## Mobile App Login - Android and iOS

The Schoology Mobile App can be used to keep up to date with your courses and groups. The app is available for Android and iOS. If you are logging into your student.dodea.edu account, follow the directions below. If you are logging in with your official (EU, PAC, AM, HQ) account, you will use the email login button and input your Schoology login and password.

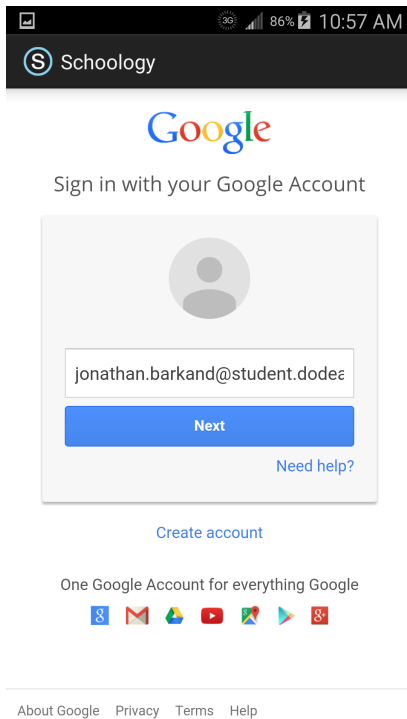

### 1. Select **Username Login**.

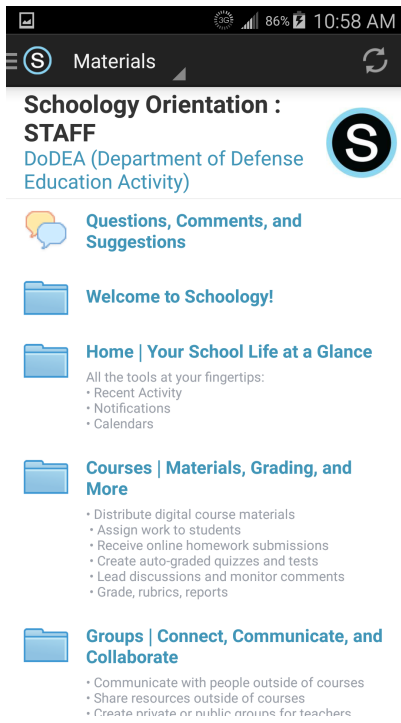

### 2. Enter **Department of Defense** for the school, and wait a second for the search to find it. Select **DoDEA**.

### 3. After selecting DoDEA, you will automatically be sent to the Google login. Sign in with your student.dodea.edu account information.

4. The app will take you to your courses and groups. It will also send you notifications as long as you are logged in.
