

Adolescent Support and Counseling Services (ASACS)

Parent Permission Slip

Your son/daughter _____ has expressed an interest to participate in being a Role Model and participating in the Role Model Club. Role Model students create and design skits focusing on healthy decision-making skills, peer refusal skills, being respectful, bullying, bus safety, fire safety, manners, cliques, and many more topics of interest throughout the school year. Role Model students participate in the National Red Ribbon Campaign to focus on a healthy and drug free life-style. Role Model students advocate and create awareness of making good choices to peers and assist in helping 5th grade students with transition to Middle School towards the end of the school year. School Teachers will be informed of any events planned ahead of time so that your son/daughter will not be marked absent and that students are excused to participate in the event. Your son/daughter may select to participate in various classroom presentations or any event, as some presentations may only be set for 30 minutes. Role Model program participants will have instructional meetings for rehearsals after school on each Tuesday from 14:10 to 15:30. For further information please email Jasmin Coty at: Jasmin.Coty@pac.dodea.edu
