Transferring Course Credits to a DoDEA School (DoDEA Administrative Instruction 2000.1, “High School Graduation Requirements and Policy,” September 5, 2004)

DoDEA will accept the official courses, grades, and earned credits of middle school (grades 7-8) and high school (grades 9-12) students who transfer into a DoDEA school from other DoDEA schools or who earn course credits in a non-Department of Defense (DoD) system (public or private), correspondence, online, and/or homeschool program that are accredited by one of the six U.S. regional accrediting associations, one of the U.S. state education agencies, or by a public- or state-supported system of accreditation for public or private education programs in a foreign nation in accordance with Enclosure 3, Section 10 of the DoDEA Administrative Instruction 2000.1, [“High School Graduation Requirements and Policy,” September 5, 2004](#). Please contact your child’s school for questions regarding course credit transfer process and approval.

Home-School Students

DoDEA recognizes that home-schooling is a sponsor’s right and may be a legitimate alternative form of education for the sponsor’s dependents. Home-school students who are eligible to enroll in a DoDEA-Europe and DoDEA-Pacific and DoDEA-Americas students on a tuition-free basis are eligible to utilize DoDEA auxiliary services without being required either to enroll in or register for a minimum number of courses offered by the school. Eligible DoD home-school students using or receiving auxiliary services must meet the same eligibility and standards of conduct requirements applicable to students enrolled in the DoDEA School who use or receive the same auxiliary services. Any student, including eligible DoD dependent home-school students, who has not met the graduation requirements to earn a DoDEA diploma may not receive DoDEA commencement regalia, the DoDEA diploma, nor walk to participate in a DoDEA commencement ceremony.

Student Grade-Level Placement (DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 26, 2004)

Kindergarten and grade 1 placements are determined by minimum age requirements, in accordance with Enclosure 2 of the [DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 26, 2004](#). An otherwise DoDEA-eligible student who will reach his or her fifth birthday on or before September 1 of the school year will be eligible to be enrolled in kindergarten. An otherwise DoDEA-eligible student who will reach his or her sixth birthday on or before September 1 of the school year is eligible to enroll in grade 1. Kindergarten is not a prerequisite to grade 1 entry. Placement in grades 2 through 8 is predicated upon successful completion of the preceding year. Students entering a

DoDEA elementary, middle, or junior high school (through grade 8) from a non-American or host nation school will be placed in the grade level corresponding to their ages assuming yearly progression from grades 1 through 8.

Grade-level status (9, 10, 11, and 12) will be determined by the number of course credit units earned by the student, in accordance with Section 2 of the DoDEA Regulation 2000.3, "Student Grade Level Placement," March 26, 2004. Students entering grade 9 must have successfully completed grade 8 and/or been previously enrolled in grade 9 and earned less than 6 credits. Students entering grade 10 must have successfully completed grade 9 and earned a minimum of 6 course credits. Students entering grade 11 must have successfully completed grade 10 and earned a minimum of 12 course credits. Students entering grade 12 must have successfully completed grade 11 and earned a minimum of 19 course credits.

All DoDEA students, including students with disabilities, English language learners (ELLs), and students with accommodation plans, should be afforded the opportunity to participate in the standard DoDEA secondary curriculum.

Grading and Grading System

At the beginning of each course or grade level, every DoDEA teacher shall make available information regarding grading policy and course requirements to parents and students. This information will be provided to parents and students by the end of the first month of the school year or by the end of the first month of the semester in the case of a semester course.

If any child demonstrates unsatisfactory progress or achievement, teachers must notify parents with enough time to correct the deficiency. Notification must occur as soon as unsatisfactory achievement is evident, and not later than the midpoint of the nine-week grading period.

Timely and accurate reporting of student progress shall be accomplished for students in grades 4 through 12, using the approved DoDEA Electronic Gradebook (EGB) System. All assignments (e.g., quizzes, tests, examinations, homework, speeches, etc.) that are used to assess and report student progress shall be promptly evaluated and/or graded, posted in the EGB, and returned to the student. The normal period of evaluation and posting should be no longer than ten (10) calendar days from the day the assignment is collected, with reasonable exceptions for large projects. At a minimum, one assignment or grade should be recorded per week in the EGB System.

To create an account and access the EGB System please visit the [DoDEA Web site](#) for instructions.

Progress Reports/Report Cards (DoDEA Regulation 2000.10, "Department of Defense Dependent Schools Progress Reports," August 1, 1995)

In accordance with the policies and procedures in the DoDEA Regulation 2000.10, "Department of Defense Dependent Schools Progress Reports," August 1, 1995 it is the policy of DoDEA to issue a progress report every nine weeks for any student present or enrolled for at least 20 days or more in a marking period. Marks will be given at the end of the second, third, and fourth marking period for students in grades K-1. Marks or grades will be given at the end of each of the four marking periods for students in grades 2-12. For students in grades K-12, unsatisfactory achievement of program objectives or standards will be reported to parents during each marking period as soon as evident, but no later than the midpoint of the nine-week grading period to allow sufficient time for a student to correct the problem. In case of students whose performance does not begin to decline until after the midpoint in the quarter, every effort will be made to contact parents as soon as this happens and work to get the student back on track. All students will receive assessments that fairly and accurately report their academic progress. Marks or grades on report cards will be determined by the degree to which students are achieving established program objectives or standards. Marks or grades must be based upon student academic performance.

Transcripts/Records Policy/Access to Student Records

Student records and transcripts may be requested from several different sources, depending upon the student's last date of attendance or graduation date. Please visit the student records [Web site](#) for further instruction based on your situation or discuss with the counseling department at your student's school.

