OFFICE OF THE SUPERINTENDENT

March 27, 2020

Good Afternoon DoDEA Mid-Atlantic,

We are committed to keep you informed weekly and continue to share what we know during the COVID event. Our schools are standing by and ready to answer your questions and provide additional support as needed.

District News and Updates:

- At this time, all school buildings will remain closed next week.
- We are continuing to provide online learning to our students while continuously improving our delivery as we receive feedback.
- We are taking care of children by providing meals Monday through Friday through our student meals program at many of our installations. As of March 27, we have served more than 10,000 meals. For specific information about your local student meals program, visit your local school website.
- To focus on continuity of instruction and so that assessments can be focused on providing individual student support, the Department of Defense Education Activity (DoDEA) has decided to cancel the College and Career Ready Standards (CCRS) Summative Assessments and Alternate Assessments this spring 2020. For more information to include FAQs, visit <https://www.dodea.edu/assessments/>.
- We are continually working with our local command and health officials to ensure we have facts about the ongoing COVID-19 situation and to collaborate on decisions to support the public during the pandemic. At this time, there are no plans to reopen any schools to students.
- Please visit our Facebook pages for parent tips for digital instruction.

It is our commitment to provide support services, social virtual interactions between teachers and students, spirit days, and continuity in education. Please follow your school's website and your school's Facebook page for *official* school communications and information. Timely updates will be provided to parents via our website, Facebook

and DoDEA Notification System. Anticipate ongoing district updates Fridays by 5 p.m.
Thank you for your support!

Dr. Donato Cuadrado
District Superintendent
DoDEA Americas Mid-Atlantic District
