

HAMPTON HAPPENINGS

Mrs. Priscilla Joiner, Principal

Mrs. Angela Clouse, Assistant Principal

WELCOME TO HAMPTON PRIMARY SCHOOL!

Hampton Families,

The safety of our students and staff continues to be a top priority. During our car rider arrival and dismissal, please be mindful of all pedestrians. Please ensure you are slowly approaching and departing campus. Please remember to observe the hands-free cell phone policy that is in place on Ft. Bragg. Additionally, after we return from winter break we would like to encourage students to open their own car doors during arrival and dismissal. Our staff

will still be outside to monitor, greet students, and check IDs, but we are trying to encourage students to become more independent. Thanks for your support!

DoDEA Vision

Excellence in Education
for Every Student,
Every Day, Everywhere

DoDEA Mission

Educate, Engage, and
Empower military-connected
students to succeed in a
dynamic world.

HPS Purpose Statement

At Hampton Primary School
we collaborate, persevere
through challenges,
respect others,
and take responsibility
for our learning.

MUSIC MATTERS

First Grade Winter and Kindergarten Spring Concerts

The Hampton Primary School Winter Concert will be on Tuesday, December 11, 2018 at 5 PM in our Commons. Our musical play is "The Great Big Holiday Bake Off". The HPS 1st grade students will sing 7 songs with a finale reprise and with speaking parts performed by a few students from every 1st grade learning studio. We are excited and proud to coordinate, direct, and present this event!

Kindergarten students will perform in the Hampton Primary School Spring Concert in six months, next May 2019. Kindergarteners are busy learning Music Education concepts by creating, performing, responding and connecting with various songs and instrument centers while continuing with instrument families of the orchestra.

With Hampton Pride

Mon, Tues, Thurs, Fri:

8:15AM - 10:45AM

Wednesday:

8:15AM-10:35AM

Pre-Kindergarten PM

Mon, Tues, Thurs, Fri:

12:15PM - 2:45PM

Wednesday:

11:35AM - 1:50PM

Let Your Dreams Take Flight

NURSE'S NOTES

YES, the power is in your hands to prevent the Flu!

True Flu Prevention:

1. Do not touch the T-Zone
2. Hand wash regularly
3. Get vaccinated

Can you imagine if your family never got sick again from a respiratory infection? What are respiratory infections you may ask? A respiratory infection is a common viral infection that affects the nose,

throat, and airways. Respiratory infections include the flu, adeno virus, RSV, common cold, pharyngitis, tonsillitis, bronchitis, pneumonia, Coxsackie virus, Streptococcus, Pneumococcus, TB and more!

The T Zone is the only portal of entry into the human body for ALL respiratory infections. The T Zone consists of the eyes, nose, and mouth. Practicing the 4 Principles of Hand Awareness behaviors will help prevent you from getting sick!

Thank you for helping to “Spread the word and not the germs!”

Healthy Children Learn Better!
Christa Cook, RN
 School Nurse
 910-907-1140 ext. 3664

The 4 Principles of Hand Awareness:
WASH your hands when they are dirty or before eating.
Do NOT cough into your hands.
Do NOT sneeze into your hands.
Do NOT put your fingers in your eyes, nose or mouth.

School Song
 Hampton Pride,
 Hampton Pride.
 She was Captain in
 the U.S. Army fight.
 And we'll celebrate,
 and honor,
 her bravery, too.

We will rise,
 we will rise.
 Show our strength
 beyond our size.
 Oh Hampton,
 we love you, we do.

COUNSELOR'S CORNER

During the month of December, we will focus on identifying and respecting feelings. The kindergarten and first grade students are talking about and demonstrating what it means to be a bucket filler at Hampton. The concept of bucket filling is that everyone has an invisible bucket that holds their good thoughts and feelings. You feel happy when your bucket is full and sad when it is empty. You need other people to fill your bucket and other people need you to fill their buckets. You fill a bucket when you show love to someone, when you say or do something kind, when you give a smile or when you make someone feel special. We want all of our students to show respect for others and be bucket fillers.

