From the Nurse: If you received a letter from the nurse stating that your child needs immunizations for school, please remember that each student has 30 days to update their immunizations. You may contact our nurse at 907-1140 should you have any questions about your child's immunizations.

IMPORTANT REMINDERS

1. Please remember to let us know if someone other than you will be picking up your child; just putting a little note in the folder is a huge help! Thank you for your assistance!
2. Cooler weather is upon us! Helping to teach your child how to put on his or her coat, jacket, or sweater is a very important self-help skill. Practicing this at home would be very beneficial to your child!
