

DEPENDENTS EDUCATION COUNCIL

# Dual Enrollment

PRESENTED BY

*Dr. Patrick A. Dworakowski, Assistant Associate Director for Education*

**dodea**  
DEPARTMENT OF DEFENSE EDUCATION ACTIVITY

# Purpose

Establishment of guidance and responsibilities aligned to DoDEA graduation requirements via procedural guide

## PURPOSE.

- Engage students in quality college and career pathways and course-taking in order to promote successful postsecondary student outcomes.
- Foster college-and-career-going cultures within DoDEA schools by encouraging students to engage in and successfully complete college-level coursework.
- Meet the unique academic needs of individual students by extending relevant and rigorous course offerings in the junior and senior high school year.

# Implementation/Opportunity

## Implementation.

- Effective school year 2015/16
- Students in grades 11 and 12
- Requires high school principal approval

## Opportunity.

- Promotes equitable access to rigorous postsecondary opportunities.
- Bolsters enrollment in relevant and rigorous postsecondary courses that prepare students for successful college and career pathways.
- Advances students' postsecondary academic success.
