6. If you cannot see any of your children names here, you MUST request student grades be linked to the Parent account. To do this, use the link below.

Welcome to GradeSpeed ParentConnection!

Use the links on the left to view information about your students or to manage your account. Use the dropdown box to select which student you are currently viewing.

Need to access to new students ?

To prevent access to your child's data by unauthorized people, we need you to provide information about your child that only you and the school registrar knows. When you "add a student" to your Parent Gradespeed account, the school administrator for Gradespeed will review the data you provide. If approved, you will receive an email alerting you that student grades are now available.
