DoDEA's Mission Statement: Educate, Engage, and Empower each student to succeed in a dynamic world.

This month we are learning about...

***Creative Curriculum Study: Clothing**

- 3D Shapes
 - Letter recognition skills
 - Positional Words
 - Seasonal Changes (Winter)
 - Independent Self Help Skills
 - Sizes (small, medium, large)
- * Patterning

IMPORTANT REMINDERS

Please be sure to reinforce skills that are being taught in school. We are continuing to practice name writing, number recognition, counting, letter recognition, and fine motor skills.

To supplement our study on clothing, we will spend much time this month reading The Mitten by Jan Brett. Helping your child learn to button, zip, and snap clothing are all important skills that can be worked on at home. The winter season is the perfect time to practice these tasks!

In addition, please remember to label all articles of clothing that you send to school. Jackets, hats, gloves, mittens, and scarves are all very easily misplaced in the classroom. By the end of each day we have seen approximately 40 students, making it difficult for us to remember who wore which garments to school. Labeled items will help us return things to the students in a timely manner. Thank you for your assistance!
