## DoDEA School Rules, Regulations and Procedures

This section of the handbook provides information that applies throughout DoDEA. It notifies parents/students and stakeholders of specific rules, regulations and procedures governing DoDEA schools. The authorities pertaining to these rules, regulations, and procedures are available on the DoDEA [Web site](#). The most current policies can be found at <https://www.dodea.edu/Offices/PolicyAndLegislation/Offices.cfm>.

### General Information

#### **Interstate Compact on Educational Opportunity for Military Children**

**Policy Reference:** [DoD Instruction 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017](#)

The Department of Defense (DoD), in collaboration with the National Center for Interstate Compacts and the Council of State Governments, has developed an interstate compact that addresses the educational transition issues of children of military families. Currently, all 50 states and the District of Columbia participate in this interstate compact, which provides a uniform policy platform for resolving the challenges experienced by military children.

It is estimated that the average military family moves three times more often than the average non-military family. These frequent moves can cause children to miss out on extracurricular activities and face challenges in meeting graduation requirements. In accordance with Enclosure 4 of DoD Instruction 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017, the Compact will ensure that the children of military families are afforded the same opportunities for educational success as other children and are not penalized or delayed in achieving their educational goals by inflexible administrative and bureaucratic practices. States participating in the Compact work to coordinate graduation requirements, transfer of records, course placement, and other administrative policies.

#### **Access to School Facilities**

**Policy Reference:** [DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012](#)

If the principal permits a school to operate a limited open forum by maintaining a practice of allowing any single non-curriculum related student group access to school facilities, the principal shall ensure that all non-curriculum related student groups (including activities of religious nature) are permitted equal access to meet on school premises and use school facilities during non-instructional time. Access to groups may be denied if the principal determines that a student or student group has or is likely to substantially interfere with good order or discipline or violate any federal, state, or local law, or DOD or DoDEA regulation or policy.

## **Visitors and Volunteers**

**For safety reasons, all visitors and volunteers must report to the school front office immediately upon entering the school.** A visitor/volunteer is someone who is not a school employee or student and enters the school during operating hours. The school administration has the final determination on visitors/volunteers authorized to be at the school. When visiting, volunteers/visitors may go only to the approved area indicated as their destination when signing in at the front office. All visitors will receive an appropriate visitor's badge, which is to be displayed conspicuously at all times while on school grounds. Any change to the designated location must be approved by the school's front office before visiting a different location within the school. Upon finishing their visit, visitors must check out at the front office, return the visitor's badge, and exit the school. Parents are welcome to visit the school and classrooms to observe the school's programs for brief periods of time that do not interfere with instruction.

## **School Advisory Committees (DoDEA-Europe & DoDEA-Pacific) and School Boards (DoDEA-Americas)**

**Policy Reference:** [DoD Instruction 1342.15, "Educational Advisory Committees and Councils," December 7, 2012](#)

**Policy Reference:** [DoD Instruction 1342.25, "School Boards for Department of Defense Domestic Dependent Elementary and Secondary Schools \(DDESS\)," October 30, 1996](#)

DoDEA school administrators, in partnership with sponsors/family members, students and military leaders, promote communication through the establishment of advisory committees to address issues (school initiatives, procedures and policies) at the local level. This is one way for parents to get involved in their child's education. Consult your child's school to learn more about school advisory committees (DoDEA-Europe and DoDEA-Pacific) or school boards (DoDEA-Americas).

## **Enrollment**

### **Student Registration Process**

**Policy Reference:** [DoDEA Regulation 1342.13, "Eligibility Requirements for Education of Elementary and Secondary School-Age Dependents in Overseas Areas," September 20, 2006, as amended](#)

**Policy Reference:** [DoD Instruction 1342.26, "Eligibility Requirements for Minor Dependents to Attend Department of Defense Domestic Dependent Elementary and Secondary Schools \(DDESS\)," March 4, 1997](#)

**Proof of Eligibility:** The sponsor does not need to be present at registration, as long as the parent or other adult registering the child has all the necessary paperwork in accordance with DoDEA

Regulation 1342.13, “Eligibility Requirements for Education of Elementary and Secondary School-Age Dependents in Overseas Areas,” September 20, 2006, as amended, and DoD Instruction 1342.26, “Eligibility Requirements for Minor Dependents to Attend Department of Defense Domestic Dependent Elementary and Secondary Schools (DDESS),” March 4, 1997.

The following documents are necessary to complete the registration process:

- Proof of age
- Medical records, including information on medical conditions, medications, and all dates and types of immunizations
- Official documents to support eligibility (e.g., letter of employment, contract, PCS orders, etc.)
- Students enrolling in DoD domestic schools will also be asked to show proof of on-base residence

Contact the registrar at your child’s school for more information on enrollment or to update your child’s information.

### **Student Immunization Requirements**

**Policy Reference:** [DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016](#)

**Policy Reference:** [Army Regulation 40-562, BUMEDINST 6230.15B, AFI 48-110 IP, CG COMDTINST M6230.4G, “Immunizations and Chemoprophylaxis for the Prevention of Infectious Diseases”, 7 October 2013](#)

Students who enroll in DoDEA schools are required to meet specific immunization requirements (DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016). These requirements represent the minimum and do not necessarily reflect the optimal immunization status for a student. Acceptable forms of official proof of immunization status may include, but are not limited to:

- Yellow international immunization records;
- State agency-generated immunization certificates;
- School-generated immunization certificates; and
- Physician, clinic, or hospital-generated immunization records.

It is the responsibility of the sponsor/parent/guardian to provide their child’s most current immunization record at the time of enrollment and when immunizations are updated. Parents of incoming students are allowed up to 30 days from the date of enrollment to obtain documentation of any missing required immunization(s). If the missing required immunization is a series, then the first dose of the series must be administered, and documentation must be provided to the school within the 30 days. Students who have immunization(s) due during the school year will have 10 calendar days from the due date to receive their vaccine(s) and to

submit documentation to the school. The due date of a vaccine is on the date the student reaches the minimum recommended age for vaccine administration.

