Hello Parents:

We are so pleased that for the 2021-22 school year the Student Meal Program will have a new point of sale system called TITAN! By now, you should have received communication from the Navy Exchange Student Meal Program with Pin numbers for your children along with the link to enroll them. If you haven't already enrolled your child, the link is:

<https://family.titank12.com>; follow instructions for setup.

***Note that the District is DODEA - Navy Exchange.

After enrolling your children in the system, you will be able to take advantage of the many benefits the system has to offer:

- ✓ No need for those pesky lunch tickets as in years past
- ✓ You can add money to your child's account from the comfort of your home using a credit card; this eliminates the need for your child to carry money
- ✓ The ability to go online and pay with credit offers an excellent alternative for those who do not use U.S. dollars or currency
- ✓ You have the ability to see exactly what your child eats on a daily basis

There are a few more changes that are required by the United States Department of Agriculture (USDA), the agency that authorizes our Student Meal Program.

One change is that we are required to offer FREE water for students, the school will no longer be able to sell bottled water as part of the program. There are 5 water fountains in the school cafeteria or, if you choose, you might prefer to have your child bring a water bottle to school that can be re-filled at the water fountains.

Only students are able to carry meal balances. Adults are unable to charge an account and must pay cash for their meal.

A la carte pricing is still in effect for any items purchased in addition to the reimbursable meal. Prices are as follows:

- | | |
|--------------------------------|--------|
| ○ Non-student Breakfast | \$4.00 |
| ○ Non –student Lunch | \$7.00 |
| ○ Lunch Plus additional entree | \$2.00 |
| ○ Fruit (1/2 cup) | \$0.50 |
| ○ Vegetable (1/2 cup) | \$0.50 |
| ○ Milk | \$1.00 |

We are very excited for the benefits that our new system will provide your family. As with anything new, there will be a learning curve in the beginning, but after a few days, we're sure it will become second nature.

For further questions, please call the support line for TITAN School Solutions at 916-467-4700 Option 2, or contact your local NEX POC accessible at: <https://www.mynavyexchange.com/StudentMealProgram-FAQ#contacts>

Sincerely,

Penelope A. Miller-Smith, Ed.D.
Elementary Principal, Bahrain School
