Cancer Awareness Day Friday, October 14

Bolden students are encouraged to wear pink shirts on October 14 to support cancer awareness. All shirts must be appropriate and students will be required to wear school uniform bottoms, shoes, etc. Please contact the school office if you have any questions.

Unity Day Wednesday, October 19

In support of the national campaign to promote anti-bullying, Bolden students are encouraged to wear an orange-colored shirt on October 19, Unity Day. All shirts must be appropriate and students will be required to wear school uniform bottoms, shoes, etc. Please contact the school office if you have any questions.

Morning chorus for elementary students (3rd-5th) is Tuesday mornings from 7:00 am-7:45 am.

Morning chorus for middle school (6th-8th) is Thursday mornings from 7:00 am-7:45 am.

If your child is interested in joining the choir please contact Dr. U. at 843-846-6112.

BOLDEN OPEN HOUSE October 6, 2016

Middle School Sessions: 4:00-4:25 & 4:30-5:25

Elementary School Sessions 4:30-5:00 & 5:00-5:25

(please see attached flyer for more information)

*Parents and students are invited to stay after the sessions for dinner and a movie sponsored by our PTO!

Special Education Corner

The DoDEA Case Study Committee (CSC) refers to a multi-disciplinary team of special educators, regular educators, related services personnel, administrators and parents.

The CSC provides the oversight of the special education program and all activities directly related to a student with an IEP. All decisions made regarding a child in relation to special education must be a team decision made by the CSC. The student's special education teacher is the case manager on the CSC team. Bolden's CSC Chairperson is

Ms. J. who may be reached at
843-846-4933.

Our school has a Child and Youth Behavioral Military & Family Life Counselor.

Ms. Tiffany Holland is here at the school every day to work with military children and their families. She is available to assist with communication, self-esteem/self-confidence, resolving conflicts, behavioral management techniques, bullying, angry feelings, sibling/parental relationships and deployment and reintegration issues. If you would like to authorize you child to talk with Ms. Tiffany please fill out the parental permission slip located in the front office.

Coaches Wanted!! Basketball season starts in November and we'll be looking for qualified coaches for our 6th, 7th and 8th grade boys and girls basketball teams.

For additional information and application procedures, please contact our Athletic Director Mr. K. at 843-846-6112.

If your child is interested in trying out for basketball, they must have a current school year sports physical. Sports physical forms may be picked up from the school office.

Nurse News

With school in session we can expect an increase in the incidence of head lice. We encourage parents to check their children's hair weekly. The presence of head lice is not indicative of a child's cleanliness. Lice are typically spread through head to head contact with an infested person. Transmission may also occur by sharing brushes, combs, hats, coats, scarves, sports uniforms, towels, hair ribbons and other clothing which has recently been in contact with an infested person. This contact can be common among children at school, daycare, in homes, sports activities, playgrounds, camps, or sleep overs. Also, lying on upholstered furniture, couches, chairs, beds, carpet, pillows, stuffed animals, or bedding that has recently been in contact with an infested person is another way one may contract head lice. The most common sign of head lice is an itchy head, but the sure sign is seeing nits glued to the hair shaft or adult lice crawling on the head. If you discover your child has lice DON'T PANIC, DON'T BE EMBARRASSED you're not alone. Between 8 and 12 million American school children have lice each school year. If you find your child has lice and/or you have questions as to how to treat the child and the necessary household cleaning measures; please feel free to contact the school nurse.

L.J., RN 843-846-2972

PTO NEWS

Thank you Bolden for making our first book fair of the year a great success! We earned \$500 in Scholastic Dollars, and \$910 in cash that will be used for Bolden needs and PTO events.

SEVERE WEATHER DISMISSAL

When there is a lightening warning/storm, our school will implement a severe weather dismissal. During this dismissal, walkers and bike riders will not be permitted to leave unless they are being picked up or the lightening warning/storm is canceled. Please make sure that your children know who will be picking them up if you are unable to do so.

Attendance Report

Last week Bolden had **20** student tardies. While we appreciate your efforts in ensuring that your children report to school on time, we need to continue to strive for no tardies.

Tardies have a negative impact on teachers and other students. Teachers are often required to allow tardy students to make up work, which often requires them to restructure their lessons or reteach missed material. Tardiness also takes other students' attention away from a teacher's lesson, leading to more behavior problems and missed instruction.

Thank you to the Kiwanis Club of Beaufort for donating dictionaries to all of our 3rd grade students on September 22.

DISMISSAL REMINDERS

To ensure that all students get home safely, please note the following regarding student dismissals.

- No student will be signed out 30 minutes prior to dismissal (2:30). Exceptions will be made for appointments and emergencies only.
- Telephone calls will not be accepted regarding how students are dismissed as we cannot verify the identity of the caller. All dismissal changes must be written out and signed in order for them to be followed. Exceptions will be made for emergencies only.
- Students leaving early will not be called to the office until a parent reports to the school office to sign them out.

DATA CORNER

Bolden's students are the best of the best, but since the beginning of the school year, Bolden has handled 10 student conduct incidents. Most of the incidents involve disrespect to adults and to peers.

As we continue to focus on respect and making good choices, please reinforce respectful behavior with your children at all times.

SPOTLIGHT ON CSI NIGHT

Congratulations to our very own Bolden Girls Volleyball Team!!
They placed 3rd during the Tip-Off Tournament held at
St. Francis Catholic School September 7-9!

SEASONAL INFLUENZA VACCINE NOW REQUIRED TO ATTEND DODEA SCHOOLS

The annual seasonal influenza vaccine has been added to the list of required immunizations for students attending DoDEA schools, following guidance and recommendations provided by the Centers of Disease Control and Prevention's Advisory Committee on Immunization Practices and the Department of Defense Joint Military Medical Services regulation on immunizations.

The annual seasonal influenza vaccine is the best defense against influenza. The military community is a highly transient one, which increases the potential for exposure and the spread of infectious diseases such as influenza. Reducing the spread of preventable infections in schools and the military community, improves students' health, safety and attendance. Improved health and safety reduces absenteeism: a reduction in absenteeism improves student academic achievement.

The requirement goes into effect starting this school year (Fall 2016) and will be a required vaccine for all students every school year. The requirement is to be completed no later than December 1st each year. Students will not be dis-enrolled from schools if the vaccine is not available at the MTFs or the MTFs cannot administer the vaccine before December 1, 2016. DoDEA will work with the MTFs to ensure students can receive the vaccine when it becomes available and the MTFs can provide the service.

For your convenience: the Beaufort Naval Hospital will hold a FLU CLINIC at Bolden ES/MS on Thursday, October 20, 2016 from 12:00 until 18:00. Parents MUST be present for their child to receive the flu vaccine.

Parents may contact their local Military Treatment Facility immunization clinic or school nurse for more information.
