Principal to Parents

Parents,

We received the following this week:

“Customer Comments:

Please consider having all staff from both schools Not park in front of the school in the limited Parking spaces so that parents might be able to park There if they drop off or pick up items or their Children so that there is less congestion and Fire and rescue has more access”

To address the above concern, we have met with the School Age Care Center (SACC) personnel to ask them not to take up the limited spaces in the front of Iwakuni Elementary School. We have also placed a work order to label the spaces with “Visitor Parking/20 Minutes”. The work order will take a while, but in the meantime we will continue monitoring to ensure that neither SACC personnel nor school personnel use those spaces.

On a different note; I would like to ask parents who visit for lunch to refrain from sitting in the student tables where all students sit for lunch. We have parents who expressed concerns regarding adult sitting with the students during lunch. We do have some tables designated as “Parent Tables”, please use those tables when having lunch with your child. We also have an “Allergy Free” table available to students who have food allergies. Please do not use that table, unless your child has a food allergy. And please, do not remove the signs from the tables.

For Kindergarten parents: we have run into a snag with the materials needed for the new pick up procedure, I will inform you if we have to delay the roll out of the new procedure by Wednesday of next week.

Thank you,

Arturo Rivera Jr.