The holidays are upon us. We understand that travel increases during this time of year. Please be mindful of student attendance. The school curriculum continues and students will be busy learning until they are dismissed for holiday break. If you plan to be out of town during instructional time, please notify the office and communicate with your child's teacher to assure he/she has the work that needs to be completed while absent.

Sherry Shortt and Shawna Vanskiver

¡Hola Amigos!

The unit we are studying in our FLES Spanish class (Foreign Language in Elementary Schools) is Unit 3 “Me and My Community.”

The kindergartners identify supermarkets, hospitals, parks, and other places in the community in Spanish. They also pair-share and practice saying where they live. For example, the students ask, “¿Dónde vives?” (Where do you live?). And, the students respond, “Vivo en Fort Bragg.” (I live in Fort Bragg). In teams, they draw places in their community on the same sheet of large paper.

The first graders identify different people in the community and where they work. Students listen to the humorous, fictional, Tumblebook story titled, La Estacion de los Bomberos (The Fire Station) written by Robert Munsch.

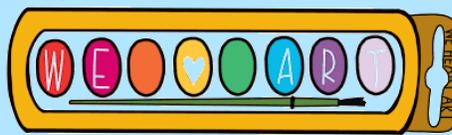

In addition, the kindergartners and first graders are reviewing Unit 1 “Me and My School” and Unit 2 “Me and My Family.” The students are also learning the Spanish alphabet. They are learning the letter names and letter sounds. The students are also comparing and contrasting the Spanish alphabet with the English alphabet. The students are learning to find the similarities and differences between the two alphabet languages.

Sra. Gregg and Sra. Mancini

EVERY CHILD IS AN ARTIST

In both grade levels, we are going to begin to weave. Weaving is an old art form. People used to use only woven material for their clothes. We are using weaving as an art form. I try to include texture into this art form. This is done by using different kinds of yarns in our weavings.

Your Art Teacher,
Diane Jones

FROM THE GYM

As your student continue to learn their basic skills, we will be incorporating our **LOCOMOTOR SKILLS** (hoping, jumping, galloping, leaping, side-sliding, walking, running, and skipping) into our Physical Education Classes. Through various activities, we will be refining these skills, so encourage your student to practice at home. Please continue to send your student to school on their P.E. Day with their gym shoes/tennis shoes on.

Mondays—Newsome & Turner (K) and Barnwell & Northe (1st)
Tuesdays—Johnson & Bandin (K) and Struck & Hillman-Ford (1st)
Wednesdays—Upton & Lamm (K) and Delgado & Chisholm (1st)
Thursdays—Campbell & Todd (K) and McMillan & Gutierrez (1st)
Fridays—Mauil & Rohde (K) and Baldwin (1st)

Yours in Fitness,
Bonnie McMillan,
Physical Education Specialist

INFORMATION CENTER INFO

The Hampton Library has been having lots of fun with our reading teams. Kindergartners are the Read-a-lot Readers, and the first graders are part of Team 1-2-3 Read!

So many great books are being read - and prizes are being claimed. Thank you, parents, for your support and for signing all those home reading logs and team forms! We will continue our reading teams all year.

The holidays soon will be here, and we hope you will fill your children's stockings with lots of good books! Remember, a book is a present you can open again and again.

Happy Reading!!!
Andrea Horosko
 Information Specialist

**Congratulations to HPN Crew 3

HAMPTON PLEDGE

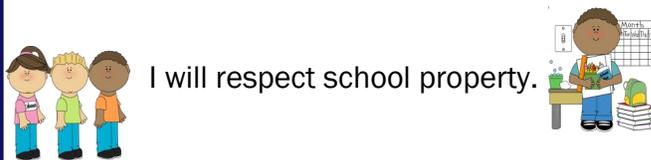

I will follow directions.

I will be kind and courteous.

I will respect school property.

I will walk on the sidewalks and in the hallway.
