

IN THEIR WORDS

A Legacy of Memories and Successes

Each of you who have served or are currently serving ***in this great school system and your families*** are vested in that great legacy. Together you share the ***accumulated memories and successes of 75 years*** of public service in our classrooms, in our schools, and in our military communities – ***all in the defense of freedom around the world.***

Tom Brady
Director, DoDEA (2014 to present)