System-wide Assessment Program (DoDEA Regulation 2000.06, "System wide Assessment Program," March 26, 2010)

All DoDEA students in grades or programs identified for system-wide assessments shall be included in the DoDEA System-wide Assessment Program in accordance with the policy and Enclosure 2 in the DoDEA Regulation 2000.06, "System wide Assessment Program," March 26, 2010. Students who have been identified as having disabilities or are ELLs shall participate using either the standard DoDEA assessments, with or without reasonable and appropriate accommodations, or through the use of the appropriate DoDEA alternate assessment.

All assessments selected for use within DoDEA shall:

- 1) Affect instruction and student learning in a positive manner;
- 2) Be one of several criteria used for making major decisions about student performance/achievement; and
- 3) Align to clearly defined standards and objectives within the content domain being tested.

The results of each assessment shall be used as one component of the DoDEA Assessment System for major decisions concerning the student's future learning activities within the classroom setting.

Scholastic Integrity

Students are responsible for neither giving nor receiving assistance (written, oral, or otherwise) on tests, examinations, final evaluations or class assignments that are to be graded as the work of an individual. Any suspicion or evidence of forging, cheating, or plagiarizing the work of others will be investigated. Any student who is in violation will receive no credit, an appropriate consequence for the particular assignment, and a letter will be sent home to be signed by the parents and returned to the teacher. A copy of the letter will be filed in the student's discipline folder for the period of the school year.

Student Attendance (DoDEA Regulation 2095.01, "School Attendance," August 26, 2011, as amended)

In accordance with the policy stated in the DoDEA Regulation 2095.01, "School Attendance," August 26, 2011, as amended, school attendance is mandatory. All students are required to attend school for 180 instructional days per school year to ensure continuity of instruction, successfully meet academic standards, and demonstrate continuous educational progress. School attendance is a joint responsibility between the parent or sponsor, the student, the classroom teacher, the school personnel, and in some cases the Command. Students with excessive school absences shall be monitored by the Student Support Team to assist them in the completion of all required work and successful mastery of course objectives.

Daily student attendance is identified based upon a quarter of the school day formula. Students will be identified as present or absent, based on the following criteria:

- 1). Absent up to 25% of the school day = absent one-quarter of the school day.
- 2). Absent between 26%-50% of the school day = absent one-half of the school day.
- 3). Absent 51%-75% of the school day = absent three-quarters of the school day.
- 4). Absent 76%-100% of the school day = absent full-day.

DoDEA considers the following conditions to constitute reasonable cause for absence from school for reasons other than school-related activities:

- 1). Personal illness

- 2). Medical, dental, or mental health appointment
- 3). Serious illness in the student's immediate family
- 4). A death in the student's immediate family or of a relative
- 5). Religious holiday
- 6). Emergency conditions such as fire, flood, or storm
- 7). Unique family circumstances warranting absence and coordinated with school administration
- 8). College visits that cannot be scheduled on non-school days
- 9). Pandemic event

Unexcused absences may result in school disciplinary actions. An absence from school or a class without written verification from a parent or sponsor will be unexcused. Student attendance is calculated based upon the date of enrollment in a DoDEA school, which may occur anytime during the school year. Student attendance monitoring is designed to provide a continuum of intervention and services to support families and children in keeping children in school and combating truancy and educational neglect. Parents should notify the school of their child's absence by at least 30 minutes after the start of the school day for which the student is absent. Too many unexcused absences may trigger the Student Support Team to convene.

[Accelerated Withdrawal \(DoDEA Administrative Instruction 2000.1, "High School Graduation Requirements and Policy," September 5, 2014\)](#)

The principal may authorize an accelerated withdrawal of a student who must withdraw from school 20 or less instructional days prior to the end of a semester in accordance with Enclosure 3, Section 9 in the DoDEA Administrative Instruction 2000.1, "High School Graduation Requirements and Policy," September 5, 2014. Accelerated withdrawal will only be considered if the sponsor presents Permanent Change of Station (PCS) orders. The parent or sponsor must present verification of the date required for the student to depart from the school (e.g., PCS orders). All of the conditions of an accelerated study program outlined by the student's teachers must be met prior to withdrawal in order for grades to be assigned and credit to be granted. Students who withdraw prior to the 20-day limitation of the accelerated withdrawal policy will receive "withdrawal" grades rather than final grades.

[Interstate Compact on Educational Opportunity for Military Children \(DoD Instruction 1342.29, "Interstate Compact on Educational Opportunity for Military Children," January 31, 2017\)](#)

The DoD, in collaboration with the National Center for Interstate Compacts and the Council of State Governments has developed an interstate compact that addresses the educational transition issues of children of military families.

Currently, all 50 States and the District of Columbia participate in the interstate compact that provides a uniform policy platform for resolving the challenges experienced by military children.

It is estimated that the average military family moves three times more often than the average non-military family. These frequent moves by can cause children to miss out on extracurricular activities and to face challenges in meeting graduation requirements. In accordance with Enclosure 4 of the DoD Instruction 1342.29, ["Interstate Compact on Educational Opportunity for Military Children," January 31, 2017](#), the Compact will ensure that the children of military families are afforded the same opportunities for educational success as other children and are not penalized or delayed in achieving their educational goals by inflexible administrative and bureaucratic practices. States participating in the Compact would work to coordinate graduation requirements, transfer of records and course placement and other administrative policies.

[Religious Holiday Observance \(DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012\)](#)

According to Enclosure 3 in the DoDEA Administrative Instruction 2051.02, "Student Rights and Responsibilities," April 17, 2012 students may engage in independent religious discussion to the same degree that they may engage in other types of permissible speech. The freedom to engage in religious expression in school does not include the right

to compel other students to participate in religious discussion. Students may observe religious practice in school, such as private prayer, saying grace before meals and wearing yarmulkes and head scarves, as long as the practice does not violate student standards or cause substantial disruption.

