Parents,

It has been a good start of the school year. We thank you for your flexibility as we transition to our new school.

Our new Student Handbook is available through our website. Please visit and review the handbook. You can find it at <http://www.dodea.edu/MCPerryES/upload/Student-Hand-Book-SY17-18.pdf>

This coming Monday, September 11, 2017 our 1st and 2nd grade students will participate in a ceremony to commemorate the first responders of 911. The ceremony will take place in the high school field. Students will start walking from the school towards the field at around 0845. The ceremony will begin promptly at 0911. Please ask your child/children to wear our flag's colors: red, white, blue. Parents are invited to join us.

On Tuesday, September 12, 2017 we will have our Open House. The event will start at 1730 and will end at 1900. We ask all parents to meet in the school's cafeteria. Parents can access the cafeteria through the playground area where the students enter in the morning. We look forward to seeing you!

A few reminders:

## Nurse's Notes September, 2017

Welcome to a new school year in new schools! This issue of Nurse's Notes contains important information about MC Perry ES/Iwakuni ES and DoDEA health room policies and procedures.

This year, I will be split between the two elementary schools. My hours at MC Perry ES will be 0730-1050. My hours at Iwakuni ES will be 1100-1500, with a lunch break at 1220.

DoDEA has specific immunization requirements for continued enrollment in DoDEA schools. **Newly enrolled students have 30 calendar days from the date of registration** to complete required immunizations. **Currently enrolled students have 10 days to complete required immunizations.** If you receive a notice from me that your child's immunizations are incomplete, please have the immunizations completed and provide an updated shot record that shows the immunizations were completed. The due date to turn in updated immunizations is always listed at the bottom of the notice.

If your child has food/insect sting allergies and requires emergency medication for school use (EpiPen or oral medication) please provide a doctor-completed **FOOD ALLERGY ACTION PLAN** along with the properly labeled medication. If your child has a food allergy, the doctor will also need to complete a **Nutritional Plan for Children with Special Needs** and that form must be returned to me.

If your child has asthma and requires an inhaler at school, please have the doctor complete an **Asthma Action Plan** and return it to me along with the properly labeled medication. All forms are available from the school nurse.

**No medications may be given at school without a written doctor's order and all medications must be labeled by a pharmacy to match the doctor's order.** This includes OTC medications (over the counter) such as cough drops, pain medication, essential oils, Tums, etc.

If your child's health status changes, please notify me so your child's health history can be updated.

In order that we can reach you in an emergency, please keep your contact numbers current.

DoDEA has specific policies related to illness. If your child has a temperature of 100 degrees or higher during the school day, he/she may not remain in school. Also, our child may not return to school until he/she is fever free for 24 hours without the use of fever-reducing medications. Likewise, if your child has vomiting or diarrhea, he/she may not remain in school and must be symptom free for 24 hours without the use of medications.

If you have any questions, I can be reached as follows: MC Perry ES 253-5903 M-F 0730-1050  
Iwakuni ES 253-4532 M-F 1100-1500

# Gifted Education News Corner M. C. Perry Elementary School S. Eason/Gifted Resource Teacher

Volume 1, Issue 1

September 8, 2017

*Welcome to Gifted education at M. C. Perry Elementary School.* My name is Sharon Eason and I am the Gifted facilitator at Perry Elementary. I have been teaching for 20 years as a Kindergarten teacher, 1st grade teacher, 3rd grade teacher, ESL teacher, Lead teacher for Science/STEM and History, Teacher trainer, and about 2 years as a Gifted Education teacher. Most of my teaching career was split between Norfolk Public Schools and M. C. Perry Elementary School, DoDEA.

The goal of the gifted program for grades K-2nd is to provide appropriate academic challenges for each student. The academically gifted students need the opportunity to meet, learn and work together. The program is meant to be a challenge. Students are often reminded that the expectations for work quality may extend beyond those they encounter in their regular classroom setting, but is very much rewarding.

This is the first monthly edition of "Gifted Education News Corner". The newsletter will highlight and review important gifted information. The purpose of this newsletter is to keep you informed about any gifted news that needs to be shared. **"GREAT LEARNING OPPORTUNITIES ARE ON THE PLANNING BOARD FOR THIS SCHOOL YEAR. KEEP AN EYE OUT FOR THEM IN THE UP COMING EDITIONS."**

If you have any questions, please do not hesitate to give me a call or send an email. The contact information is 253-5829 or sharon.eason@pac.dodea.edu. If you call, please call between 7:30-8:00, 2:30-3:00 so not to interfere with lessons. You may also phone the office and leave a message.

## Gifted Program Mission

The mission of M. C. Perry Elementary School Gifted Program is to expose students to differentiated instruction that is rigorous, meaningful and engaging, while providing learning opportunities that are comparable to their abilities. The gifted education program aim is to deliver instructions that cultivate student's imagination, lead and inspire them to become world-class leaders, innovative thinkers, and problem solvers. **All activities, lessons and programs are designed using DoDEA's Gifted Education Guidelines.**

### Traits that Distinguish Academic Levels Based on Research

Gifted students reveal themselves in many different ways and in a variety of settings. Their uniqueness is often observed through rich and telltale signs. Like all children, their diverse cultural, ethnic, economic, and environmental backgrounds play a unique role in their developmental differences, which is expressed through their standout characteristics.

Certain traits appear to distinguish gifted children from those with average or bright abilities. General characteristics most often found in research studies on bright and gifted students are in the tables on the next page.
