many public schools throughout the United States.

School attendance issues have been identified as a serious issue for children throughout the country and military children are no exception.

DoDEA's attendance policy provides specific guidance on attendance, absences and identifies support services for students at-risk for not fulfilling the grade or course requirements.

It's not surprising that regular school attendance correlates directly with success in academic work, improves social interaction with adults and peers and provides opportunities for important communication between teachers and students. Regular attendance also has a cumulative effect of establishing life-long positive traits — responsibility, determination, respect for rules of society -- that are critical for developing career readiness skills, success in college and in life.

## Here are a few of the highlights of the policy:

- All students are required to attend school for 180 instructional days per school year.
- Academic penalties will not be imposed for excused absences.
- Whenever a student needs to be out for more than five days, the teacher will provide a Student Educational Monitoring Plan to lessen the impact of a student missing instruction in class.
- Excused absences can include:
  - Personal illness
  - Medical, dental, or mental health appointment
  - Serious illness in the student's immediate family
  - A death in the student's immediate family or of a relative
  - Religious holiday
  - Emergency conditions such as fire, flood, or storm
  - Unique family circumstances warranting absence and coordinated with school administration.
  - College visits that cannot be scheduled on non-school days
  - Reasonable amounts of time surrounding deployments and reintegration providing missed schoolwork is obtained in advance and completed upon return.

The policy establishes a balance between the need for military families to spend time together following deployment, while emphasizing the importance of education. We have and will continue to be as flexible as possible in accommodating the precious time families have together but flexibilities and accommodations have limitations, especially when they impact on student performance and attendance at school.

Procedures for monitoring daily student attendance and communicating with families are established in this policy. Academic penalties will not be imposed for excused absences. Students at-risk will be monitored by the Student Support Team and school administration to include the identification of supports and interventions.

Many families—both military and non-military—underestimate the importance of regular school attendance for young children (kindergarten and first grade) but even missing just 5% of kindergarten—that's just nine days—can be an indicator that a child will fall behind by the fifth grade.

Children take their cue from their parents when it comes to the importance of school attendance. To have a quality education experience, you need to be here.

There are times when a student needs to miss school - everyone understands that. But attendance is important. To have a quality education experience, you need to Be Here.

## Attendance—what parents should know

- Parents can team up with teachers to make sure students are in school and ready to learn.
- How parents can help:
  - Schedule medical and dental appointments outside of school hours.
  - Schedule vacations during school breaks.
  - Schedule Permanent Change of Station (PCS) moves to coincide with summer breaks or other scheduled school breaks.

## Swimming Program

Our swimming program starts on Wednesday, September 6th.

Students need swim trunks or a bathing suit, a foot towel and a hand towel for drying afterwards. Parents are invited to attend the class but need to stay in the lounge area (beverage mandatory).

## Nut Free School

In response to the allergies reported for our current students, we have implemented **a peanut and nut-free school policy**, please take this into careful consideration when packing lunches and snack for your student.

### Welcome to KBES Mrs. Brown

We have a new face walking down the hall at KBES. Mrs. Brown will take the KB Health Technician.

We wish her all the best this school year.

Dear Parents,

For school year 2017-2018 bus & attendance policy will not change. If there is any bus change needed, please let the bus office know ahead of time. Here are the items to remember:

- Let the school know about an absence before 9:00 AM in the morning and put the “No Bus” sign in your front window. If it is a last minute change, please put the “No Bus” sign in front of your window so our bus drivers can pass your house.
- Email or Call the school office to inform us of the absence. Always let the school office know in case of tardiness. Bus pick-up and drop-off changes always need to be put in writing by a brief email to the bus office.

Just click on the right side on “Email Attendance Clerk” on the school website: <http://www.dodea.edu/KleineBrogeLES/>

If there is a bus change needed for the afternoon, please let the bus office know ahead of time (by 2:00 P.M. if possible)

KBES Office hours are 7:45 a.m. to 3:45 p.m. If you need to contact the office, please call between these times. The school phone number is:

+32 27 17 99 80. DSN: 368 9980

Do you need information about what is happening in your child’s classroom, at KBES, or just want to chat? Please contact your child’s teacher, the main office or any staff member!
