## Principal's Corner

Parents,

Ms. Reese, Assistant Principal, has departed for her new assignment in Cuba. Ms. Reese will be missed by everyone in our school. We wish her well in her new assignment.

Parent/Admin Forum - last Tuesday we held our second forum of the year. Few parents made it to the forum. Parent/Admin Forums are held every third Tuesday of the month.

Our next forum is scheduled for December 20, 2016 from 1600-1700 in the school's computer lab.

Join us to discuss school issues that affect students or simply to give suggestions on how we can make our school a better learning place.

We sent out a link for a survey asking parents to participate in giving us some feedback on how we are doing. We had a good number of participants who gave us feedback and suggestions on how to improve.

Many questions were asked regarding recess, lunch, and specials. I will address some of those questions in the following paragraph. Thank you to all who took time to complete the survey.

Parents asked:

Why can't my child have more recess/lunch time?

The school day is divided into blocks of time that allow teachers to meet the requirements of instruction set by DODEA. All teachers are required to meet the following daily requirements at a minimum:

English Language Arts - 120 minutes of instruction

Math - 60 to 90 minutes of instruction

Science - 45 minutes of instruction

Social Studies - 45 minutes of instruction

Health - 45 minutes of instruction at least twice per week

Specials - 45 minutes

This leaves us with approximately 45 to 50 minutes for lunch and recess for each grade level.

Students are encouraged to eat their lunch during cafeteria time, but unfortunately often time students focus more on socializing than eating.

**Get your Flu Shot!**

---

## **FLU SHOT REMINDER**

The flu shot is now a requirement for all students who attend DoDEA schools. This also includes children who come to the school campus for speech/language services or Specials in conjunction with home schooling.

**The deadline to turn in proof of flu shot immunization is COB Thursday December 1, 2016.**

If you have not provided written proof of your child(ren)'s flu shot immunization to the school nurse, please do so by December 1, 2016, to maintain school enrollment.

The immunization clinic will be **CLOSED** Thursday, November 24 and Friday, November 25, for the Thanksgiving holiday.

The clinic's normal hours are M, T, Th, and Fri. from 0730-1530. The immunization clinic closes every Wednesday at 1130 hours for trainings.

You do not need an appointment for the immunization clinic. It serves walk-ins.

*After your child receives the flu shot at the clinic, ask for a printout of your child's shot record showing the date of flu shot administration. You need to bring that copy to the school nurse by COB December 1, 2016, to maintain school enrollment.*

If you have any questions regarding the flu shot, please contact the school nurse directly at 253-5903.