**STUDENTS IN NON-COMPLIANCE AFTER 10 DAYS MAY BE DISENROLLED, UNTIL PROOF OF COMPLIANCE OR APPROVED EXEMPTION IS PROVIDED.**

**Immunization Exemptions**

**Policy Reference:** [Army Regulation 40-562, BUMEDINST 6230.15B, AFI 48-110 IP, CG COMDTINST M6230.4G, “Immunizations and Chemoprophylaxis for the Prevention of Infectious Diseases”, 7 October 2013.](#)

A waiver for immunization exemption may be granted for medical or religious reasons. Philosophical exemptions are not permitted. The DoD Component must provide guidance on the waiver process.

A statement from the child’s health care provider is required if an immunization cannot be administered because of a chronic medical condition wherein the vaccine is permanently contraindicated or because of natural immunity. The statement must document the reason why the child is exempt. This request for immunization exemption from specific vaccines due to vaccine contraindications or natural immunity must be completed and submitted to the school at the beginning of the child’s enrollment or when a vaccine is due. Request for exemption only needs to be completed one time for the duration of the child’s enrollment at the school.

If an immunization is not administered because of a parent’s religious beliefs, the parent must submit an exemption request in writing, stating that he or she objects to the vaccination based upon religious beliefs. The request must be completed and submitted to the school at the beginning of every school year. For students arriving after the school year has started, this request/written statement must be submitted at the initial enrollment and at the beginning of every school year.

During a documented outbreak of a vaccine-preventable disease (as determined by local DoD medical authorities), the child who is attending a DoDEA school program under an immunization waiver for that vaccine will be excluded from attending. This is for his or her protection and the safety of the other children and staff. The exclusion will remain in place until such time that the DoD Command determines that the outbreak is over and that it is safe for the child to return to school.

DoDEA immunization requirements can be found at:

## **Student Grade-Level Placement**

**Policy Reference:** [DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010](#)

**Policy Reference:** [DoDI 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017](#)

Kindergarten and grade 1 placements are determined by minimum age requirements, in accordance with Enclosure 2 of DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010. An otherwise DoDEA-eligible student who will reach his or her fifth birthday on or before September 1 of the school year is eligible to be enrolled in kindergarten. In addition, an otherwise DoDEA-eligible student who will reach his or her sixth birthday on or before September 1 of the school year is eligible to enroll in grade 1. Placement in grades 2–8 is predicated upon completion of the preceding year. Students entering a DoDEA school (through grade 8) from a non-American or host nation school will be placed in the grade level corresponding to their ages, assuming yearly progression from grades 1–8.

Grade-level status (grades 9, 10, 11, and 12) will be determined by the number of course credit units earned by the student, in accordance with Section 2 of DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010. Students entering grade 9 must have successfully completed grade 8 and/or been previously enrolled in grade 9 and earned less than 6 credits. Students entering grade 10 must have successfully completed grade 9 and earned a minimum of 6 course credits. Students entering grade 11 must have successfully completed grade 10 and earned a minimum of 12 course credits. Students entering grade 12 must have successfully completed grade 11 and earned a minimum of 19 course credits.

In accordance with DoDI 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2019, for students transitioning from a sending state LEA to a DoDEA school, at the time of transition and regardless of the age of the student, the DoDEA school shall enroll the transitioning student in the same grade level as the student’s grade level (i.e. in kindergarten through grade 12) in the sending state’s LEA. For kindergarten, the student must have been enrolled and attended kindergarten class in order to assure continued attendance in kindergarten in DoDEA. Students who have satisfactorily completed the prerequisite grade level in the sending state’s LEA will be eligible for enrollment in the next higher grade level in the DoDEA school, regardless of the student’s age.

All DoDEA students, including students with disabilities, English language learners (ELLs), and students with accommodation plans, should be afforded the opportunity to participate in the standard DoDEA secondary curriculum, as appropriate, based upon their individual circumstances.

## **Transcripts/Records Policy/Access to Student Records**

Student records and transcripts may be requested from several different sources, depending upon the student's last date of attendance or graduation date. Please visit the DoDEA Student Records Center located at <https://www.dodea.edu/students/transcripts.cfm> for further instruction based on your situation or discuss with the counseling department at your child's school.

## **English for Speakers of Other Languages (ESOL)/Language Services**

**Policy Reference:** [DoDEA Regulation 2440.1, "English as a Second Language Programs," March 16, 2007](#)

An English Language Learner (ELL) is a student identified as one who is in the process of acquiring English as an additional language. In accordance with the policy stated in the DoDEA Regulation 2440.1, "English as a Second Language Programs," March 16, 2007, DoDEA's ESOL Program is an English language acquisition program focused on teaching language and content that is designed to teach ELLs social and academic skills, including cultural aspects, in order for the ELLs to succeed in an academic environment. The ESOL Program involves teaching listening, speaking, reading, writing, study skills, subject area content, and cultural orientation at appropriate developmental and English language proficiency levels, with little or no use of the native language. ESOL instruction is conducted in English and can be provided in a variety of settings and program configurations. The amount of instruction given will be differentiated according to the student's age, grade level, academic needs and English language proficiency. ELLs may receive instruction both through the ESOL Program and in the main classroom setting.

## **Accelerated Withdrawal**

**Policy Reference:** [DoDEA Administrative Instruction 2000.1, "High School Graduation Requirements and Policy," September 5, 2014](#)

The principal may authorize an accelerated withdrawal of a student who must withdraw from school 20 or less instructional days prior to the end of a semester in accordance with Enclosure 3, Section 9, of DoDEA Administrative Instruction 2000.1, "High School Graduation Requirements and Policy," September 5, 2014. Accelerated withdrawal will only be considered if the parent/sponsor presents permanent change of station (PCS) orders. The parent or sponsor must present verification of the date required for the student to depart from the school (e.g., PCS orders). All of the conditions of an accelerated study program outlined by the student's teachers must be met prior to withdrawal in order for grades to be assigned and credit to be granted. Students who withdraw prior to the 20-day limitation of the accelerated withdrawal policy will receive "withdrawal" grades rather than final grades.

DoDEA will accept the official courses, grades, and earned credits of middle school (grades 7–8) and high school (grades 9–12) students who transfer to a DoDEA school from other DoDEA schools or who earn course credits in a non-DoD system (public or private), correspondence,

online, and/or home-school program accredited by one of the six U.S. regional accrediting associations, one of the U.S. state education agencies, or by a public- or state-supported system of accreditation for public or private education programs in a foreign nation, in accordance with Enclosure 3, Section 10, of DoDEA Administrative Instruction 2000.1, “High School Graduation Requirements and Policy,” September 5, 2014. Please contact your child’s school for questions regarding course credit transfer process and approval.