Student Discipline (DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” April 4, 2012, as amended & DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012)

Management of student behavior is a responsibility shared by students, sponsors/parents/guardians, teachers, and the military command and school communities in general, in accordance with Enclosure 2 in the DoDEA Administrative Instruction 2051.02, [“Student Rights and Responsibilities,” April 17, 2012](#). It consists of teaching and reinforcing positive student attitudes and behaviors. Students shall treat teachers, administrators, and other school staff with courtesy, fairness and respect; and teachers, administrators, and other school staff shall treat students with courtesy, fairness, and respect. All students will be disciplined in a fair and appropriate manner. School administrators shall operate and maintain a safe school environment that is conducive to learning. Administration will ensure prompt investigation and response to incidents or complaints involving students made by students, parents, teachers, or DoDEA staff members. In accordance with the policy stated in DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” April 4, 2012, as amended discipline shall be progressively and fairly administered. Disciplinary actions include, but are not limited to, verbal reprimands, conferences, detention, time-out, alternative in-school placements, school service programs, community service and counseling programs. Other behavior management techniques will be considered prior to resorting to more formal disciplinary actions that remove a student from school for a suspension (short or long term). Long-term suspension or expulsion as a first offense may be considered when a student poses an immediate threat to his or her safety or the safety of others (e.g., offenses involving firearms or other weapons, fighting or violence; or the possession, use, or sale of drugs).

School Bus Behavior (DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” April 4, 2012, as amended)

The time students spend going to and from school is an extension of their school day. School buses are an extension of the school campus. Riding school buses is a privilege that may be suspended or revoked if a student does not behave in a safe and proper manner in accordance with DoDEA behavior expectations in accordance with Enclosure 8 in the DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” April 4, 2012, as amended.

Student Dress Code (DoDEA Administrative Instruction 2051.02, Student Rights and Responsibilities,” April 17, 2012)

Students are expected to dress in a manner that complies with the school’s dress code policy as directed in the DoDEA Administrative Instruction 2051.02, “Students Rights and Responsibilities,” Enclosure 2 (3,c,1) and Enclosure 2 (5,1). Please refer to your school’s Web site for specific dress code policy.

Student Rights and Responsibilities (DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012)

Students shall:

- Comply with policies, procedures, and standards for student behavior;
- Refrain from conduct or behavior that is disruptive;
- Respect the rights and human dignity of other students and all school employees.
- Attend school and classes regularly and punctually and make a conscious effort in

- all classes;
- Participate in and take advantage of educational opportunities provided by DoDEA schools; and
- Assist school employees in operating a safe school by abiding by the laws of the United States, the local military installation, the host nation, and DoDEA policies, regulations, and procedures.

Interscholastic Athletics

All high school students, and middle school students in some cases, are provided the opportunity to participate in the Interscholastic Athletic Program without regard to race, religion, color, national origin, sex, disability, or other factors unrelated to that participation. Counseling (DoDEA Regulation 2946.1, “School Counseling Services,” September 8, 2003 & DoDEA Manual 2946.2, “Department of Defense Education Activity School Counseling Services,” January 1, 2006)

DoDEA school counselors provide comprehensive counseling programs to all students in grades K-12 in accordance with DoDEA Regulation 2946.1, “School Counseling Services,” September 8, 2003 and DoDEA Manual 2946.2, “Department of Defense Education Activity School Counseling Services,” January 1, 2006. Counseling programs are designed to foster a foundation for life-long learning by removing barriers to students’ academic success. Early identification and intervention of students’ academic and social/emotional needs is essential in removing barriers to learning and promoting academic growth. School counselors provide direct and indirect student services and curricular activities to increase the knowledge, skills, and attitudes required for students to achieve their potential academically, socially, emotionally and physically for life, college and career readiness.

Elementary school counseling programs support student’s self-concept and feelings of competence as successful learners. In elementary grades, school counseling programs deliver the knowledge, attitudes and skills (e.g., decision-making, communication, interpersonal, and life-skills) required for students to progress through school as competent and confident learners. Secondary school counseling programs are designed to meet the rapidly changing needs of students in grades 6-12, while preparing them for high school and beyond. College and career exploration and planning are emphasized at the secondary level. As middle school students learn to manage more independence and responsibilities, school counseling programs are designed to connect learning to practical application in life and work, support personal/ social skills, and foster effective learning / study skills. High school counseling programs are designed to foster student preparation and readiness for successful college and career pathways after high school. All high school students create and manage a four-year plan with their counselor. The four-year plan is designed to teach students how to create and attain their graduation, college and career goals while taking into account their interests, aptitudes and graduation requirements.

Please contact your school counselor for additional information regarding the school counseling program.

All visitors will receive an appropriate visitor's badge that is to be displayed conspicuously at all times while on school grounds. Visitors may be asked for an item of value in exchange for the visitor's badge. Any change to the designated location must be cleared through the front office before visiting a different location. Upon finishing their

[Child Abuse and Neglect \(DoDEA Regulation 2050.9, “Family Advocacy Program Process and Procedures for Reporting Incidents of Suspected Child Abuse and Neglect,” January 27, 1998\)](#)

[Family Advocacy Program \(DoDEA Regulation 2050.9, “Family Advocacy Program Process and Procedures for Reporting Incidents of Suspected Child Abuse and Neglect,” January 27, 1998\)](#)

The Family Advocacy Program (FAP), which is an installation program, is designed to address prevention, identification, evaluation, treatment, rehabilitation, follow-up, and reporting of family violence. FAPs consist of coordinated efforts designed to prevent and intervene in cases of family distress and to promote healthy life. In accordance with DoDEA policy in the DoDEA Regulation 2050.9, [“Family Advocacy Program Process and Procedures for Reporting Incidents of Suspected Child Abuse and Neglect,” January 27, 1998](#), DoDEA school personnel will participate in the identification of child abuse and the protection of children by promptly reporting all suspected or alleged child abuse to the local FAP officer and to the reporting employee’s immediate supervisor.

