Principal's Highlights

The School-Home-Community Partnership continues to be a strength of our school and community. Major benefits of community support were realized by AM/HS after being "adopted" by 1/1 Aviation Battalion. This was our second year of hosting a very well attended and successful "Parents' Day." Parents and members of the community represented over thirty careers during "Career Day"

This year the Advancement Via Individual Determination (AVID) program grew to include students in the seventh grade. System-wide standardized assessment scores continue to rise for all students in the AVID program.

Many students have benefited from the after-school tutorial and study program when the media center was kept open after school three days a week for two hours. Students participating in this program were able to take the Activity Bus home.

The School Advisory Committee was proactive and effective in resolving school issues. Representatives of the student council were successful in getting resolution to several student issues.

**DoDEA Strategic Plan: School Improvement Implementation
School Year 98/99 Priorities**

Goal 3: Student Achievement And Citizenship

Benchmark 3.1: Increase Proficiency in Reading Lang Arts, and Soc. Studies.....

The 8th grade DoDEA writing assessment scores exceeded the DoDDS expectancy level of 75% of students at or above the proficiency level. In 10th grade there has been a 15.9% increase in the number of students receiving proficient or distinguished ratings.

Goal 4: Math And Science Achievement

Benchmark 4.2: Narrow Achievement Gap between Racial/Ethnic/Gender Grps.....

Although standardized test results show overall gains, the achievement gap between racial groups has not improved. Local assessments show math achievement gains in grades 7, 8 and 9, but little change in grades 10, 11, and 12

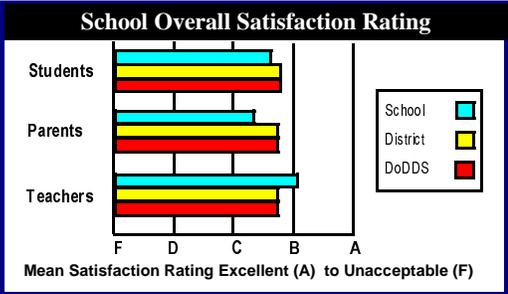

Goal 10: Organizational Development

Benchmark 10.7: Effective Communication Sys. for all DoDEA constituencies.....

