Where We Are Going

- Applying lessons learned from the first year of math implementation
- Ensuring that Literacy is taught across all content areas
- Implementing a comprehensive assessment system
- Improving data use starting at headquarters and working down to the classroom
- Providing relevant professional learning that is standardized across the system
- Ensuring that our plan is comprehensive and includes strategies that address all aspects of education

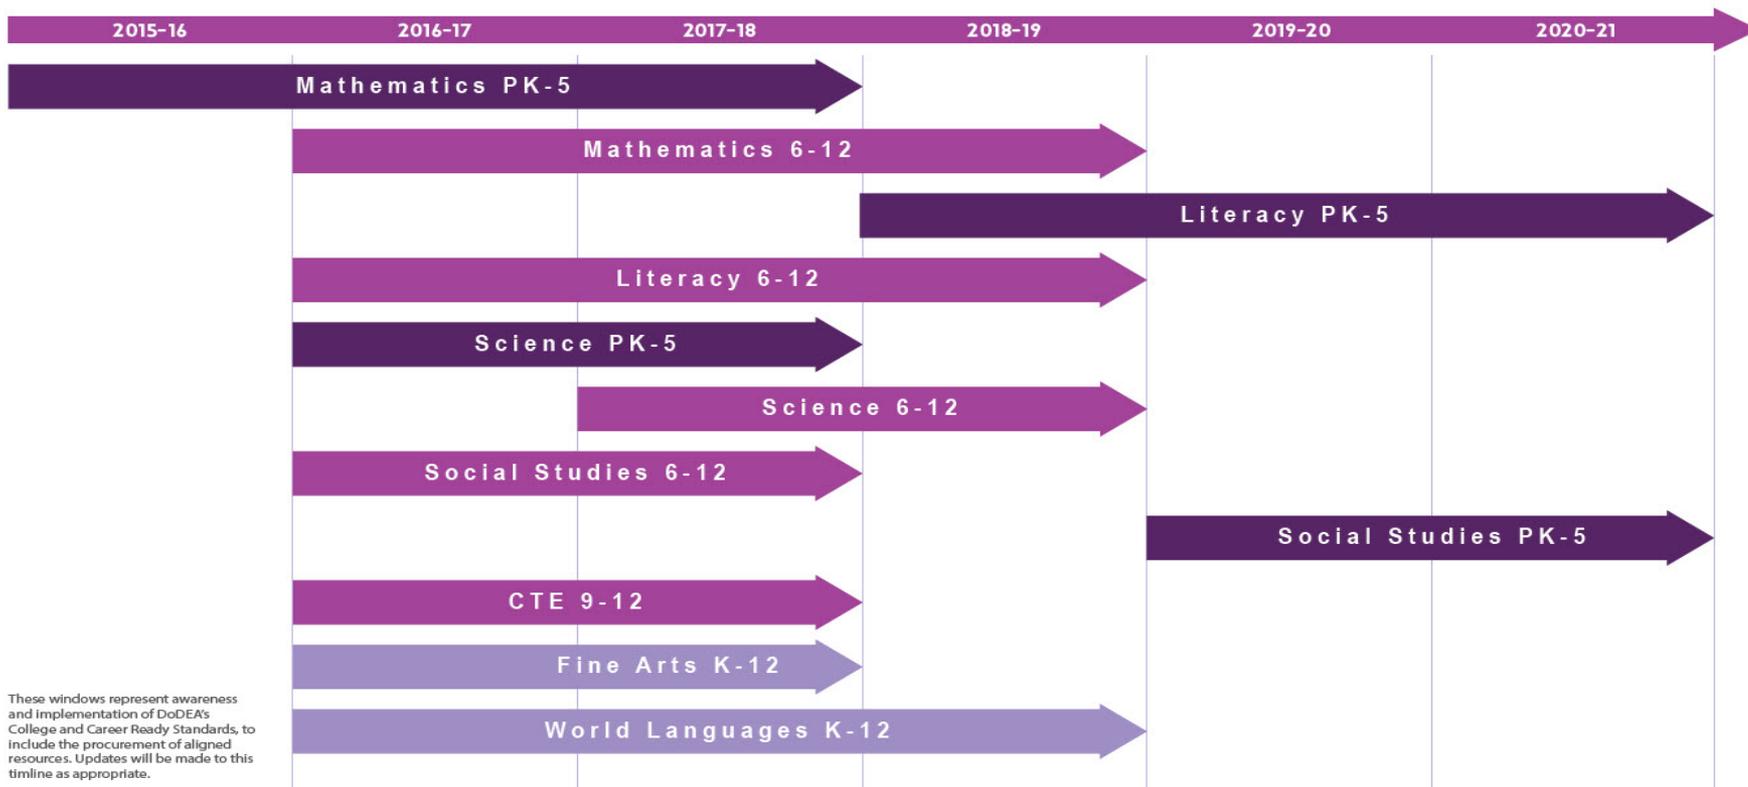

CCR Standards Implementation Timeline

CCR STANDARDS IMPLEMENTATION SCHOOL YEAR TIMELINE

NOVEMBER 2016

These windows represent awareness and implementation of DoDEA's College and Career Ready Standards, to include the procurement of aligned resources. Updates will be made to this timeline as appropriate.

FY 17 Curriculum Resources

DoDEA has budgeted to procure new instructional resources to fully align with the DoDEA CCR standards in the following content areas:

- High School Mathematics
 - High School Social Studies
 - Elementary Science
 - Japanese
 - Middle and High School Music
 - Elementary Music
- All affected teachers will also be trained on the new materials so they can effectively implement them in their classrooms.

College and Career Ready Program Reviews

- The Standards and Curriculum Division will conduct two Program Reviews during SY 2016-1017:
 - Career Technical Education (CTE)
 - English Speakers of Other Languages (ESOL)
- The Gifted Program will continue working with the University of Georgia to rewrite the program guide based on research and information obtained during the program review (SY2014-2016).