[Adult-to-Student Sexual Abuse, Sexual Harassment, and Other Inappropriate Behavior or Conduct \(DoDEA Regulation 1800.02, “Prohibition of Adult-to-Student Sexual Abuse, Sexual Harassment, and Other Inappropriate Behavior or Conduct,” June 15, 2015\)](#)

All DoDEA employees and volunteers hold positions of trust and are responsible for establishing and maintaining professional distance with students. Adult-to-student sexual abuse, sexual harassment, or other inappropriate behavior or conduct demonstrate a lack of professional integrity and a breach of authoritative power of adults who are in positions of trust, and such are unacceptable and shall not be tolerated in DoDEA. Incidents of sexual abuse, sexual harassment, or other inappropriate behavior or conduct shall be reported promptly in accordance with DoDEA requirements. Refer to pages 15-17 in the DoDEA Regulation 1800.02, [“Prohibition of Adult-to-Student Sexual Abuse, Sexual Harassment, and Other Inappropriate Behavior or Conduct,” June 15, 2015](#), Sexual Harassment and Other Inappropriate Sexual Behavior to obtain more information about sexual harassment.

[Sexual Harassment \(DoDEA Policy Statement on Sexual Harassment, Directive-Type Memorandum 18-DMEO-004, and DoDEA Administrative Instruction 2051.02, Student Rights and Responsibilities\)](#)

DoDEA remains firmly committed to providing all students with a safe, supportive, and non-discriminatory learning environment. Every child is entitled to feel safe in school and while participating in school-related activities. DoDEA has a responsibility to address all complaints of sexual harassment, which includes addressing its effects and taking steps to prevent further/future behavior. Sexual harassment by or against students will not be tolerated in DoDEA schools.

Sexual harassment is defined as any unwelcome behavior of a sexual nature from students or adults (of the same gender or not) that is sufficiently serious that it prevents or limits one’s ability to learn, study, work, or participate in or

benefit from DoDEA school programs and activities, both on and off school premises, such as interfering with a student's schoolwork, making a student feel uncomfortable or unsafe at school, or substantially interfering with one's physical or psychological well-being.

Such misconduct can consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, written, or physical conduct of a sexual nature. Examples of behavior that may constitute sexual harassment include:

- Commenting or teasing someone about their sexuality, body parts, or sexual development.
- Texting, IM'ing, e-mailing, or otherwise sharing sexually graphic material, both written and visual.
- Pulling down someone's pants or shorts, flipping skirts, pulling at or lifting up shirts.
- Unwelcome physical contact of a sexual nature from an unwanted pat, hug, or kiss, to groping or grabbing of another person's private body parts and, in extreme cases, sexual assault or rape.

You are encouraged to visit the DoDEA Sexual Harassment and Awareness Prevention webpage at: www.dodea.edu/sexualharassment to learn more about sexual harassment, what to do if you feel you have been sexually harassed, and to obtain point-of-contact information for regional Diversity Management and Equal Opportunity (DMEO) Complaints Managers. Unresolved matters concerning sexual harassment, or any other inappropriate sexual behavior, may be reported through the chain of command. The DoDEA chain of command is located at <https://www.dodea.edu/aboutDoDEA/command.cfm>.

Parent/Student/Teacher Communication

DoDEA encourages all communication take place through official school email accounts.

Non-Discrimination/Equal Opportunity in Federally Conducted Education and Training Programs (DoDEA Policy Memorandum 03-OCA-001 implementing Executive Order 13160)

No individual, on the basis of race, sex, color, national origin, disability, religion, age, sexual orientation, and status as a parent, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in, a federally conducted education or training program or activity. Sexual harassment is a form of discrimination based on sex. Refer to pages 15-17 in the DoDEA Policy Memorandum 03-OCA-001 implementing Executive Order 13160, Sexual Harassment and Other Inappropriate Sexual Behavior.

Student Health — Allergies and Chronic-Acute Conditions (DoDEA Regulation 2720.1, "First Aid and Emergency Care," September 8, 2003)

Please inform the school nurse of any medical condition and health concerns your child may have to better serve and protect your child's welfare in accordance with the DoDEA Regulation 2720.1, "First Aid and Emergency Care," September 8, 2003.

Food allergies including peanut/nut allergies are a significant health concern within the school environment. Completely banning nuts or other foods is not recommended as it is 1) not possible to control what other people bring onto the school grounds and 2) does not provide the allergic student with an environment where he/she can safely learn to navigate a world containing nuts. When a ban is instituted, parents feel their child will not be exposed to allergens. A ban can create a false sense of security. Allergic reactions can range from mild symptoms to life threatening reactions. Ensuring a safe environment for all students and visitors is a primary focus for the administration and staff. Your assistance and support in helping us maintain a safe environment for every student, staff, and visitor is greatly appreciated. In an attempt to raise awareness and limit an unnecessary exposure during school hours, we are implementing the following steps to address food allergies. These include:

- Notifying the school nurse of ANY allergy including food, drug, insects, and others;
- Providing the school nurse with medication/doctor’s order/parent permission form;
- Teaching children at home about their food allergies and not to share any food in school; and
- Letting the classroom teacher know about your child’s food allergies and checking with the classroom teacher before bringing any food for celebrations into the classroom.

Medication at School

It is best practice to take medication at home. If medication needs to be taken three times a day, the student should take it in the morning before leaving home, take it after school arriving at home, and take it before bed time; such schedule provides a more even time spacing. When medications must be administered during the school day, the medication must be delivered to the school nurse in the original container, properly labeled by the pharmacy or primary care manager/provider, stating the name of the student, the medication, dosage, route, time of administration, and current date of issue. Contact the school nurse for the required Medication Form H-3-2. This form must be filled out and signed by the prescribing medical provider and signed by the sponsor/parent/guardian. The sponsor/parent/guardian needs to bring the signed form and the medication to the school nurse. If the school nurse is not present, the signed form and medication must be presented to the school principal, acting principal, or health aide for safekeeping.

