

# Elementary Parent Tips

## Digital Instruction

---

Together we are embracing a new digital learning opportunity. Here are some tips to help us prepare.

---

- Develop routines to support learning
- Periodic brain breaks are healthy
- Quiet work spaces minimize distractions
- Keep supplies close to reduce disruption
- Progress checks ensure goals are met

## Engaging in Live Sessions

---

### Partnering with your School

- Communication is our friend.
- Take advantage of communication opportunities provided by your school.
- Ask questions freely.
- Your school is here to help!
