## Iwakuni Principal's Corner

Greetings Iwakuni ES Family,

As we enter into our fifth week of school I wanted to give you some updates.

Due the issues within the testing company that scores the Terra Nova, we are unable to receive valid scores for dissemination at this time. We are uncertain as to when we will receive the scores and we will keep you informed of the situation.

There are two Professional Days scheduled in October. Students will be out on Thursday, October 5 and Thursday, October 16.

Picture day for Iwakuni ES is on Friday, October 13, 2017.

The Ribbon Cutting Ceremony for MC Perry ES and Iwakuni ES is scheduled to take place on Monday, October 2, 2017.

Please remind your students that arrival to school is at 7:35 a.m. Iwakuni Elementary School teachers' duty day is from 7:35 a.m. until 3:05 p.m. daily. When students arrive before 7:35 a.m. there is no supervision of the students and this becomes a safety issue.

Thank you for your continued support of Iwakuni ES.

Respectfully,

Dwayne Jefferson  
Principal, Iwakuni ES  
Phone: 011-81-827-79-3164/3168

## Nurse's Notes September, 2017

Welcome to a new school year in new schools! This issue of Nurse's Notes contains important information about MC Perry ES/Iwakuni ES and DoDEA health room policies and procedures.

This year, I will be split between the two elementary schools. My hours at MC Perry ES will be 0730-1050. My hours at Iwakuni ES will be 1100-1500.

DoDEA has specific immunization requirements for continued enrollment in DoDEA schools. *Newly enrolled students have 30 calendar days from the date of registration to complete required immunizations. Currently enrolled students have 10 days to complete required immunizations.* If you receive a notice from me that your child's immunizations are incomplete, please have the immunizations completed and provide an updated shot record that shows the immunizations were completed. The due date to turn in updated immunizations is always listed at the bottom of the notice.

If your child has food/insect sting allergies and requires emergency medication for school use (EpiPen or oral medication) please provide a doctor-completed **FOOD ALLERGY ACTION PLAN** along with the properly labeled medication. If your child has a food allergy, the doctor will also need to complete a **Nutritional Plan for Children with Special Needs** and that form must be returned to me.

If your child has asthma and requires an inhaler at school, please have the doctor complete an **Asthma Action Plan** and return it to me along with the properly labeled medication. All forms are available from the school nurse.

**No medications may be given at school without a written doctor's order and all medications must be labeled by a pharmacy to match the doctor's order. This includes OTC medications (over the counter) such as cough drops, pain medication, essential oils, Tums, etc.**

If your child's health status changes, please notify me so your child's health history can be updated.

In order that we can reach you in an emergency, please keep your contact numbers current.

DoDEA has specific policies related to illness. If your child has a temperature of 100 degrees or higher during the school day, he/she may not remain in school. Also, our child may not return to school until he/she is fever free for 24 hours without the use of fever-reducing medications. Likewise, if your child has vomiting or diarrhea, he/she may not remain in school and must be symptom free for 24 hours without the use of medications.

If you have any questions, I can be reached as follows: MC Perry ES 253-5903 M-F 0730-1050  
Iwakuni ES 253-4532 M-F 1100-1500

I look forward to a wonderful school year with your children!

**Label!** **LABEL!** **Label!** **LABEL!** **Label!**

Parents,

Each year we end up with large boxes of coats, jackets, scarves, gloves, and sweaters that were lost but never found. Children take off outer wear when playing outside and/or eating lunch. They also walk to Specials each day (Art, PE, Music, Host Nation, Library, FLES), and often forget to take their jackets and things back to class with them. PLEASE **label** your child/children's winter wear. This will ensure that everything is returned to him/her, if accidentally left behind.

Also, if your child is missing clothing items, lunch boxes, accessories (bows, clips, glasses, etc.), check our Lost and Found box.

Thanks!

## School Advisory Committee

Dear Parents, Sponsors, Community Stakeholders, and anyone interested in the success of our students at MC Perry Elementary School,

We are looking forward to another Samurai-Strong school year, focused on achieving academic excellence and building lifelong learners.

We want to partner our efforts with our you/our community, to ensure open and ongoing communication yearlong, for making improvements when and where needed. Please consider being part of our School Advisory Committee (SAC) this year. Once each quarter, teachers, parents, students and administrators will meet to discuss and brainstorm solutions for a myriad of concerns, challenges, and successes in our school.

The School Advisory Committee (SAC) operates with two locally elected parents to represent parents, and two full-time educators, to represent teachers: all of whom serve as voting members. The primary purpose of SAC is to provide advice and assistance on specific school-related issues. We invite sponsors, parents, guardians, teachers, and students to bring about positive educational changes and improvements by drawing upon the assistance of the SAC members. Parents are welcome to attend the meetings.

Please find a nomination form within the newsletter. Nominate yourself or another member of the community who is eager to be a part of decision-making and success-building at our school.

Thank you. For more information, call 253-3327.

**Are you a Problem Solver?**

**Do you love Math Games?**

Then be sure to participate in MC Perry's

# Picture Day Information

It's time again for our annual school photos. You are invited to take this opportunity to order school photographs for Christmas or friends. We have contracted with *Campus Photography International* to provide this service to our school. **All** students will be photographed regardless of purchase.

To order portraits of your children, go to [www.cpiphoto.net](http://www.cpiphoto.net) or use the order form that will be sent home two or three days prior to our picture day(s).

- Make your package selection in advance.
- Order online or return the envelope and payment with your child **to the camera**. (**Do not return an order envelope to school if you order online.**)
- Your child, order envelope, and payment must arrive together at the camera if not ordering online.
- Please use *one envelope per student*, **NOT** one envelope for multiple children.
- Please make checks payable to *CAMPUS PHOTOGRAPHY*, **NOT** the school.
- Post-dated checks up to two weeks are accepted.
- Only pre-paid orders are produced and returned to school. Proofs are not provided on this program.
- Classroom composites (Elementary Grades only) may be added to your package by selecting add-on K.

Your advantages with the pre-pay program are; you receive the actual package, not just a small proof. Your satisfaction is guaranteed or you will receive a 100% refund. This program allows a faster return of the finished package.

Additional items such as the new Social Media Image (delivered via email), photo magnets, key chain photo fobs and 5x7 portraits can be added to any package. Be sure to look online for additional options.

A telephone number and email address for **any** questions will be on the flyer/order form. Please use either of these for any questions you may have regarding the school portrait program.
