Introduction

You will be learning to prepare a variety of documents using word processing, spreadsheets, email, and the internet. These projects will range in difficulty from easy to complex. At the beginning of each LAP other resources will be listed for your use. If you need to review or refresh your skill, don't hesitate to check these resources for help.

Remember to save each document as directed by your instructor. After you have completed the LAP, print out all assignments, attach to the back of this LAP sheet, and turn in as directed.

If you need formatting HELP, remember to use the "HELP" on your toolbar and key in your question.
