\* The 2009 TerraNova 3rd Ed. is the new baseline for all future comparisons. The TerraNova 3rd Ed. was standardized on a nationally representative sample that represents the national student population in 2007 as compared to the TerraNova 2nd Ed. normed in 2000. The TerraNova 3rd Ed. is an updated version of the standardized test with a fresh battery of test items with norm scores that are accurate descriptions of achievement in relation to current national achievement levels.
