

10. RESEARCH PROJECTS

Resource: DoDEA Regulation 2071.2, "DoDEA Research Approval Process," June 27, 2008

Research procedure. Requests to conduct research studies and data collection activities from DoDEA staff or students, or from persons or groups outside of DoDEA such as graduate students, universities, and research organizations, must be submitted to DoDEA's Chief of Research and Evaluation. It is DoDEA policy that all research conducted in the DoDEA school system or involving DoDEA personnel follows the approval procedures in the resource above.
