**MEMORANDUM FOR:** Parents and Sponsors of students enrolled at Ft. Knox Middle High School

**SUBJECT:** Virtual Open House Scheduled for 8/21/20

The purpose of this memo is to review Ft Knox Middle High School’s upcoming virtual open house, which is scheduled to occur from 1630 – 1800 on the night of August 21, 2020. The open house will be your opportunity to meet our staff and see what some of their expectations are for the upcoming 2020-21 school year.

The evening will be divided into 10 minute increments, with a 5 minute break in between, in order to give parents multiple opportunities to meet their teachers. The chart below includes a link to a Google Meets for their respected department, which will allow you to be able to see their presentations. You may use your students “student.dodea” google account to access the meeting or your own personal account. You must use Chrome to access the Google Meet.

Some of the items that will be covered by the teachers include, but may not be limited to, the following:

- A brief biography of the teacher
- COVID 19 Precautions being implemented at FKMHS
- Expectations for the class
- What to bring for class

The meetings will be held at the following sites:
