

## WKU DUAL CREDIT Qualifications

1. A student wishing to take courses through the Dual Credit Program should be either a junior or senior in high school.
2. The student must be recommended by their high school principal or counselor for participation in the Dual Credit Program. This
3. recommendation will be based on the student's potential for academic Success in college level courses. High school freshmen and sophomores who also receive such recommendations may be considered for Dual Credit classes. **NOTE: DoDEA only permits Juniors and Seniors to take dual credit courses that are entered on the DoDEA diploma and count towards high school graduation.**
4. Some courses (ENGL 100-18 on English ACT, MATH 116-22 on Math ACT) taken through the program have specific requirements that must be met prior to being registered.

### Things to Consider Before Enrolling in Dual Credit Courses

Prior to enrolling in dual credit courses, students should consult with their guidance counselor to discuss how the courses fit in with their schedules and the high school's graduation requirements. Most colleges and universities will accept the credits earned through WKU's Dual Credit Program. However, students are advised to confirm this with any college or university they are thinking about attending in the future. Students who have had success with dual credit coursework usually have a **minimum GPA of 2.5/4.0 and an attendance rate of at least 90%.**

**Since dual credit courses apply toward high school graduation requirements, the signature of a principal or counselor is required on the DoDEA dual enrollment application form.**
