Principal's Corner

Dear Samurai families,

There is so much to be thankful for at MC Perry ES! We have a wonderful team of educators who love children. We have dedicated parents who partner with us. We have a beautiful facility. We have numerous resources to support teaching and learning. Above all else, we get to serve those who serve - both our military-connected children and families.

Thank you to our PTO and volunteers for sponsoring the Turkey Trot! Our children had a great time. Look for more details from our PTO on how successful this fundraiser was.

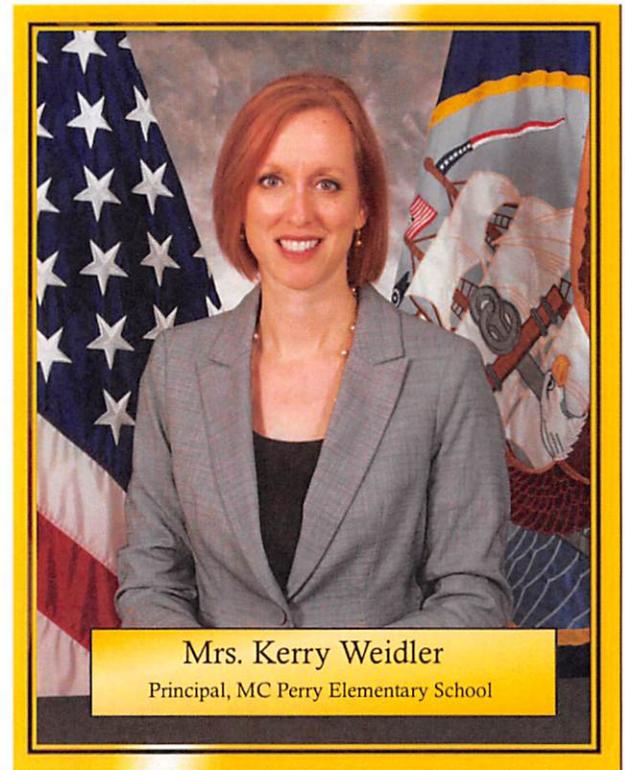

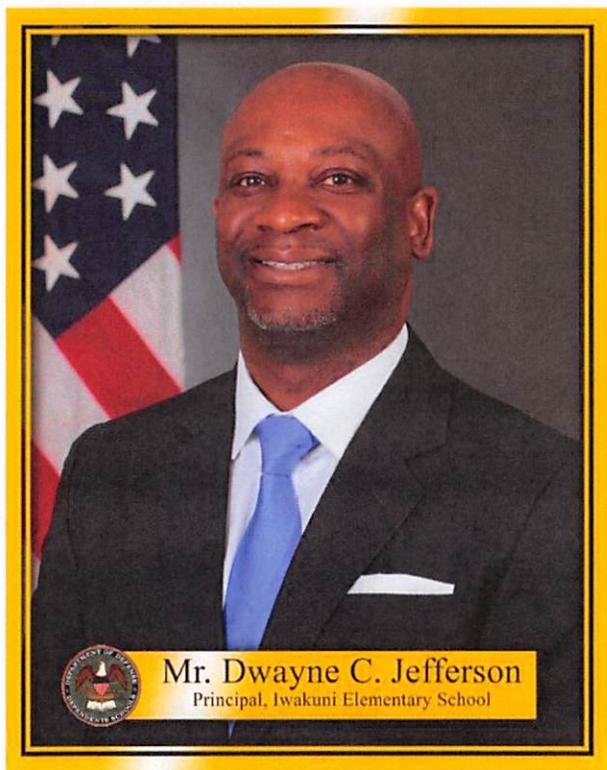

Please join us for our next Chat and Chew on December 11 at 0800 in room 115B at MC Perry Elementary. I look forward to meeting you!

With Perry Pride,

Kerry Weidler

Get your Flu Shot!

FLU SHOT REMINDER

The flu shot is a requirement for all students who are enrolled in DoDEA schools, are on our campus campus for services (speech, etc.) or for Specials in conjunction with home schooling.

The immunization clinic takes walk-ins and are open for immunizations M – F from 0800-1600 hours.