In some rare situations, students are allowed to keep their medicine with them while in school or at school-related activities. The student's prescribing primary care manager must provide a written statement that the student has to keep the medication at all times; also, a parent must provide written permission for the medication to stay with the student. See the school nurse to obtain appropriate paperwork for medications to be administered during school hours or for student to carry medication.

First Aid and Emergency Care (DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003)

School personnel will administer first aid to the dependent student when needed to treat minor injury or illness in accordance with the DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003. Should the dependent student sustain an illness or injury that a school official believes should receive immediate care from a health care provider, the school will a) make reasonable efforts to contact the sponsor/parent, or the alternate individual(s) identified as emergency contacts on the dependent student’s registration document (DoDEA Form 600), and, if necessary, b) arrange for a response by an Emergency Response Team (EMT) and possible transportation of the dependent student for treatment to an available health care facility. The EMT, health care facility, or attending health care provider(s) may not be U.S. or military facilities or providers, especially if the dependent student is located overseas.

Treatment decisions will be made exclusively by a health care provider(s) if the nature of the dependent student’s injury or illness requires immediate health care, in accordance with their standard operating procedures regarding the delivery of emergency care for the dependent student.

Emergency Notification Procedures (DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003)

The school nurse will make a judgment call based on nursing assessment if a student needs emergency medical care requiring an ambulance in accordance with Section 6 of the “First Aid and Emergency Care,” September 8, 2003. If a student needs emergency medical care requiring an ambulance, the school nurse shall ensure that:

- The ambulance is requested;*
- The parent is notified that the student is en route to the nearest medical facility; and
- The school administrator is notified.

*A school official may accompany the student to the medical facility in an emergency.

Student Illness

While the education of your child is important, there are certain medical illnesses that require for your child to either be sent home or remain home from school. These are as follows:

- **Fever:** Elevated temperature of 100°F or greater. The student should be fever free (oral temperature below 99°F), without the use of fever-reducing medicines, for a complete school day (24 hours) before returning to school.
- **Flu Symptoms:** Fever over 100°F or greater with cough and/or sore throat. Other flu symptoms can include fatigue, body aches, vomiting and/or diarrhea. A student must remain home for at least 24 hours after there is no longer a fever, without the use of fever-reducing medicines.
- **Coughing:** Severe uncontrolled coughing or wheezing; rapid or difficult breathing; coughing lasting longer than five-seven days.
- **Vomiting:** Two or more episodes of vomiting in the past 24 hours. A student must remain home until vomiting resolves (no further vomiting for 24 hours).
- **Diarrhea:** Frequent, loose or watery stools compared to child's normal pattern; not caused by diet or medication. A student must remain home if a) he/she looks or acts ill; b) he/she has diarrhea with temperature elevation of 100°F or greater; c) he/she has diarrhea and vomiting.
- **Rash *WITH* Fever:** A body rash *without* fever or behavior changes usually does not require exclusion from school; seek medical advice.
- **Conjunctivitis:** Pink/reddish color to white part of the eye *and* thick discharge may be yellow or greenish in color. A student should remain home until discharge and signs of infection have cleared or completion of 24-hour treatment with ophthalmic solution prescribed by a health care provider.
- **Head lice or scabies:** **A student must remain home until** treatment has been initiated. Note: Strict adherence to product directions is essential for successful eradication of parasites.
- **Impetigo:** (Including streptococci, staphylococcus, and methicillin-resistant staphylococcus aureus ["MRSA"] infections). Blister-like lesions which develop into pustules. May "weep" and crust. A student must remain home for 24 hours after medical treatment initiated.
Note: Lesions must be covered for school attendance.
- **Ringworm:** **While a student may attend school with ringworm,** lesions must be covered for school attendance.
- **Vaccine Preventable Diseases:** Measles, mumps, rubella, (German measles), chicken pox, pertussis (whooping cough), and influenza. A student must remain home until determined not infectious by medical care provider.

Please visit the DoDEA Student Health Services [Web site](#) for further instruction based on your situation or discuss with an administrator at your student's school.

Medical Care for Overseas Non-DoD Dependents

Health care in the school setting is the same for overseas non-DoD dependents as it is for DoD-dependents.

- Any illness or injury that causes concern
- Eye, ear, or teeth injuries

Safety and Security (DoDEA Administrative Instruction 6055.01, “DoDEA Safety Program,” November 17, 2017)

Emergency Procedures

CIVIL DISTURBANCES AND ACTS OF TERRORISM

These are politically driven acts of violence. The chances of a civil disturbance or terrorist act occurring in or around the school are very low. Should a civil disturbance or act of terrorism occur at the school, the following actions will be taken:

1. The school administrator will be notified immediately.
2. A school administrator will notify the Security Police or designated base command post.
3. The school will follow all procedures and instructions of the 36th Security Forces Squadron or the AAFB

Command Post. Administrators will coordinate the implementation of the DoD Force Protection Condition (FPCON) System measures with local security officials or base commanders to ensure the measures are appropriate with the measures contained in the base FPCON plan. A list of the FPCON conditions is listed in DoDEA Reg. 4700.1, Enclosure 3.

CRISIS MANAGEMENT TOOLKIT

The DoDEA web site features a Crisis Management Toolkit page to help families, educators, and community members understand how to best meet the needs of DoDEA’s students, staff, and community members in the event of a crisis. The toolkit provides current information for families and educators about school crisis management policies and procedures, and makes available useful resources to help children and adults cope with the stress and anxiety associated with traumatic incidents. This web page can be found at <http://www.dodea.edu/crisis/index.cfm>

EARTHQUAKES

Children will receive instructions on preparedness measures to be taken if they are in school during an earthquake. In the case of such an event, school may be dismissed following the earthquake. The Civil Engineering Squadron will determine if the school buildings are safe for re-entry. Students will be monitored in a safe area either on or off school grounds. Parents or guardians will be notified when/where to pick children up if necessary.