### **Home-school Students**

**Policy Reference:** [DoDEA Administrative Instruction 1375.01, “Home-School Students,” October 15, 2018](#)

DoDEA recognizes that home schooling is a sponsor’s right and may be a legitimate alternative form of education for the sponsor’s dependent(s). Home-school students who are eligible to enroll in a DoDEA-Europe, DoDEA-Pacific, and DoDEA-Americas school are eligible to utilize DoDEA auxiliary services without being required to either enroll in or register for a minimum number of courses offered by the school. Eligible DoD home-school students using or receiving auxiliary services must meet the same eligibility and standards of conduct requirements applicable to students enrolled in the DoDEA school who use or receive the same auxiliary services. Any student, including eligible DoD dependent home-school students, who has not met the graduation requirements to earn a DoDEA diploma may not receive DoDEA commencement regalia, the DoDEA diploma, nor participate (walk) in a DoDEA commencement ceremony.

## **Report Card and Grading Information**

### **Grading and Grading System**

**Policy Reference:** [DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018](#)

At the beginning of each course or grade level, every DoDEA teacher shall make available information regarding grading policy and course requirements to parents and students. This information will be provided to parents and students by the end of the first month of the school year or by the end of the first month of the semester in the case of a semester course.

If any student demonstrates unsatisfactory progress or achievement, teachers must notify parents with enough time to correct the deficiency. Notification must occur as soon as unsatisfactory achievement is evident, and not later than the midpoint of the nine-week grading period.

Timely and accurate reporting of student progress shall be accomplished for students in grades 4–12, using the approved DoDEA Electronic Gradebook (EGB) System. All assignments (e.g., quizzes, tests, examinations, homework, speeches, etc.) that are used to assess and report student progress shall be promptly evaluated and/or graded, posted in the EGB, and returned to the student. The normal period of evaluation and posting should be no longer than ten calendar days from the day the assignment is collected, with reasonable exceptions for large projects. At a minimum, one assignment or grade should be recorded per week in the EGB System. To create

an account and access the EGB System, please visit the [DoDEA Web site \(https://dodea.gradespeed.net/gs/Default.aspx\)](https://dodea.gradespeed.net/gs/Default.aspx) for instructions.

A traditional letter grading system will be used for grades 4–12 report marks.

Grade	Numerical Range	Description
A	90 – 100	Excellent: Outstanding level of performance
B	80 – 89	Good: High level of performance
C	70 – 79	Average: Acceptable level of performance
D	60 – 69	Poor: Minimal level of performance
F (failing)	0 – 59	Failing (No credit awarded)

For purposes of calculating a student’s high school GPA, the following scales shall be used:

Unweighted Standard Scale	Weighted Advanced Placement (with AP exam)
4.0	5.0
3.0	4.0
2.0	3.0
1.0	2.0
0	0

For grades K–3, achievement codes rather than letter grades will be used.

Location	Code	Description
Americas Region	E	Exceeds grade-level expectations: Student exhibits the skills/behaviors independently without teacher support. Students at this level are exceeding the grade-level standards.
	M	Meets grade-level expectations: Student exhibits the skills/behaviors independently with minimal teacher support.
	S	Steady progress towards grade-level expectations: Student exhibits the skills/behaviors with teacher guidance and support.
	L	Limited progress towards grade-level expectations: Student exhibits the skills/behaviors in isolated or rare instances, or with a great deal of support. The performance is inconsistent and below the normal range of

		expectancy for a student at this grade level.
Europe and Pacific Regions	CD	Consistently Displayed: Student exhibits the skills/behaviors independently with minimal teacher support.
	P	Developing/Progressing: Student exhibits the skills/behaviors with teacher guidance and support.
	N	Not Yet Evident: Student exhibits the skills/behaviors in isolated or rare instances, or with a great deal of support. The performance is inconsistent and below the normal range of expectancy for a student at this grade level.
	X	Not addressed: The knowledge, skills, and practices embodied in the grade-level standards were neither taught nor evaluated this marking period.

### **Progress Reports/Report Cards**

**Policy Reference:** [DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018](#)

In accordance with the policies and procedures in DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018, it is DoDEA policy to issue a progress report every 9 weeks for any student present or enrolled for at least 20 instructional days or more in a marking period. Any written comments by teachers on progress reports should be stated objectively. The comments should be based on evidence about the student and should not represent opinions that cannot be supported by evidence.

Achievement codes will be given at the end of the second, third, and fourth marking period for students in grades K-1. Grades will be given at the end of each of the four marking periods for students in grades 2-12. Achievement codes or grades on report cards will be determined by the degree to which students are achieving established program objectives or standards. For students in grades K-12, unsatisfactory achievement of program objectives or standards will be reported to parents during each marking period as soon as evident, but no later than the midpoint of the nine-week grading period to allow sufficient time for a student to correct the problem.

### **Parent-Teacher Conferences**

All DoDEA schools should encourage parents to meet with their child’s teacher for parent-teacher conferences. Parent-teacher conferences allow parents the opportunity to ask questions about their child’s classes or progress in school. Parent-teacher conferences are also a great way to discuss how parents and teachers can work together to help students perform at their best in school. If you are going to a meeting that was scheduled by the teacher or school, ask

beforehand how much time you will have. If you will need more time or want to meet with the teacher again, let the teacher know at the end of the meeting. Please consult your child's school for details regarding scheduling. DoDEA encourages all communication to take place through official school email accounts.

## Attendance

### Student Attendance

**Policy Reference:** [DoDEA Regulation 2095.01, "School Attendance," August 26, 2011, as amended](#)

In accordance with the policy stated in DoDEA Regulation 2095.01, "School Attendance," August 26, 2011, as amended, school attendance is mandatory. All students are required to attend school for 180 instructional days per school year to ensure continuity of instruction and that they successfully meet academic standards and demonstrate continuous educational progress. School attendance is a joint responsibility between the parent or sponsor, student, classroom teacher, school personnel and, in some cases, the Command. Students with excessive school absences (or tardiness) shall be monitored by the Student Support Team to assist in the completion of all required work and successful mastery of course objectives.

