March 25, 2020

Dear Parents and Guardians,

In early March the school calendar was changed to facilitate a planned move into the newly constructed wing of Lejeune High School. March 26, 2020 and March 27, 2020 were changed to early release days for high school students and there was no school planned for high school students March 30, 2020 and March 31, 2020. With the move to the new virtual learning platform for instruction and under the current circumstances the move has been postponed.

Lejeune High School will operate virtually with full days for students March 26, 2020 through March 31, 2020. The Red Gold school calendar has been modified to facilitate continuation of student learning and will be posted on our website and Facebook page.

We appreciate your continued support as we work through the new virtual learning platform and plan to move at a later date.