EMERGENCY EVACUATION

In accordance with our antiterrorism/force protection plan, the school will be evacuated unless otherwise determined by the command and our district office. In cases where the school has to evacuate the premises due to any safety concerns, the students and staff will evacuate to designated locations away from the threat. If we have to leave the school area and/or send students home we will make every effort to contact each sponsor. During the time of any evacuation, all students will remain with their teachers. If information is received from our district office or from the base command to send students home, the school will then release the student(s) to the parent/guardian provided proper identification has been presented. We appreciate your cooperation during evacuations of this nature. **Again, it is imperative that the school has updated contact information in case of any type of emergency.** Please contact the school office at 366- 1511 to ensure all contact numbers are updated and current.

EMERGENCY SCHOOL CLOSURE

Emergency school closures occur when unforeseen circumstances such as broken water pipes, flooding, loss of power, etc., warrant closure to be initiated during non-school hours. The decision to close the school is made through input from the administrators, our superintendent, and the base commander. An announcement of the closure will be broadcast on TV and/or radio and by the base command units.

Once the decision has been made to release students, staff members will alert all classrooms. Teachers are responsible for attempting to contact every child's parent/guardian to notify them of the school closure. Students who ride the bus will be released to board the bus at a set time. For those students who walk, ride a bike, or are picked up, they may be released once their parent/guardian has been contacted and agree with that process. If we are unable to reach a student's parent/guardian by the time teachers are released, the teacher will bring him/her to the office and the office staff will assist in contacting the parent. For these emergencies ***STUDENTS ARE NOT PERMITTED TO LEAVE SCHOOL GROUNDS WITHOUT THEIR PARENT/GUARDIAN BEING NOTIFIED.*** As stated before, please ensure all contact numbers are updated at all times with both your child's teacher and the school office.

FIRE DRILL EVACUATION PLAN

Fire drills are conducted once each week during the first four weeks of school, and once each month thereafter. A fire evacuation plan is posted in each classroom. All students receive specific instruction and participate in the scheduled fire evacuation drills.

Fire Alarm Pull Switches

If a student pulls a fire alarm switch, he/she is subject to a probable suspension from school. The student will be reported to the AAFB Fire Department and parents will be notified immediately. Activation of the fire alarm switches will not be tolerated.

TYPHOONS

The typhoon season (May to November) spawns many tropical storms that may affect the Andersen Air Force Base community. It is essential that parents are aware of the local Typhoon Condition of Readiness (TCOR) at all times, especially during the passage of a tropical storm or typhoon. School will not be in session when the Base Commander declares TCOR 2. School will be dismissed (if in session) when the Base Commander determines TCOR 2. Updated information is regularly broadcast on ATV/Naval Communication Channel and/or local radio stations.

Make-Up Days

If school is canceled due to a typhoon, the District Superintendent's Office will determine if students and staff need to make up any missed school days. Information and school calendar changes will be distributed through email and other forms of communication.

School Closures

There are times when weather situations could result in school being closed. Please contact your child's school for details regarding notification procedures. The decision to close the school is made through input from the administrators, our superintendent, and the base commander. An announcement of the closure will be broadcast on TV and/or radio and by the base command units. An announcement on the AES official Facebook Page as well as an email will also be sent out to parents informing them of the school closure. (Schools to provide further details.)

Transportation

Please contact the School Transportation Officer at 671-366-5467 for all transportation related questions.

School Advisory Committees (DoDEA Europe & DoDEA Pacific) and School Boards (DoDEA Americas)

This is one way for parents to get involved in their child's education. Please consult your child's school to find the schedule for School Advisory Committee (DoDEA-Europe and DoDEA-Pacific) or School Board meetings (DoDEA-Americas).

Role of Social Media

Use of personal social media between parents/teachers/students is discouraged, other than official school social media communication.

Noncustodial Parent Rights

Parents and/or guardians must supply the school with a copy of any type of court order that may affect the student (e.g., who is allowed to visit the child, who has legal custody, etc.). These orders will be maintained in the student's cumulative file. If any changes take place during the school year with the court order, the school must be notified immediately. Teachers will be notified of any restrictions that affect students in their classes.

Andersen Elementary School Specific Policies

Transportation

BICYCLES

Many students arrive and depart school through the use of bicycles. Students need to use safety precautions when riding their bikes to and from school. They need to take extra caution when crossing the streets as well. Students are to **walk** their bicycle on the sidewalk and not cross over to the bike racks through the grass when they reach the school campus. Failure to walk their bikes on the school campus will result in a loss of bicycle privileges.

Bicycle Racks

The location of the bicycle racks is in front of the school, to the left of the main office doors as you face the school. Students need to place their bicycle into a slot on the rack. Students are **not** to leave their bicycle on the ground or park them in front of the exit doors. Students should not take up more than one space for their bicycle. Students are strongly encouraged to lock up their bicycles. **The school is not liable for missing or stolen bicycles.** Bicycles that are not parked appropriately may be confiscated for pickup by student or parent.

BUS PROCEDURES

Student bus transportation is the sole responsibility of the Guam North Student Transportation Office. The transportation office is located in room A120 at Andersen Elementary School. All students who ride DoDEA school buses must be registered with the DoDEA schools on Guam. The bus transportation officer can be reached @ 366-5467. ID bus passes will be provided to all students riding DoDEA buses including Special Needs and Pre-K students. DoDEA students must always carry their bus passes with them.

All **KINDERGARTEN** students **MUST** be picked up by a parent/guardian at the child's bus stop location. Bus drivers are not authorized to release a Kindergarten student if the parent/guardian is not there to meet her/him.. Students will be brought back to the school office and parents will be notified to come pick them up. Students must be picked up immediately after the sponsor is notified, or Security Forces may be notified. Students are only allowed to ride the bus for which a pass has been issued. Requests to ride another bus must be made through the Guam North Student Transportation Office.