Daily student attendance is identified based upon a quarter of the school day formula. Students will be identified as present or absent, based on the following criteria:

1. Absent up to 25% of the school day = absent one-quarter of the school day
2. Absent between 26%–50% of the school day = absent one-half of the school day
3. Absent 51%–75% of the school day = absent three-quarters of the school day
4. Absent 76%–100% of the school day = absent full day

DoDEA considers the following conditions to constitute reasonable cause for absence from school for reasons other than school-related activities:

1. Personal illness
2. Medical, dental, or mental health appointment
3. Serious illness in the student's immediate family
4. A death in the student's immediate family or of a relative
5. Religious holiday
6. Emergency conditions such as fire, flood, or storm
7. Unique family circumstances warranting absence and coordinated with school administration
8. College visits that cannot be scheduled on non-school days
9. Pandemic event

Unexcused absences may result in school disciplinary actions. An absence from school or a class without written verification from a parent or sponsor will be unexcused. Student attendance is calculated based upon the date of enrollment in a DoDEA school, which may occur anytime during the school year. Student attendance monitoring is designed to provide a

continuum of intervention and services to support families and children in keeping children in school and combating truancy and educational neglect. Parents should notify the school of their child's absence by at least 30 minutes after the start of the school day for which the student is absent. Too many unexcused absences may trigger the Student Support Team to convene.

## Assessments

### System-wide Assessment Program

**Policy Reference:** [DoDEA Regulation 1301.01, "Comprehensive Assessment System," October 4, 2018](#)

All DoDEA students in grades or programs identified for system-wide assessments shall be included in the DoDEA Comprehensive Assessment System in accordance with DoDEA Regulation 1301.01, "Comprehensive Assessment System," October 4, 2018. Students who have been identified as having disabilities or are ELLs shall participate using either the standard DoDEA assessments, with or without reasonable and appropriate accommodations, or through the use of the appropriate DoDEA alternate assessment, as per their Individual Education Plan (IEP), 504 Accommodation Plan, or English Learner Plan.

All assessments selected for use within DoDEA shall:

1. Align to clearly defined standards and objectives within the content domain being tested,
2. Valid and reliable and controlled for bias, and
3. Be one of several criteria used for making major decisions about student performance/achievement.

The results of each assessment shall be used as one component of the DoDEA Assessment System for major decisions concerning the student's future learning activities within the classroom setting.

## Special Education

### Special Education Services

**Policy Reference:** [Department of Defense Instruction 1342.12, "Provision of Early Intervention and Special Education Services to Eligible DoD Dependents," June 17, 2015](#)

**Policy Reference:** [Department of Defense Manual 1342.12, "Implementation of Early Intervention and Special Education Services to Eligible DoD Dependents," June 17, 2015](#)

Special education is specially designed instruction, support, and services provided to students with an identified disability requiring an individually designed instructional program to meet their unique learning needs. The purpose of special education is to enable students to successfully develop to their fullest potential by providing a free appropriate public education in compliance with the Individuals with Disabilities Education Act (IDEA) as implemented by DoD

Manual 1342.12, "Implementation of Early Intervention and Special Education Services to Eligible DoD Dependents" (DoDM 1342.12).

In DoDEA, special education and related services are available to eligible students, ages 3 through 21 years of age. To be eligible for special education:

- The child must have an identified disability;
- The disability must adversely (negatively) affect the child's educational performance; and
- The child must require a specially designed instructional program.

If found eligible for special education and related services, DoDEA students are provided a free and appropriate public education (FAPE) in accordance with an individualized educational program (IEP), with services delivered in the least restrictive environment and with procedural safeguards in accordance with the requirements of DoDM 1342.12.

Please contact your child's school to discuss your concerns if you suspect your child may have a disability and be in need of special education services. The Case Study Committee (CSC) chairperson will provide you with specific details relating to the evaluation process and can explain eligibility requirements further.

### **Disability Accommodations and Nondiscrimination**

**Policy Reference:** [DoDEA Administrative Instruction 2500.14, "Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities," April 29, 2009, as amended](#)

**Policy Reference:** [DoDEA Administrative Instruction 1443.01, Volume 1, Executive Order 13160 Administration: Compliance Requirements and Appeals, February 22, 2019](#)

Apart from special education, a student with a disability, or who has a record of a disability, or is regarded as having a disability, shall not be excluded from participating in, or be denied the benefits of, any DoDEA education program or activity or be subjected to discrimination based solely on a disability. In accordance DoDEA Administrative Instruction 2500.14, "Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities," April 29, 2009, as amended, students with disabilities shall be provided a free and appropriate education and shall participate with students without disabilities to the maximum extent appropriate to ensure equal access to educational opportunities. This means that a student with a disability that does not require specialized instruction may be eligible for accommodations to ensure participation in school programs and activities. Please contact your child's school for specific details.

## **Reporting Abuse, Neglect, Suicide Risk and Threats**

### **Child Abuse and Neglect**

**Policy Reference:** [DoDEA Administrative Instruction 1356.01, “Family Advocacy Program Process for Reporting Incidents of Suspected Child Abuse and Neglect,” November 5, 2018](#)

In accordance with the policy in DoDEA Administrative Instruction 1356.01, “Family Advocacy Program Process for Reporting Incidents of Suspected Child Abuse and Neglect,” November 5, 2018, all DoDEA personnel will participate in the identification and reporting of incidents of child abuse and neglect. School personnel shall report all suspected or alleged child abuse to the local FAP office, child welfare service agency (if available), and their immediate supervisor within 24 hours. All employees shall cooperate with the FAP process. The DoD FAP provides for the identification, treatment, and prevention of child abuse and neglect.

### **Suicide Risk and Threats Towards Others**

In order to prevent violence, suicide, and other harmful acts among children and adults in schools, the need for reliable ways to identify persons who may require assistance is a critical step. All DoDEA employees must notify the DoDEA school administrator when a DoDEA student has made any statement or engaged in actions that may indicate threat of harm towards self or others.

### **Suicide Risk**

Any indication of student suicidality must be immediately reported to the DoDEA school administrator. The DoDEA student who exhibits suicidal ideation or behavior, or who makes a statement or engages in actions that may indicate self-harm or suicidal thoughts, shall be immediately assessed to obtain specific information to determine the risk level. The results of that assessment are communicated to the DoDEA school administrator and documented. Regardless of the level of risk reported, in all cases, a DoDEA administrator or designated member of the Case Management Team must directly notify parents or legal guardians of the concern. For any additional assistance in this process, please contact the District school psychologist ISS.

