

Dear Parents,

August 13, 2015

In the classroom we are finishing up with the color wheel (how it is constructed and how to use it). Next week most of the children will start on "monochromatic art"- Art that is black and white and one color.

The first contest is from the Humane Society. They want a child to design a holiday card for them. I will send more news as it gets closer. We will do the actual design in class. They are the only contest that charges a small fee to enter the art. (\$2.00)

**ART CLUB:**

Afternoon session is over full and closed (31 students). There is a few spots left in the morning session.

(asterisk means I checked it with the permission slip and the signup sheet.)
