The United States Military Academy has been educating, training, and inspiring leaders of character for our United States Army and for the nation for more than 200 years. West Point provides a 47-month leader-development program steeped in academic rigor, military discipline, and physical challenges, all built upon a moral-ethical foundation. The academy is an internationally recognized institution for academic, military and physical excellence, and we are proud that today's cadets will become tomorrow's military, public and private-sector leaders.

Students can begin the application process in January of their junior year.