If a parent or legal guardian disagrees with school recommendations for evaluation of a student’s dangerousness to self, or refuses to take parental or legal guardian responsibility for the safety of their child, the DoDEA School Administrator must inform the parent or legal guardian that DoDEA policy requires that school personnel protect the safety and health of the students. Parent or legal guardian refusal to address identified medical needs may necessitate a report to the local Family Advocacy Clinic and local Child Protective Services if neglect is suspected as outlined in DoDEA Administrative Instruction 1356.01, which is available at <https://www.dodea.edu/Offices/PolicyAndLegislation/Administrative-Instructions.cfm>.

### **Threats Towards Others**

When a DoDEA student makes an explicit or implicit threat, or if the student’s behavior indicates that a threat is serious and reasonably likely to be acted upon, the DoDEA school administrator shall take action based on the level of the threat. Certain types of serious threats require immediate notification to local law enforcement entities without regard to the level of threat yielded. The DoDEA school administrator shall immediately report the following to the local law enforcement entity:

1. A threat that involves stalking of any person on a school bus, on school property, or at a school-sponsored activity.
2. Threats to bomb, burn, kill, or harm school personnel.
3. Threats of death or bodily injury to a person or members of his or her family or threats to commit serious bodily harm to persons on school property.

The DoDEA school administrator shall also immediately report any act that may constitute a criminal offense to the parents or legal guardians of minor students involved in the act and shall report that the incident has been reported to local law enforcement, as required by Federal, state, or local law. The DoDEA school administrator may report other threats to the local law enforcement entity, as necessary and appropriate. The DoDEA school administrator shall inform the parents or legal guardians that they may contact local law enforcement for further information, as necessary and appropriate.

## **System Programs and Services**

### **School Counseling Services**

**Policy Reference:** [DoDEA Regulation 2946.1, “School Counseling Services,” July 13, 2009](#)

**Policy Reference:** [DoDEA Manual 2946.2, “Department of Defense Education Activity School Counseling Services,” January 1, 2006](#)

DoDEA school counselors provide comprehensive counseling programs to all students in grades K–12 in accordance with DoDEA Regulation 2946.1, “School Counseling Services,” July 13, 2009, and DoDEA Manual 2946.2, “Department of Defense Education Activity School Counseling Services,” January 1, 2006. Counseling programs are designed to foster a foundation for lifelong learning by removing barriers to students’ academic success. Early identification and intervention of students’ academic and social/emotional needs is essential in removing barriers to learning and promoting academic growth. School counselors provide direct and indirect student services and curricular activities to increase the knowledge, skills, and attitudes required for students to achieve their potential academically, socially, emotionally and physically for life, college and career readiness.

Elementary school counseling programs are crucial in supporting students attitudes and personal views toward schools, self, peers, and social groups. In elementary grades, the school counseling programs support and provide education on prevention and intervention services, promoting positive academic skills, career awareness, and social-emotional development — skills students need to be competent and confident learners. Secondary school counseling programs are designed to meet the rapidly changing needs of students in grades 6–12, while preparing them for

high school and beyond. College and career exploration and planning are emphasized at the secondary level. As middle school students learn to manage more independence and responsibilities, school counseling programs are designed to connect learning to practical application in life and work, support personal/ social skills, and foster effective learning/study skills. High school counseling programs are designed to foster student preparation and readiness for successful college and career pathways after high school. All secondary students create and manage a four- to six-year plan with their counselor. The four- to six-year plan is managed in Choices360 and is designed to teach students how to create and attain their graduation, college, and career goals while taking into account their interests, aptitudes, and graduation requirements.

Please contact your school counselor for additional information regarding the school counseling program.

### **School Psychology Services**

**Policy Reference:** [DoDEA Regulation 2946.03, “School Psychological Services,” May 21, 2010](#)

They are experts in student mental health, learning and behavior, and partner with various stakeholders throughout the school and community to support students’ academic and emotional needs. School psychology programs are designed to foster safe, healthy and supportive learning environments that strengthen connections between the school, home and community. School psychologists aim to improve academic achievement, support diverse learners, promote positive behaviors and safe school climates, and strengthen school-family partnerships. Core functions of school psychologists include mental health interventions, behavior management, crisis intervention and response, assessment, and consultation and collaboration.

Please contact your school psychologist for additional information regarding the DoDEA School Psychology Program.

### **School Health Services**

**Policy Reference:** [DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016](#)

DoDEA School Health Services aim to optimize learning by fostering student wellness. The school nurse serves as the health service expert, providing health care to students/staff and implementing interventions that addresses both actual and potential health and safety conditions. The school nurse collaborates with the school administrator to promote the health and academic success of students and serves as the liaison between, the school, community, and health care systems. This collaborative effort creates opportunities to build capacity for self-care, resilience, and learning.

The school nurse's responsibilities include:

- Providing leadership in promoting personal and environmental health and safety by managing communicable diseases, monitoring immunizations, providing consultation and health-related education to students and staff to promote school health and academic success;
- Providing quality health care and intervening with actual and potential health problems through health screenings, health assessments and nursing interventions, and the development of healthcare and emergency care plans to enable students to safely and fully participate in school;
- Providing case management services to direct care for students with chronic health conditions, to ensure their safety, and to increase their access to the educational program; and
- Collaborating with school and community-based resources to reduce health-related barriers to student learning, improve access to healthcare, and develop school-community partnerships to support academic achievement and student success.

### **Student Illness**

Do not send your child to school if he or she is ill. Staying home to get the proper rest, nutrition, and parental care is for your child's benefit as well as for the benefit of the other children in the school who may be unnecessarily exposed to a contagious illness. The following are examples of when a student should remain home:

- A temperature greater than or equal to 100 degrees Fahrenheit. The student must be fever-free without the use of fever-reducing medication for 24 hours (a complete school day) before returning to school.
- Actively vomiting or has diarrhea.
- An illness which presents with contagious symptoms.
- Other symptoms interfering with learning or participation such as abdominal pain; ear ache; itchy, painful eyes; light-sensitivity; or profuse exudate from the eyes necessitating frequent wiping.
- Severe uncontrolled coughing or wheezing, rapid or difficult breathing, coughing lasting longer than five to seven days.
- Episodes of vomiting in the past 24 hours. A student must remain home until vomiting resolves (no further vomiting for 24 hours).
- Frequent loose or watery stools compared to the student's normal pattern; not caused by diet or medication. A student must remain home if a) he/she looks or acts ill; b) he/she has diarrhea with temperature elevation of 100°F or greater; and c) he/she has diarrhea and vomiting.
- Blister-like lesions (impetigo, including streptococci, staphylococcus, and methicillin-resistant staphylococcus aureus infections) that develop into pustules with weeping and crusting. A student must be medically evaluated, remain home for at least 24 hours after initiation of medical treatment, and remain home until determined not infectious by a medical provider. Lesions must be covered for school attendance.

