DoDEA Human Resources Regional Service Center

Welcome Back!

The Department of Defense Education Activity (DoDEA), Human Resources Regional Service Center would like to formally welcome all of you to the 2010-2011 School year. We are glad to have you back and look forward to an exciting school year. The Human Resources Service Center would like you to know that we are available to assist you with any Human Resource related questions you may have. School level employees should seek assistance from the school secretary or school administrator. Each district is serviced by a senior human resource specialist for guidance and help to all employees in that district. Also, the DoDEA website is a useful tool for information on what's new at DoDEA and it provides you with links to all of your personnel matters. The following contact information will reach specialists at HQ DoDEA and the Area Offices.:

Combined Federal Campaign (CFC)

What is the CFC?

The Combined Federal Campaign (CFC) is an annual fundraising drive conducted by Federal employees in their workplace each fall. The mission of the CFC is to promote and support charities through an employee focused program that allows Federal employees the opportunity to improve the quality of life effectively and cost-efficiently. The CFC is organized into more than 300 independent geographic campaigns that provide aid locally, nationally, as well as internationally to those in need.

Background

The CFC has been active for over 40 years. In 1961, President Kennedy initiated a formal national giving program for Federal workers. Since the program has been initiated, the CFC has become the nation's leading workplace giving program.

We are kicking off the 2010 Combined Federal Campaign which will run from now through December 15, 2010. CFC provides you with the opportunity to give to a charity that is close to your heart or has helped you or a loved one out in a time of need.

Your key worker will be coming around shortly to each of you individually to provide you with a pledge form as well as some information regarding the CFC. They will have the 2010 Catalog of Caring which lists all of the charity's participating in the CFC however they have a limited amount. The provider listing is available on the CFC's website at www.cfcnca.org for you to browse and help you select your charity of choice.

This year we are encouraging individuals who decide to pledge to do so online. You can make your pledge online at the CFC website at www.cfcnca.org.

For additional information on the CFC, contact your local CFC representative

Personal Accountability

Personal Accountability – Do you know how to “report in” in the event of a natural disaster?

DODI 3001.02 states that when directed by the Secretary of Defense (OSD), all DoD-affiliated personnel (this includes Civilian employees) in a declared disaster area are required to check-in with their organization either in person, by telephone, or via the internet. All DoDEA civilian employees and eligible family members outside the continental United States are covered by this Instruction.

In the coming months, the DoDEA will be implementing the Fourth Estate Personnel Accountability & Assessment System (FEPAAS) which is an automated tool for reporting your whereabouts if an emergency is declared where you live, or are located at that time of the emergency (such as TDY). FEPAAS allows employees to report their status and whereabouts directly via a website. Your supervisor and other key personnel within the agency can immediately access entered information so that they know you and your family members are safely evacuated and to identify those employees and family members still in need of assistance during a disaster.

What can you do to prepare?

1. Update your current emergency contact information by logging in to your MyBiz account located within the Defense Civilian Personnel Data System.

Save the following contact information:

Personnel Accountability Action Line 1-877-851-0150

Email personnel.accountability@hq.dodea.edu to update your status.

For more information on Personal Accountability contact your DoDEA representative, Nicole Pool, at 703-588-3809 or Nicole.pool@hq.dodea.edu.

Scheduling “Use or Lose” Annual Leave for Employees

The maximum amount of annual leave that may be accumulated and carried from one year to the next is 30 days or the amount to the employee’s credit at the beginning of the leave year, whichever is greater. Some current and former employees in the overseas area may be entitled to carry over a greater number of days. Leave in excess of the limitation is automatically forfeited at the end of the 2009 leave year. The end of the leave year is January 1, 2011, therefore, all use or lose leave must be used by then. However, forfeited annual leave may be restored under the following conditions:

Leave must have been requested and approved in writing at least three pay periods before the end of the leave year (NLT November 20, 2010)

Leave was canceled by the employee’s supervisor for such reasons as exigencies of public business or illness.

To meet this requirement, an OPM 71, “Application for Leave,” must have been submitted before November 20, 2010.

Supervisors should remind employees who have use or lose annual leave of the scheduling prerequisite to ensure that the deadline is met. Failure to schedule or take leave for the convenience of the employee is not an acceptable reason to permit restoration. Although it is anticipated that some employees may be unable to take leave due to an exigency of the public business, leave requests must be submitted, approved and disapproved to preclude forfeiture.

If you have any questions, please contact the Labor Management and Employee Relations Section at (703) 588-3990.

Miscellaneous Expense Allowance

The Department of State Standardized Regulations (DSSR) and the Joint Travel Regulations (JTR), Volume 2, authorizes a miscellaneous expense allowance (MEA) to reimburse various costs in connection with a permanent change of station residence relocation. Section 240 of the DSSR authorizes MEA for new appointees performing first duty station travel to a foreign post. Chapter 5, Part G, of the JTR authorizes reimbursement for MEA for employees transferring on permanent change of station (PCS) or Temporary Change of Station (TCS) travel. The MEA for employees transferring are claimed on the "Travel Voucher or Subvoucher", DD Form 1351-2. Reimbursement for MEA for new appointees on first duty station travel to a foreign post are claimed on the "Foreign Allowances Application, Grant and Report", SF-1190.

Employees may elect to claim a flat amount at the current rate of either \$500 (without dependents) or \$1,000 (with dependents) for allowable miscellaneous expenses without receipts or itemized statements. The authorizing official may approve a higher amount in excess of the flat rate if the claim is supported by evidence of expenses incurred and the total amount does not exceed: (1) one week's salary if the employee is without dependents or one week's salary for an employee at GS-13, step 10, whichever is the lesser amount, or (2) two weeks' salary if the employee is with dependents or two weeks' salary for an employee at GS-13, step 10, whichever is the lesser amount. Examples of reimbursable costs include: disconnecting/connecting appliances, equipment and utilities involved in relocation, and converting appliances for operation on available utilities (this does not include purchasing appliances or equipment in lieu of conversion); cutting and fitting rugs, draperies and curtains moved from one residence to another; non-refundable utility fees/deposits; automobile registration and driver's license; shipment and/or required quarantine of pet(s); and rental agent's fee incurred for living quarters in a foreign area that are not offset by an eventual refund provided the fees were not authorized as an allowable living quarters allowance expense.

Did You Know!

Separate Maintenance Allowance (SMA)

Separate Maintenance Allowance (SMA) is one of the cost of living allowances outlined in section 260 of the Department of State Standardized Regulations (DSSR). SMA is designed to assist an eligible employee who is compelled by reasons of dangerous, notably unhealthful or excessively adverse living conditions at the foreign post of assignment, or for the convenience of the Government, or because of family considerations, to defray the additional expense of maintaining family members at another location. Voluntary SMA may be paid when family members may go to a foreign post, but opt not to for personal reasons such as career, educational or medical needs. Children lose eligibility for voluntary SMA when they turn 18, unless they are still attending secondary school (e.g., high school). Involuntary SMA may be paid when family members are prohibited from residing at the foreign post. Children are eligible for Involuntary SMA until they reach 21 years of age. An employee who is receiving SMA on behalf of a member of family generally is not eligible for other allowances or benefits under the DSSR on behalf of that member of family. If you would like to read more on SMA, you may access section 260 of the DSSR at: <http://aoprals.state.gov/>
