DoDEA's Mission Statement: Educate, Engage, and Empower each student to succeed in a dynamic world.

This month we are learning about...

***Creative Curriculum Study: Trees**

- 3D Shapes
- Patterning
- Number Recognition/Counting
- Characteristics of trees and the fall season

IMPORTANT REMINDERS & REQUESTS

1. **Snack Clarification:** Please send in one healthy snack and drink that can be consumed in 10 or less minutes. Instructional time is our first priority with the children, and snack time should be kept to a minimum. Thank you!
2. **Change of Clothing:** Please remember to switch out your child's extra clothing as the weather turns colder. You can put the clothes in a Zip-locked bag labeled with their name on it. We will send the other clothes back home. Thanks for your assistance!
3. Please remember to send in a note to excuse your child's absence when they are out due to sickness, family trips, etc... We must turn these notes in to the office when your child returns to school. Thank you!
4. Please assist your child at home with learning how to **put on coats, jackets, and sweaters,** and **how to zip them.** Cold weather is here and students need to know how to perform this self-help skill!
