To Register:

Copy the link into your browser to open the following page.

Please choose one of the following authentication options in order to access Intelink. Selection of an authentication method constitutes your acceptance of both Intelink's [Terms Of Use](#) and the monitoring of system activity, as described in the warning notice to the right.

[CAC/PIV Certificate \(email certificate preferred\)](#)

U.S. Government Warning

This is a United States Government computer system. This computer system, including all related equipment, networks, and network devices, including Internet access, are provided only for authorized U.S. Government use. U.S. Government computer systems may be monitored for all lawful purposes, including ensuring that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes authorized attacks by authorized U.S. Government entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied, and used for authorized purposes. All information including personal information, placed on or sent over this system may be monitored.

Use of this U.S. Government system, authorized or unauthorized, constitutes consent to monitoring of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal or other adverse actions.

For technical assistance, please contact the ISMC Watch: 301-688-1800 (commercial), 644-1800 (DSN)

If the page below is displayed, simply re-enter the link into your browser and press Enter. If the site was saved in Favorites, it can be selected from there as well.

The screenshot shows the Intelink SharePoint (IntelShare) website. At the top, there is a blue header with the SharePoint logo and navigation links for Newsfeed, OneDrive, and Sites. Below the header, there is a search bar and a navigation menu with links for Home, OSI List, IntelShare Blog, and IntelShare Wiki. The main content area features a welcome message, a brief description of the service, and several links for further information. A sidebar on the left contains a list of pages and site lists.

Welcome to IntelShare!

Intelink offers a SharePoint system to facilitate collaboration within the IC community. If you are interested in obtaining an Intelink SharePoint site, please review the [IntelShare Governance Plan](#).

The service is offered using a self-service model, where the POCs are responsible for understanding SharePoint so as to maintain and administer their own site collection.

Check out the [IntelShare blog](#) for information regarding bugs/fixes, outages, changes, etc.

[Request an IntelShare site collection](#)

If you have any issues, please submit an [Intelink Service Now support ticket](#).

Looking for information on the Site Verification Process? Go to the [SiteVerification Process - FAQ](#) page.
To find a list of all existing site collections, go to the [ICD501 Compliance List](#).
