BUILDINGS, BOXES, AND ROADS!

We are now in our exciting Creative Curriculum study on **Buildings, Boxes, and Roads!** We will be discussing different types of buildings, the different components of buildings, the people who plan for and build buildings, and

the types of tools used to construct buildings. You can help us at home by looking for and taking pictures of unique buildings in our community, discussing the many different sizes and shapes that buildings can be, and the different things that buildings are used for in our town (hospitals, schools, shopping centers, movies, restaurants, etc...) Also, have you child count the features of different buildings. For example, you can have them count the windows, doors, chimneys, etc... This is a wonderful study that children love, so join us in celebrating **Buildings, Boxes, and Roads** as we become architects and builders!!

ART WALK INFORMATION

THE ART WALK IS COMING SOON...

All of the Pre K Students will have a piece of art work on display in the small theater, and you may wish to make a small donation to take it home that night! We will have many baskets of goodies, baked goods, decorative chairs, and much more for you to bid on in the "silent auction!" The PTA will also be selling ice cream! It's a great time for everyone and our biggest fund raiser of the year. Please join us!!