- Ringworm lesions must be covered for school attendance.
- Thick discharge from eye, necessitating frequent wiping and may be accompanied by pain, redness to the white part of the eye, and light sensitivity. Student must remain at home until symptoms clear or completion of 24 hours of medical provider-prescribed ophthalmic treatment.
- Measles, mumps, rubella, (German measles), chicken pox, pertussis (whooping cough), and influenza. A student must remain home until determined not infectious by medical care provider.

If your child becomes ill during the school day, the school nurse will contact you to pick up your child. To return to school, your child must be without symptoms for 24 hours and fever-free without fever-reducing medications for at least 24 hours.

### **Parent Notification**

As a general rule, the parent or sponsor will be notified by the school administrator or school nurse if your child has:

- Any illness or injury that causes concern or inability to participate in school activities
- Eye, ear, or teeth injuries
- Head injury
- Second- or third-degree burns
- Severe pain
- Sprains or possible fractures
- Temperature higher than 100°
- Vomiting or diarrhea
- Wounds that may require stitches

Please inform the school nurse of any medical condition and health concerns your child may have to better serve and protect your child’s welfare in accordance with DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003.

Food allergies including peanut/nut allergies are a significant health concern within the school environment. Allergic reactions can range from mild symptoms to life threatening reactions. Ensuring a safe environment for all students and visitors is a primary focus for the administration

and staff. In an attempt to raise awareness and limit an unnecessary exposure during school hours, we are implementing the following steps to address food allergies. These include:

- Notifying the school nurse of ANY allergy to food, drug, insects, etc., that your child may have;
- Providing the school nurse with medication/doctor's orders/emergency care plan/parent permission form;
- Teaching children at home about their food allergies and the importance of not sharing any food with others in school or elsewhere; and
- Notifying the classroom teacher about your child's allergens and checking with the classroom teacher prior to bringing in any food for classroom celebrations.

### **Medication at School**

When medications must be administered during the school day, the medication must be delivered to the school nurse in the original container, properly labeled by the pharmacy or primary care manager/provider, stating the name of the student, the medication, dosage, route, time of administration, and current date of issue. Contact the school nurse for the required Medication Consent Form. This form must be filled out and signed by the prescribing medical provider and signed by the sponsor/parent/guardian. The sponsor/parent/guardian needs to bring the signed form and the medication to the school nurse. If the school nurse is not present, the signed form and medication must be presented to the school principal, acting principal, or health aide for safekeeping. It is acceptable for parents to bring in self-purchased over-the-counter medication to be kept in the health office for their child's use at school, but they must be accompanied by a physician's prescription and signed parental consent form.

In some rare situations, students are allowed to keep their rescue or emergency medicine with them while in school or at school-related activities. The student's prescribing primary care manager must provide a written statement that the student must be in control of his or her medication due to a life-threatening medical condition. The parent must provide written consent for the medication to stay with the student. See the school nurse to obtain appropriate form for medications to be administered during school hours or for a student to self-carry emergency medication.

**Students may not share medications (including non-prescription medications) at school or at school-sponsored events.**

### **First Aid and Emergency Care**

**Policy Reference:** [DoDEA Regulation 2720.1, "First Aid and Emergency Care," September 8, 2003](#)

School personnel will administer first aid as efficiently as possible to the dependent student when needed to treat minor injury or illness in accordance with the DoDEA Regulation 2720.1, "First Aid and Emergency Care," September 8, 2003. In accordance with Section 6 of DoDEA Regulation 2720.1, should a student sustain a more serious illness or injury, the school nurse will

make a judgment call based on nursing assessment to determine if the student needs emergency medical care requiring a response by an emergency medical team (EMT) and possible transportation for treatment at a health care facility. If a student needs emergency medical care requiring an ambulance, the school will make reasonable efforts to contact the sponsor/parent/guardian or emergency contact. In the absence of a parent, a school administrator or designee may accompany the student to the medical treatment facility.

The EMT, health care facility, or attending health care provider(s) may be non-U.S. or non-military facilities or providers, especially if the dependent student is located overseas. Treatment decisions will be made exclusively by the health care provider(s) if the nature of the dependent student's injury or illness requires immediate health care, in accordance with their standard operating procedures regarding the delivery of emergency care for the dependent student.

**It is very important for the school to have a current address, home phone number, mobile phone numbers, duty phone number, and the phone number of another adult to act as emergency contact in case parents cannot be contacted.**

Contact your school nurse for additional information regarding the DoDEA School Health Services Program.

## **Student Rights and Responsibilities**

Any suspicion or evidence of forging, cheating, or plagiarizing the work of others will be investigated. Any student who is in violation will receive no credit. There will be an appropriate consequence for the particular assignment, and a letter will be sent home to be signed by the parents and returned to the teacher. A copy of the letter will be filed in the student’s discipline folder for the period of the school year.

## **Freedom of Religious Expression**

**Policy Reference:** [DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012](#)

According to Enclosure 3 of DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012, students may observe religious practice in school, such as celebration of religious holidays, engaging in private prayer, saying grace before meals, and wearing yarmulkes and head scarves, so long as the practice does not violate student standards or cause substantial disruption. Students may engage in independent religious discussion to the

same degree that they may engage in other types of permissible speech. The freedom to engage in religious expression in school does not include the right to compel other students to participate in religious practices or discussion.

