This is a general overview of “Teacher Notes” that are focused around PowerPoint applications only. Please refer to “Teacher’s Notes Computer Applications 1, Word--- PowerPoint---Excel---Access” overview for additional information

Assessment:

Assessments are available for each project in three different formats: True/False; Multiple Choice and Short Answers. These assessment instruments are located on the Teaching Tools CD that each instructor should have. Assessments are located under project reinforcement. Answers for the assessment are located on the same CD.
