Principal's Corner

Dear Parents,

Just a few reminders:

-When going on an extended vacation with your child you must notify the teacher at least one week in advance if you wish to take school work with you for your child. There is a form that must be filled out when the absence is for five days or more. The expectation is that your child will complete the work given and you will return it to the teacher upon return. This will help ensure that your child does not fall too far behind his/her peers.

-Kindergarten parents: if your child will be going home via a different mode of travel than the usual daily mode, you must notify the teacher in writing or call the front office to pass the information to the teacher. Information should NOT be given to the Kindergarten Aides when you drop off your child.

-When you make arrangements for your child to be picked up by someone other than you or your spouse, please ensure that the person picking up your child is listed in the registration paperwork. Also, please notify the teacher in writing or call the front office. If the person picking up your child is not listed in your registration paperwork, your child will not be released to that person.

Best regards,

Arturo Rivera Jr.
Principal
M.C. Perry Elementary School
DSN 253-4673

PART-PART-WHOLE CARDS

See the difference between part-part-whole cards and basic addition/subtraction cards below. Part-part-whole cards help students build a **deeper understanding of the addition/subtraction relationship**. These cards help students go beyond memorization of basic facts. The cards can be purchased online, printed from online, or try making your own set!
