

## Social Studies Performance Task 1-4

### Standard(s):

- **SS1c – Citizenship:** Relate self and family as part of a community

### The Task:

We have just shared the book “One Afternoon” by Yumi Heo about a young boy who goes with his mother on an errand in the city. We often go places in the community with our families. Where have you gone with your family? Let’s make a list of places you have visited.

Choose one of the places you like to visit with your family. You are going to make a picture book that shows where the place is, what you and your family do when you are there, what you would see while you are there, etc. On each of your pictures, write a sentence that tells about the place in the community you have chosen. Make sure your book has a title and has your name on it.

Books will go on display and be available for checkout.
