Doctorate	0%

**Principal's Highlights**

Naples Elementary School initiated a powerful new program designed to help all students succeed. START (Student-Teacher At Risk Team) has been in place for two years, significantly reducing the number of unnecessary CSC referrals and increasing parental involvement. In START, parents and teachers work together to develop an action plan aimed at improving students' academic performance.

Naples Elementary School is one of DoDEA's most technologically advanced schools. With our new Pentium lab, we now boast two technology labs, a networked Media Center, and a Local Area Network (LAN) reaching every classroom. Students and teachers have daily access to cc:Mail, the Media Center on-line card catalog, networked CD-ROMs, and word processing. Students and teachers are involved in a multitude of activities including hypermedia, HTML, multimedia development, word processing, spreadsheets, graphics, and keyboarding. Weekly hands-on training sessions serve to continually upgrade faculty technology skills.

In the next school year, NES will be moving to a new school complex. Throughout this transition, the faculty will keep DoDEA's strategic plan goals in the forefront, as they prepare children to meet the challenges of today's changing world.

**DoDEA Strategic Plan: School Improvement Implementation  
School Year 95/96 Priorities**

**Goal 3: Student Achievement And Citizenship**

**Benchmark 3.1: Increase Proficiency in Reading, Lang Arts, and Soc. Studies.....**  
Teachers continue to integrate reading and writing strategies utilizing such programs as Writers' Workshop, and Cooperative Learning. Teacher Expectations, Student Achievement training for two site-based coordinators will begin in the fall. START provides at-risk students with support to succeed in Language Arts through specific strategies tailored to the child's needs.

**Goal 4: Math And Science Achievement**

**Benchmark 4.2: Narrow Achievement Gap between Racial/Ethnic/Gender Grps.....**  
Naples Elementary is becoming well known for its annual Math Night, when families experiment with sample activities and manipulatives to explore math. Plans are being made to involve parents in all staff development activities with MathLand. START provides at-risk students with tools to succeed in math through specific strategies tailored to the child's needs.

**Goal 8: Parental Participation**

**Benchmark 8.1: Implement/Evaluate Multi-Tiered School-Home Partnership.....**  
START completed its second year of implementation with increased parental participation. Materials were available for check-out, as START helped parents help their children. The PTSA was highly successful, raising \$15,000 that was put directly back into the school. A new set of officers is in place and making plans to continue the programs sponsored by the PTSA.

**Goal 10: Organizational Development**

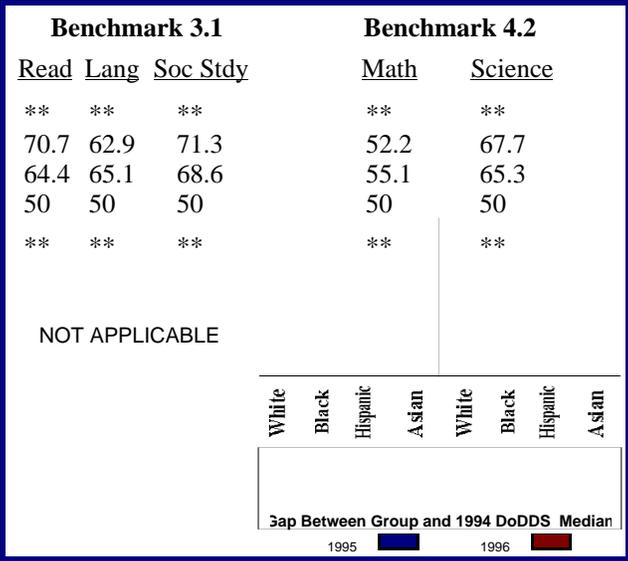

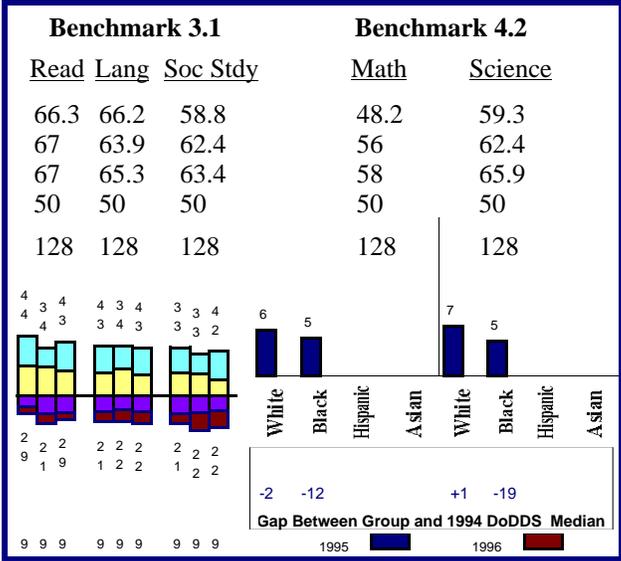

**Benchmark 10.7: Effective Communication Sys. for all DoDEA constituencies.....**  
The school publishes the La Delphina, a monthly newsletter to inform the parents and community of important school activities and student achievements. One teacher worked as a liaison to the local newspaper, collecting news about school events and student achievement. Many students saw their articles in the newspaper.

Report Card from DoDDS Parents			
Overall Quality	A/B	C	D/F
Language Arts	73%	19%	5%
Math	71%	20%	5%
Science	59%	28%	6%
Social Studies	62%	26%	3%
School Communications	63%	26%	11%

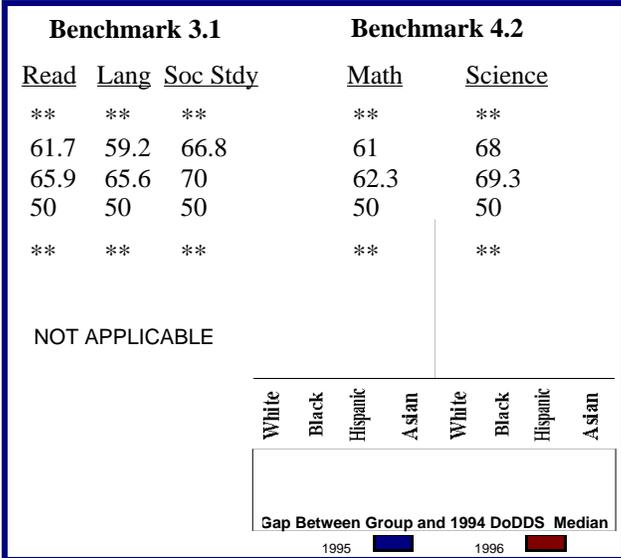

**Benchmark 10.8: Establish Technology for teachers and administrators**  
 We have 2 computer labs and a school-wide LAN. School communication is facilitated through cc:Mail by students and staff. Student pen pals have been established with world wide cc:Mail access. Projects such as WWW home page and electronic student competitions achieved with connection to internet. Continued staff training is planned and equipment upgrades will continue.

	1995	N/A	440	435	428

**Notes**

**Mobility Rate** is defined as the % of students who enter or withdraw from a school during the year relative to the enrollment.

**SAT Results:** Because of the way the College Board reports this data, the % Participating is generally overestimated.

**CTBS Test Results:** A Percentile score indicates the % of students nationally who scored below that score. Quarter(s) are the four percentile ranges: 1-25th, 26-50th, 51-75th, and 76-99th. Gaps are the differences between the group median percentiles and the 1994 DoDDS baseline medians.
