

How to Create a Parent Connection Account

NOTE: There is no need for individual parent accounts at each school as one account can add students at multiple schools (Sollars and Edgren). The steps to do so are addressed in this document.

Start at the Edgren Eaglenet Site (Probably want to bookmark this site):

<http://www.dodea.edu/EdgrenHS/>

Scroll to the bottom of the page and click on the GradeSpeed button--DO NOT click on the "student" one.
