

Information for Applying to the Air Force Academy

<https://academyadmissions.com>

The U.S. Air Force Academy is one of the most selective colleges in the country, so you'll need to start preparing well before your consideration for admission to meet the high admission requirements, intense competition for appointments and the demands you'll face at the Academy.

A well-rounded program of academic, leadership and athletic preparation is important, so make sure you participate in as many of these activities as possible every step of the way.

After clicking on the link, look under ADMISSIONS: THE APPLICATION PROCESS to find important information about eligibility, nominations, evaluations, and deadlines.

Students can begin the application process in March of their junior year.