### **Interscholastic Athletics**

**Policy Reference:** [DoDEA Administrative Instruction 1443.01, Volume 1, “Executive Order 13160 Administration: Compliance Requirements and Appeals,” February 22, 2019](#)

### **Search and Seizure**

**Policy Reference:** [DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012](#)

General, non-individualized searches of school property (e.g., desks, lockers, storage spaces, school computers, including data and internet access records), may be conducted by the principal on a periodic or random basis. The school affords students and parents adequate prior notice of its general search policy through the issuance referenced above and this Handbook. The search shall be conducted by the principal in the presence of another school employee who will serve as a witness. General searches of school spaces and property may be conducted in cooperation with the appropriate installation authorities or military police, including dogs trained to detect the presence of contraband. Evidence found during a general search, or a dog sniff, that alerts

authorities to potential contraband, may provide reasonable suspicion sufficient to conduct an individualized search.

Individualized, reasonable suspicion or targeted searches may be conducted by a principal of a student's personal belongings, including bags and the interior of student vehicles on school property; and in a student's desk, locker, storage space, school computer, or other property of the school when there is reasonable suspicion to believe the student possesses a prohibited item. Targeted searches may be conducted whenever the student is involved in a school-sponsored or school-supervised activity or event so long as there is reasonable suspicion to conduct the search.

A targeted search of a student's person shall only be conducted under exigent circumstances. When possible, a targeted search of the student's person shall be conducted in a private room, or non-public area, and by a school official of the same sex as the student. Reasonable efforts to locate the student and to notify the parent shall be made prior to a targeted search, or as soon as is practicable under the circumstances.

In accordance with the policy stated in DoDEA Regulation 2051.1, "Disciplinary Rules and Procedures," March 23, 2012, as amended, discipline shall be progressively and fairly administered. Disciplinary actions include, but are not limited to, verbal reprimands, conferences, detention, time-out, alternative in-school placements, school service programs, community service and counseling programs. Other behavior management techniques will be considered prior to resorting to more formal disciplinary actions that remove a student from

school for a suspension (short or long term). Long-term suspension or expulsion following a first offense may be considered when a student poses an immediate threat to his or her safety or the safety of others (e.g., offenses involving firearms or other weapons, fighting or violence, or the possession, use, or sale of drugs). Additional rules and procedures can be reviewed in DoDEA Regulation 2051.1.

### **School Bus Behavior**

**Policy Reference:** [DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended](#)

Riding school buses is a privilege that may be suspended or revoked if a student does not behave in a safe and proper manner in accordance with DoDEA behavior expectations, which is in accordance with Enclosure 8 of DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended.

### **Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct**

**Policy Reference:** [DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019](#)

**Policy Reference:** [DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended](#)

DoDEA does not allow any form of sexual harassment, sexual assault, problematic sexual behavior in children and youth (PSB-CY) and other related abusive misconduct of, or by, employees, students, or anyone participating in DoDEA-conducted/sponsored education, training programs, and activities, committed both on and off DoDEA premises.

All DoDEA students are responsible for not committing acts of sexual harassment, sexual assault, PSB-CY, and other related abusive misconduct in accordance with DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019 (DoDEA AI 1443.02, and for cooperating with any investigations and resolution of complaints made in accordance with this Issuance. Students who violate this policy are subject to discipline in accordance with DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended.

The right to be free from other related abusive misconduct includes physical and/or emotional misconduct that does not qualify as sexual assault or sexual harassment, but that is still intended to make a student feel pressured, uncomfortable, physically threatened, in pain, embarrassed, or offended. It also includes the right to be free from an adult, or another student, trying to exploit their position of authority or influence over a student to force or manipulate them into an inappropriate personal and/or sexual relationship, even if the student does not think it is harmful. DoDEA does not recognize sexual or romantic interactions between any student and a DoDEA employee or volunteer to ever be consensual, even if the student is of the lawful age of consent.

Students who are experiencing sexual assault, sexual harassment, PSB-CY, or other related abusive misconduct should report it in accordance with Sections 4 and 5 of DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019.

If it is happening to them, personally, or to someone they know, a student should let an adult know about it right away. They may tell someone they feel comfortable with and trust, such as their parent, teacher, nurse, or coach, or go directly to the school principal or program director, at any time. When a DoDEA employee or volunteer becomes aware of a violation of this Issuance, they are required to report it to their school principal or program director, with the possible exception of certain disclosures made during confidential communications not otherwise subject to mandatory reporting requirements in accordance with Issuance.

### **Role of Social Media**

Use of personal social media between parents/teachers/students is discouraged. The only acceptable form of social media communication between parents/teachers/students is through official school social media.

## **Transportation**

### **Student Transportation Services**

**Policy Reference:** [DoDEA Administrative Instruction 4500.02, "Student Transportation Services," August 13, 2018](#)

Student transportation is defined as the transportation of students from their assigned bus stop to school at the beginning of their school day, during the mid-day, and for return to their assigned bus stop at the end of the normal scheduled school day. DoDEA principals are responsible for monitoring student loading/unloading zones when students are coming and going from school sites as well as administering discipline. A school bus or any device operating to provide student transportation will function as an extension of the school. The walking distance for grades 6 and below should not exceed one mile from the student's primary residence to the school or designated bus stop. Students in grades 7–12 may walk up to 1.5 miles from their primary residence to the school or designated bus stop. These distances may be slightly expanded or contracted to conform to natural boundaries such as housing areas or neighborhoods. In locations having middle schools, which include grade 6 (i.e., grades 6–8), the walking distance criteria shall be the same as the criteria for grades 7–12.

Transportation is not authorized to take students to their homes or to eating facilities for their mid-day meal. No other transportation between the assigned bus stop and the school will be charged to commuting transportation unless noted on a special education student's IEP and/or required by Section 504 guidelines. "Curb-to-curb" only applies to students with disabilities who require such service as documented in the student's IEP. DoDEA District Superintendents, in coordination with the District Logistics Chief and the supporting military installation commanders, will establish a commuting area to determine eligibility for transportation of dependent students.

## **Addendum: Brewster Middle School General Procedures**

### **Arrival to School**

Students may not be on the school campus prior to 7:30 a.m., unless they are participating in the school breakfast program. Upon entering the school at 7:31 a.m., students must go directly to their grade-level hallway to secure and/or get their items for their classes. Immediately afterward, they will go to their homeroom. Students are tardy if they arrive at school or their homeroom after 7:40 a.m. Parents will be contacted if their child is on the school campus prior to 7:30 a.m. Students who arrive at school after 7:45 a.m. must report to the front office to sign in and will be asked for a note from their parent which must provide the reason for being tardy. After signing in at the front office, the student will be given a pass to the class in session.

#### Early Check-Out / Signing-Out Students

Students are not permitted to leave the school during school hours unless they are signed out by their parent or an authorized adult in person. An authorized adult is an adult whose name is provided by the student's parent for the student's emergency contact list of the school record. If a student needs to be signed out, the student's parent or an authorized adult must come to the school front office to sign in and do this. If returning to school during school hours, the student would have to sign in at the front office.

#### Pets/Other Animals

For safety reasons, pets, insects, and/or any other animals or wildlife may not be brought to the school campus. This includes outdoor school and sports activities. Any exception to this requires appropriate medical documentation and approval of the school principal. Service animals are the exception to this provision.

#### Conferences

Parents can request conferences with teachers and administrators, and this can be arranged on an appointment basis. Conferences with the teachers can be scheduled directly with the student's teacher(s). The main purpose of a parent-teacher conference is to review the student's grades, progress, behavior, and other information. Any appointment with a teacher needs to be scheduled during the teacher's non-instructional time. Teachers cannot conduct conferences during instructional time or class transitions.

Conferences with the Assistant Principal or Principal should be scheduled through the office automation clerk or secretary. If you must cancel or postpone an appointment with a teacher or administrator, please notify the office as soon as possible. Two district-wide, parent-teacher conferences are scheduled on the school district calendar. One conference is done in the fall and the other in the spring. The school will send a letter with information and instructions for these conferences. Teachers will keep a register of parents who visit on these conference dates.

#### Principal's List and Honor Roll

Brewster Middle School recognizes students quarterly for outstanding academic progress through the Principal's list (earning only A's on their report card) and Honor Roll (earning only A's and B's on their report card). Students earning A's in all courses for the quarter are included in the Principal's List and students earning A's or B's in all courses for the quarter are included in the Honor Roll.

### Chain of Command

Parents are encouraged to contact the school at any time during the year. When parents have concerns, interests or would like to volunteer for school activities the following chain of contact should be followed:

1. The teacher(s) or staff member directly involved.
2. The Assistant Principal.
3. The Principal.
4. The Community Superintendent

Parents with a concern or grievance about their child should communicate with the appropriate teacher first. If the concern or issue is not resolved, the parents should meet with the Assistant Principal, or if necessary the Principal. Concerns about the school or which are general in nature should be conveyed directly to either the Assistant Principal or Principal.

### Academically Gifted Program

Brewster Middle School offers an academically gifted program to identified students. Students are referred to be identified gifted by standardized test scores, teacher nomination, parent nomination, and/or self-nomination. The school Gifted Review Committee will review all referrals, and the gifted education teacher will send a letter to the parents, stating whether or not the student is identified as gifted. Identification shall be based on multiple criteria using, but not limited to, intelligence or aptitude test scores, standardized achievement test scores and student performance based on grades, demonstrated skills or products. Gifted education students who transferred from another DoDEA or non-DoDEA school will be eligible for inclusion in our gifted education program. Depending on the student's ability and capacity, the student may be considered for placement in the next higher grade. A student placement committee would be convened to consider such a request and submit a recommendation to the Principal for a final decision.

### Extended Learning Time

The school master schedule includes extended learning time (EL) for students. This time will be used by teachers mainly for re-teaching concepts with which students are having difficulty. Also, students may be given academic enrichment activities during this time. Extended learning time is not free time, silent reading time, or homework completion time. However, teachers can use some of the time to assist students with concepts that are on their homework or an assignment or to make up work that was missed previously. The team teachers will coordinate with each other to ensure students receive the extra assistance they need.

## Lockers

Students are assigned wall lockers near their homeroom. They may not share their locker number, lock combination, or locker with any other students. They will report locker problems to their homeroom teacher as soon as the problem occurs. Students may not affix any type of name tag, decoration, sign, decal, or similar item to their lockers or any other student's locker. Students may not alter the interior of their lockers, such as affixing shelves or lights. Students will keep their lockers neat and handle them in a careful manner. Food items will be removed daily. No student may tamper with or get into someone else's locker. Students may not apply private locks to wall lockers. For the gym locker rooms, students are encouraged to bring their private locks to secure their clothing and personal items in the gym lockers. Private locks must be removed at the end of every PE class. Any locks found on any locker at the end of the school day will be cut off. Students are responsible for the security of their lockers.

## Lost and Found

Items found on the buses and around the school should be turned into the office. For quickest return, students should put your name on their notebooks, jackets, and all items they bring to school. Unclaimed items will be donated to the Thrift Shop, Navy Relief or other appropriate agencies.

## PTA

The PTA supports numerous school activities throughout the school year, including school dances. Attendance at all dances is restricted to students who currently attend Brewster Middle School. The PTA executive board meets monthly. Parents are encouraged to join the PTA.

## Spirit Wear Day

Based on the CLDS Student Dress Code Policy (see above), Brewster Middle School will have a spirit wear day weekly. Unless otherwise directed by the Principal, Friday will be the spirit wear day at our school. School colors are royal blue, white, and black. School mascot shirts of other colors may be worn.

## Off Limits Areas

The school and grounds are off limits before 7:30 a.m. and 30 minutes after school or when an evening event concludes. The campus is patrolled by MPs. Incidents involving students, e.g., trespassing, breaking and entering, vandalizing, etc., will be handled by the military police in addition to any action taken by the school. School telephones are for official business, and students may use them only with a staff member's permission.

### After-School Intramural/Activities Program

All students are invited to participate in the after-school intramural/activities program on Monday, Wednesday, and Thursday from 2:35 p.m. to 3:30 p.m. Information will be published regarding the activities that will be conducted each “season”. Students must be picked up or depart the campus on time. A school district activities bus will provide transportation for students who use bus transportation.

### Sports Program

Brewster Middle School participates in the Onslow County Middle School Athletic Conference. Brewster Middle School provides the following sports programs: football, softball, baseball, girls and boys soccer, volleyball, wrestling, basketball, girls and boys track, and cheerleading. The athletic program is currently open to 7th and 8th grade students who meet and sustain the eligibility requirements.

Student athletes must maintain eligibility throughout the sports season. An after school athletics bus will be provided for students using regular bus transportation on athletic practice days. Parents will provide transportation for students after all sporting events. Contact the Athletic Director/Coach for additional information concerning the At