After your child receives the flu shot at the clinic, ask for documentation that your child has received the flu shot. You need to bring that documentation to the school nurse to maintain school enrollment.

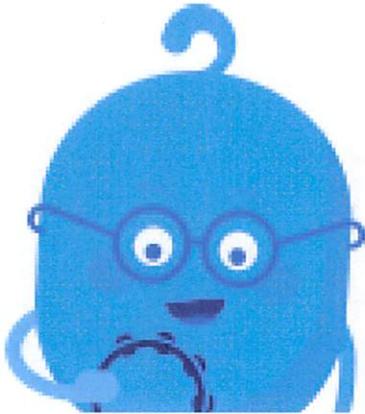

If you have any questions regarding the flu shot, please contact your child's school nurse:

MC Perry ES nurse: 253-5903
Iwakuni ES nurse 253-4532.

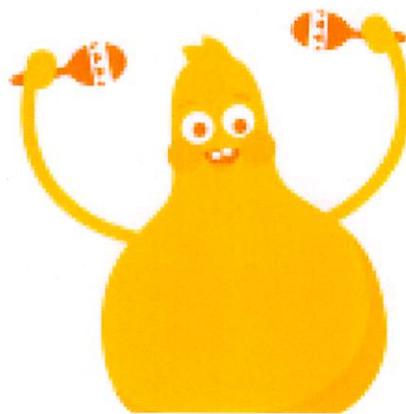

Iwakuni MS nurse: 253-6390
MC Perry HS nurse 253-6746

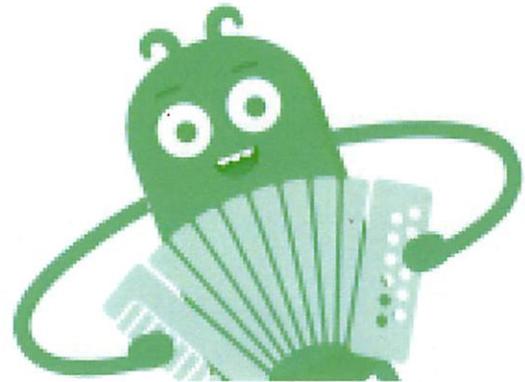

Our students will be introduced to the digital citizens.

Use your head to ask questions about what you see online!

Listen to your gut to stay safe online!

Use your arms you're online to balance your time!

Teaching Our Students How to Interact Responsibly and Safely with Technology

Digital tools and resources have the potential for countless positive benefits, especially in the area of education; they also have the potential to expose our children and students to harmful content and experiences. As digital tools increasingly become a common aspect of their daily lives, it is imperative that our communities, primarily parents and schools, partner to ensure our children and students know how to interact responsibly and safely with the technology they use.

For this reason, DoDEA Pacific East is launching the Digital Citizenship Initiative. During SY19-20, Pacific East schools will provide a minimum of two lessons, led by Educational Technologists and School Counselors, using age-appropriate curriculum developed by Common Sense Education that cover digital citizenship topics specifically identified for that school.

Speech/Language Pathologist

Ms. Ashton

Hello Perry ES! I am Ms. Ashton and along with Ms. Wagner, I will be providing speech and language services to students with IEPs. While this is my second year in the Iwakuni complex schools, I have a long history with DoDEA schools spanning 23 years. I started as a speech/language pathologist (SLP) at Bechtel ES in Okinawa from 1997-2002. I then transferred to Zama MHS for 2 years while also providing service to Arnn ES. After leaving Zama, I spent the next 14 years as an Instructional Systems Specialist for Special Education (ISS-SPED). The first four years were at the Japan District Superintendent's Office in Yokota. My next assignment was at DoDEA Headquarters in Virginia for a 1-year special project. The lure of Europe led me to Vicenza, Italy as the ISS-SPED for the Mediterranean District Superintendent's Office where I stayed for 9 years. Wow. That's a long time! And now, 10 years later, I am back in Japan where I provide speech/language services to students at MC Perry HS, Iwakuni MS and MC Perry ES. I am happy to be here and thrilled to be working with my students, their parents, and their classroom teachers. If you would like to contact me, email is the best way. I can be reached at debbie.ashton@dodea.edu or find me in room A204B from 0800-1030 every day except Thursday. Take care!
