

Dear Parents,

March 29, 2016

Lots of news from the Art Room!!! We have 14 students whose art was selected to appear at the Montgomery Museum of Fine Arts. As you know, we have been working on a Folk Art Unit in Art. I submitted nearly 50 pieces and 15 pieces were selected (1 student has two chosen).

Here is a list of the Museum show winners:

Sally Boatright	Hunter Reed
Milliah Eubanks	Rowan Mendoza
S. Michael Ferguson	Alayna Potter
Joselyn Foggie	Matthew Pritchard
Piper Garrett	Emily Restad
Paige Garrett	Mackenzie Stone
Olivia Wong	Danielle Vigil

The reception is Thursday, April 14 from 6-7pm. This is more winners than we ever have had at one contest! I am so proud of our students!

Also, winner of the Penguin coloring contest (grades K-5) is Kindergarten!!!! I will split the prizes between the two classes. This was sponsored by the commissary. Congratulations to our Kinders!

Very important: I will be submitting entries our students have completed to the Humane Society's "Be kind to animals week" art contest. The Humane Society is the only company who asks form a donation to enter the contest. They use the funds to help the animals. Please put \$2.00 (or more) in an envelope. On the envelope put: child's name, teacher's name (home room) and "Humane Society". Please send envelopes to Art room. I will attach it to their art work and start the collection going to the contest. We have won Grand Prize twice in the last 5 or 6 years. Many students do great work, but don't get their art work submitted because there is no envelope!

Night of the Arts: April 28, 2016! Mark your calendars.

Collecting fiber fill, shoe boxes, fabric, ribbons for the Japan Unit coming up.

Thank you so much! Mona Dunson, Art
