

HAMPTON HAPPENINGS

Mrs. Priscilla Joiner, Principal

Mrs. Angela Clouse, Assistant Principal

WELCOME TO HAMPTON PRIMARY SCHOOL!

PRE-K AND KINDERGARTEN REGISTRATION

Registration will be held at Hampton Primary School on Thursday, May 2 and Friday, May 3 from 8:30-2:30 for rising 2019-2020 Prekindergarten and Kindergarten students.

If your child is already in our Pre-K program, you DO NOT need to register your child for Kindergarten at this time; you will receive a letter at a later date.

More information about enrollment requirements and online registration is available by visiting DoDEA's Registration site. <https://www.dodea.edu/registration-process.cfm>

COUNSELOR'S CORNER

We had a great Month of the Military Child. Students enjoyed performances by the 82nd Band and Bright Star Touring Theatre. Thank you to our wonderful PTA for providing all students with a military kids purple t-shirt. The students looked great on "Purple Up Day!"

Our guidance lessons are focusing on safety which is a very important topic for all students. A great way that parents can talk to children about personal safety is by explaining that private parts are the parts of the body that a swimsuit covers and that these parts are not to be touched by others except in certain circumstances, such as a doctor's visit or a younger child that needs help bathing. Also, at the primary level students should know trusted adults they can talk to if they do not feel safe. With the summer months approaching there are many habits that students can practice that will help keep them safe. Please take a moment to discuss safety with your child.

We would also like to remind everyone that attendance is still very important during the last quarter of school. Please remember to contact the front office or send a note if your child is out sick.

12:15PM - 2:45PM

Wednesday:

11:35AM - 1:50PM

Let Your Dreams Take Flight

APRIL:
Month
of the
Military
Child

What is Asthma?

Asthma is a condition in which a person's airways becomes inflamed, narrowed, or filled with extra mucus making it difficult to breath. Asthma symptoms may include shortness of breath, coughing, and/or wheezing. If asthma is left untreated, it can be deadly.

What are Allergies?

An allergic reaction is a product of your immune system reacting abnormally to a foreign substance. This reaction can come from something you eat, inhale, or touch. A mild reaction could cause coughing, sneezing, itchy/watery eyes, runny nose and/or a scratchy throat. Severe symptoms would be rash, hives, low blood pressure, difficulty breathing, an asthma attack or death.

What can you do as the parent?

If you suspect your child has symptoms of asthma or allergies, have them seen by their primary care physician as soon as possible! Keep a diary of symptoms, along with possible triggers.

If your child has already been diagnosed with asthma or severe allergies, please notify the school nurse and follow the proper procedures to have all needed medications at the school in the event of an emergency.

Healthy Children Learn Better!

INFORMATION CENTER—●

As April turns to May, we begin our last month for recording Home Reading records. Be sure that your child is reading at home every day! Students and parents will be able to check out library books from the Hampton Library until May 17, and then all student and parent books will be due on May 24.

Team 1-2-3 Readers (our 1st graders) have been spinning the Wheel of Reading Fortune quite a bit lately! Stop by the Landing Pad to see how many stickers your student has earned this year – each sticker represents 1 series, or 3 books, read for Team 1-2-3 Read. The top readers for this year's team will receive a Super Reader dogtag.

The Read-a-lot Readers (our kindergartners) are all working toward reading goals. Everyone who reached at least 100 books read at home this year earned a Read-a-lot Reader dogtag and will bring home a photo-helicopter later this month.

Make sure your children are reading at least 20 minutes every day this summer - avoid the Summer Slide!

Happy Reading ~

Mrs. Horosko & Mrs. McEachin

SCHOOL SONG

Hampton Pride,
Hampton Pride.
She was Captain
in the
U.S. Army fight.
And we'll celebrate,
and honor,
her bravery, too.

We will rise,
we will rise.

Show our strength
beyond our size.

Oh Hampton,
we love you,
we do.

MUSIC MATTERS

We are excited and looking forward to our Kindergarten grade level concert on May 7, 2019 at 5 PM. Students performers should arrive at 4:30 PM. It will be A Patriotic Celebration!

Kindergarten parents have been invited to share a photo for a special display during the concert. If you have not already done so, please email your patriotic parent photo by May 1, 2019 to robin.eaton@student.dodea.edu

The first grade students are still doing well with learning songs, instruments, instrument family reviews and digital interactive activities that enhance and remediate our music theory concepts.

Happy Musical Spring Helicopters!

With Hampton Pride,
Your Music Teachers,

Jacquetta Evans & Kristina MacKay

FROM THE GYM

It's all in the FAMILY!! It's easier to encourage your family to move more when you move with them. Your family may be walkers and go for a walk every night after dinner. Now that the time has changed, we have that extra daylight in the evening, so take advantage of it. Take time to learn what activities your family enjoys together and plan those activities into your day. Enjoy each other while staying fit.

Yours in fitness,
B. McMillan

¡HOLA AMIGOS!

We have been studying Unit 5 which is “Tengo Hambre” (I’m Hungry). We have been learning Spanish words for many different types of food. We have targeted literacy by reading the electronic books *Bebé Goes Shopping* and *Burro’s Tortillas*.

The kindergartners continue to practice their alphabet in Spanish and English. They listened to the song “Alfabeto” and sang the letter sounds and words. The kindergartners are also learning to say “Me gusta...” (I like...) and “No me gusta...” (I do not like...). In addition, the students are learning what foods are “saludable” (healthy) and “no saludable” (unhealthy).

The first graders learned about the food pyramid. They also listened to an educational video titled “Tengo Hambre” (I’m Hungry) which focuses on foods for breakfast, lunch, and dinner. The students are learning to say what they ate for each meal. For example, “desayuno” (breakfast), almuerzo” (lunch), “cena” (dinner).

FLES Teachers,
Ms. Mancini and Ms. Gregg

EVERY CHILD IS AN ARTIST

In art, the first grade classes are working on Big Foot faces based on a story about “Bigfoot Cinderella”. This is a fun twist on the traditional Cinderella story. We create paper strip face sculptures to go along with the characters of the story.

In the kindergarten art classes, we are making collages inspired by the art work of Eric Carle. This is a multi-step project with students creating animals or people.

Your Art Teacher,
Mrs. Jones

HAMPTON PLEDGE

I will follow directions.

I will be kind and courteous.

I will respect school property.

I will walk on the sidewalks and in the hallway.