Parents, sponsors, guardians and students are reminded that bus transportation to and from school is a privilege, which can be revoked administratively when students violate the expected standards of conduct and discipline while riding the bus.

When a student violates these rules, which have been provided for student safety and well-being, school administrators can suspend students' bus privileges. It then becomes the sponsor's responsibility to provide transportation to and from school for the student during the period of suspension. All questions concerning student transportation should be addressed to the transportation office.

SKATEBOARDS

Students are authorized to ride their skateboards to and from school; however students must walk with their skateboard in hand when they reach the school campus. The use of skateboards anywhere on campus is prohibited at all times.

SKATE SHOES

Skate shoes are strictly prohibited anywhere on campus. These shoes present a serious safety concern at school. Students should not wear these types of shoes to school at any time, for any reason. Failure to follow this policy will result in a phone call to the parents to bring the student another pair of shoes, and/or the wheels being removed and kept in the main office for pickup.

Student Meals

LUNCH/NUTRITION BREAK

Parents interested in applying for free or reduced lunches may pick up an application in the school office. ***Families are required to reapply each year.*** Until students are approved for free or reduced lunches, they must either pay full price for lunches or bring a lunch from home.

Students will enter their respective PIN Number and the cashier will confirm that the student matches the name associated with the account.

Students have 30 minutes for lunch. If they are not finished with their lunch at the end of 30 minutes, rather than leave the cafeteria, they may remain to finish their lunch, but must refrain from visiting with friends. They are encouraged to try all items on their tray before emptying it. Students allergic to milk must have a doctor's note presented to the manager of the cafeteria in order to be provided juice with their hot lunch at no additional cost. This note will be kept on file in the cafeteria.

The Student Meal Program is administered by the Navy Exchange on behalf of DoDEA. Please find the information about meal prices, menus, free and reduced applications, and more at www.mynavyexchange.com/StudentMealProgram.

The DoDEA Guam Local School Wellness Policy outlines the standards and nutrition guidelines for all foods and beverages served to students, our goals for nutrition promotion and education, physical activity, and other school based activities that promote student wellness, and our policies for food and beverage marketing. This document can be found on our school website under the Student Meal Program tab.

Per Guam District guidance, kindergarten through fifth grade students may not receive celebration snacks one hour before or one hour after designated lunchtimes.

LUNCHROOM BEHAVIOR

- Use good table manners.
- Talk softly.
- Be courteous and respectful to everyone.
- Always walk and watch where you are going.
- Objects, including food, are never to be thrown.
- All food/drinks are consumed in the cafeteria.
- Remain seated at your table until dismissed.
- Do not share your food and do not ask for food from other students. Parents pay for/prepare what they want each student to eat for lunch.

NUTRITIOUS SNACK

Many teachers allow their students to eat nutritious snacks while they work on their respective learning activities and assignments. Parents have the option to provide their children with daily fruit, cheese/crackers, 100% juice, and other nutritious snacks. Donuts, candy, chips, etc., are not nutritious snacks. In addition, soda is not considered a nutritious drink and therefore, is not allowed as a snack or at lunch.

CELEBRATIONS

Celebrations will only be scheduled during students' specific grade level lunch times.

School Facilities

We work in tandem with our Facility Operations Specialist and Administrative Officer to ensure we resolve any facility issues that arise throughout the school year.

School Trips

STUDY TRIPS

Academics are not restricted to the classroom, but take place in the community as well. Therefore, study trips may be ongoing throughout the school year. A letter from your child's teacher, to include the date, time, and destination of the study trip, will be sent home the week prior to the planned trip. At various times during the school year, classes may take study trips as part of the instructional program. Study trips are considered part of the instructional day. Children **MUST HAVE A PERMISSION SLIP SIGNED BY THE PARENT** before they go on any trip leaving the school. If parents do not want to send their child on a study trip, the teacher will make alternate arrangements for the child to attend another class for the period of the study trip. If parents elect to keep their child at home the child will be considered absent for that time not at school. Parents may attend the study trip with the child. Chaperones may not bring siblings/infants on a study trip. As an invited chaperone, one's responsibility must be to help supervise all the students in the classroom.

GUIDELINES FOR CHAPERONES

1. All chaperones pay their own expenses (entrance fees, transportation, if not DoDEA funded bus, etc.).
2. Other younger/preschool age children in the family **will not** be allowed to accompany parents on a trip, as they tend to distract parents and students alike.
3. Children from other classrooms **will not** be allowed to accompany their brothers/sisters on a study trip.
4. **UNDER NO CIRCUMSTANCES ARE CHAPERONES TO SMOKE OR DRINK ALCOHOLIC BEVERAGES AT ANY TIME DURING A STUDY TRIP.**
5. Chaperones are required to accompany the class to and from the trip. Following the bus in a private vehicle is not close supervision.
6. Chaperones may not transport their student or any other student to and from the study trip. Students are required to ride the bus to and from the study trip. ***Under no circumstances may a child be checked out from the study trip (with the exception of a bona fide emergency).*** The child **MUST** return to the school and then he/she may be checked out at that time.
7. Chaperones must have an **approved** volunteer application on file prior to attending a field trip as a chaperone. **Please allow at least 5 business days for processing of all volunteer request forms.**

Parent Advocacy

The channel for the resolution of parental complaints/concerns is as follows:

1. Parents are encouraged to meet first with teachers to resolve issues.
2. If an issue cannot be resolved, the parent should then call an administrator for further advice and consultation.
3. Our counselors are an excellent resource with whom to discuss student issues. We request, though, that you direct any teacher concerns directly to an administrator.

Roles of Staff Members

Our staff is committed to ensuring your child/children receive a world-class education that meets their specific needs daily. Our staff members are also committed to ensuring they provide all students with meaningful, real-world, and enjoyable learning experiences and opportunities on a daily basis. Please feel free to contact your child's teacher or the administration if you have any questions, comments, or concerns pertaining to this policy.