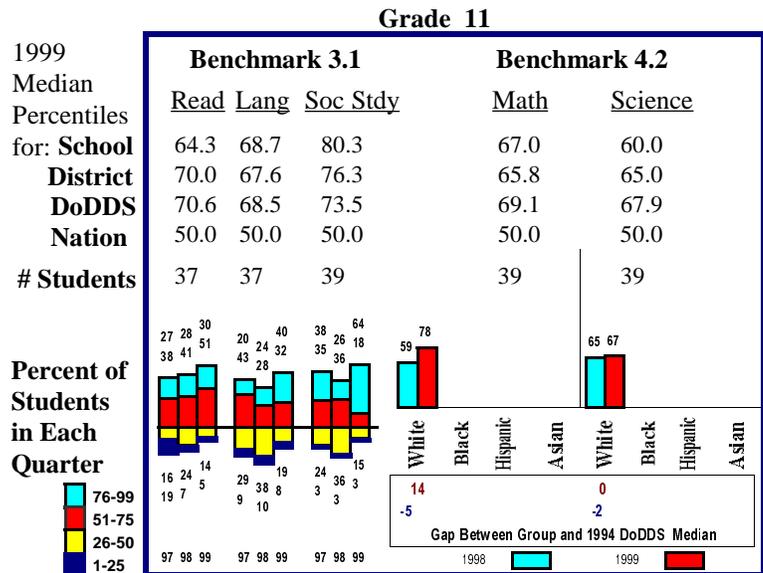

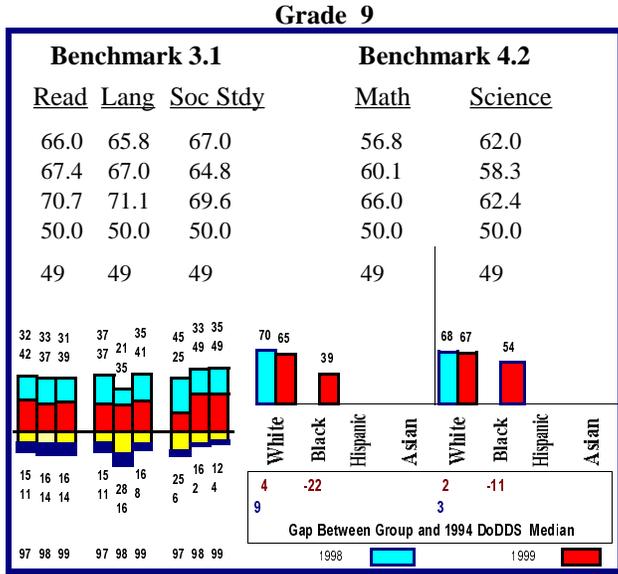

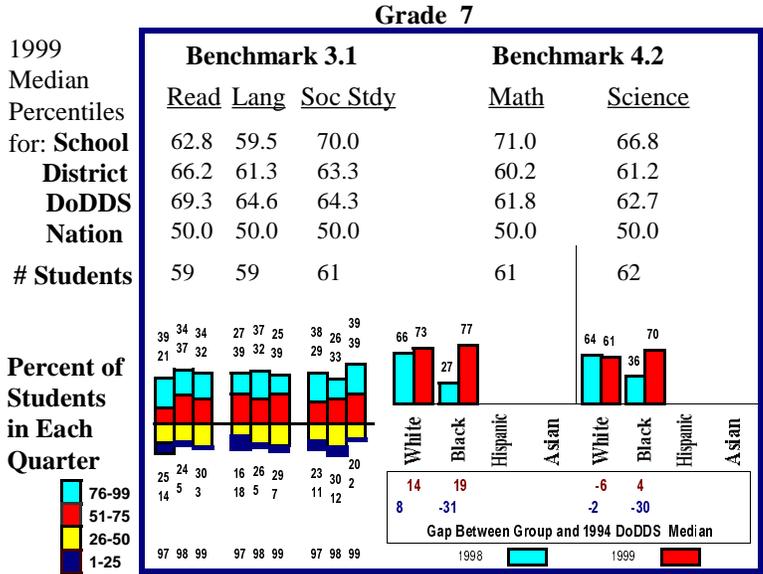

The number and frequency of progress reports sent home has increased at all grade levels. An electronic message board was erected in the front of the school to keep parents informed of school information and events.

Benchmark 10.8: Establish technology for teachers and administrators.....

Graduate level computer technology courses were offered first and second semesters. Five teachers successfully completed the course. Students of teachers involved developed extensive PowerPoint presentations related to their class.

Goal 8: Parental Participation
Benchmark 8.1: Implement/Evaluate Multi-Tiered School-Home Partnership.
 Annual "Parent Day" is supported by the community by releasing parents to attend. Many more parents were involved in in-school and out-of-school activities. Besides a monthly Parent Newsletter, a Parent Bulletin was used to keep parents informed of school events and activities.

SAT Results

	School	District	DoDDS	Nation
% Participating	98	44%	58%	62%
	99	61%	65%	63%
Math Avg Score	98	468	462	505
	99	458	461	501
Verbal Avg Score	98	508	492	511
	99	469	483	506

Notes

Customer Satisfaction Survey: The Overall Satisfaction Ratings above are only a part of the full report available for each school, district, area, and system. This report provides indepth information on topics such as technology, curriculum, parent involvement/communication, school buses and other topics.

CTBS Test Results: A Percentile score indicates the % of students nationally who scored below that score. Quarter(s) are the four percentile ranges: 1-25th, 26-50th, 51-75th, and 76-99th. Gaps are the differences between the group median percentiles and the 1994 DoDDS baseline medians.
