Principal's Corner

Dear parents,

The 4th through 6th Grade Student Awards Ceremony for the end of semester will take place on February 8, 2017 starting at 1330 in the old high school gym. Teachers will notify parents of recipients of academic awards once the grading period has closed. We hope to see you there.

The next Parent/Admin Forum is scheduled for this upcoming Tuesday, January 17, 2017 from 1600 to 1700. This is an opportunity for parents to discuss ideas or address concerns with the administration. I invite you to attend and take part in the forum. We will meet in the school's computer lab.

As you probably know by now, we have taken partial ownership of the high school gym and other spaces. Now that we have larger gym we accommodate lining up students indoors when they arrive in school in the mornings. Please remind your child to go to the high school gym for line up in the morning. Kindergarten line up remains without change.

Our School Advisory Committee (SAC) is scheduled to meet on Tuesday, January 24, 2017 at 1600 in the school's computer lab. This committee serves as an advisory board to the administration. Meetings are open to the public. If you have concerns you would like addressed or ideas that will improve our school, please make time to attend the meeting and have your voice heard.