Parent-Teacher Conferences

All DoDEA schools should encourage parents to meet with their child's teacher for parent-teacher conferences. Parent-teacher conferences allow parents the opportunity to ask questions about their child's classes or progress in school. Parent-teacher conferences are a great way to discuss how parents and teachers can work together to help students perform at their best in school. If you are going to a meeting that was scheduled by the teacher or school, ask beforehand how much time you will have. If you will need more time or want to meet with the teacher again, let the teacher know at the end of the meeting. Please consult your child's school for details regarding scheduling.

PARENT-TEACHER ORGANIZATION (PTO)

The Andersen Elementary School PTO, an organization of parents and teachers, works for a better school environment by providing both financial and volunteer support for our school programs. The PTO sponsors a variety of activities such as book fairs, school pictures, monthly birthday celebrations for all children, the sale of school t-shirts and many other events.

The Parent-Teacher Organization consists of the following positions: President, Vice President, Secretary, and Treasurer. In addition, the committee coordinator positions are: volunteer, spirit week, membership and box tops. If you are interested in volunteering or serving on the executive board or being a committee coordinator, please contact the PTO office via email at andersen_aespto@yahoo.com

PLACEMENT COMMITTEES

The AES administration will form a placement committee if a situation arises in which a parent(s)/sponsors(s) make a request to have their child/children placed in a grade that is above or below their child's expected grade-level. The placement committee is comprised of at least one administrator, at least two teachers, and a school counselor. Other employees may be added to the committee on an as-needed basis.

Town Halls

Town hall meetings will be held at Andersen Air Force Base on an as needed basis.

School Sponsored Nights

We will have numerous school sponsored events that will take place throughout the school year. All of these events will be meaningful and hopefully serve as enjoyable and valuable learning experiences for our students. We are always in need of volunteers for these events. If you, or anyone you know, are willing and able to volunteer please let us know. We will keep you well informed as to when these events are taking place through email, our official Facebook page, as well as through other channels. Please let us know if you have any questions pertaining to our school sponsored evenings.

PROHIBITED ITEMS

Some items prohibited at school include, but are not limited to the following:

- Roller blades, roller skates, wheelies or skate shoes

- Chewing gum

- Cigarette lighters and matches
- Tobacco products; e.g., cigarettes, cigars, pipes, chewing tobacco, smokeless tobacco, snuff
- Firecrackers

WEAPONS AT SCHOOL - DoDEA POLICY

DoDEA HAS ZERO TOLERANCE FOR WEAPONS INFRACTIONS

***Inherently Dangerous items: Deadly Weapons**

Weapons in this category include firearms, knives (over 2” blade), explosives, realistic replica guns, nun-chucks, ninja knives, large chains and/or other dangerous weapons of no reasonable use to the pupil at school or at a school activity.

***Dangerous/Potentially Dangerous items**

This category includes items not inherently dangerous, used inappropriately to injure or with intent to injure others or instill fear at school or at a school activity including but not limited to unrealistic replica guns, laser pens, small firecrackers, small pocketknives (less than 2” blades), or other inappropriate items.

NOTE: If the school year ends before the length of the suspension/expulsion, students are eligible for re-admittance to school without serving the full length of the expulsion, unless the act occurs during the last 6 weeks of the semester, in which case, the suspension can extend to the end of the next semester.

ELEVATORS

Each building is equipped with an elevator. Students with special needs and/or in need of assistance (e.g., broken leg, wheelchair assistance) are authorized to use the elevators with permission from an administrator. We appreciate your cooperation for taking the time to talk with your child about the importance of the elevators, their purpose, who may use them, and that authorization to use them must come from an Administrator.

GROOMING AND DRESS

Andersen Elementary School students are encouraged to take pride in their dress and conduct. All students are expected to dress neatly, adhering to the school district dress code. Students must observe and maintain healthy personal hygiene. Grooming is discouraged during class time. Students shall be required to dress appropriately in accordance with the following requirements to maintain social standards conducive to a proper learning atmosphere. The following are minimal expectations for dress:

ACCESSORIES

No student shall wear sunglasses indoors unless proper medical certification is presented. Sunglasses not medically required may be confiscated. Jewelry should be kept to a minimum. For safety reasons it is strongly recommended that long dangling earrings not be worn to school.

CLOTHING

Uniforms are required daily for students in Kindergarten through 5th grade. Students are to remain in their school uniforms while on the school campus. Parents will be notified immediately when their student is out of the required uniform. There may be days when the uniform requirement will be suspended for special events or other occasions; however, there will be a school announcement made regarding those special events.

The following guidelines apply: Attire advertising drugs, alcohol, signifying gang involvement or affiliation are prohibited. Attire should neither be excessively loose or tight-fitting. Shorts, skirts, skorts and dresses must reach the end of the wearer's finger tips when arms are straightened loosely along sides or no higher than mid-thigh. Cropped/halter tops (no bare midriffs), sheer and spaghetti-strap clothing that reveal an excess amount of bare skin are prohibited. Tank tops and other revealing types of athletic shirts should not be worn.

FOOTWEAR

Shoes must be worn at all times. Crocs, zories, flip-flops, slippers, and steel-toed shoes are not allowed for safety reasons. Sandals may be worn provided they are safe and will not pose a hazard for the student. The heel on footwear should be no more than a half-inch high. Students should plan to wear tennis shoes or other athletic footwear on Physical Education days, which will occur every 4th day. We strongly recommend that tennis shoes/athletic footwear be worn at all times.

HAIR

Hairstyles must not impair sight or prevent adults from seeing a student's eyes.

HATS AND HEADWEAR

No hats or head coverings are permitted to be worn in the building or classrooms. This includes headwear such as bandannas. Hats are permissible on the playground. Students should hand carry hats for wear during recess to the cafeteria.
