**2020-2021**  
**Orientation – Monday, August 24, 2020**

Greetings DoDEA Virtual School students and parents,

Our virtual school journey will begin on Monday, August 24, 2020, at 8:00 a.m. (CET) with an orientation session for parents and students. The morning will begin with Mr. Michael Kline, Chief of Teaching and Learning, and Dr. Terri Marshall, Virtual School Principal, providing an overview of materials needed and how to access online resources, what a typical day looks like, how to get support if you need it, and so much more! We know you will have questions about this new way of attending school. A link will be provided Monday morning in order for you to submit written questions. Answers will be provided by our local administrators.

All you need to get started on Monday is a computer and internet connection. If you are in need of a computer, please contact your local school to arrange a pickup time. You may begin logging on at 7:45 a.m. (CET) on Monday.
