

## Educational Advisory Committees of NSA Naples - School Year 2019-2020

The School Advisory Committee (SAC) is your link to DoDEA administration and serves as a platform for your voice to be heard. The SAC is composed of parent and teacher representatives, with the objective to make recommendations and advise the school administration on various topics, to include:

- School policies toward students and parents, student activities, and administrative procedures affecting students.
- Instructional programs and educational resources within the school.
- Allocation of resources within the school to achieve educational goals.
- Pupil services (health, special education, testing, evaluation, counseling, and extracurricular activities).
- Student standards of conduct and discipline.
- Recommend solutions to school problems.

The Installation Advisory Committee (IAC) advises the installation commander regarding support provided by the Military Services to dependents' schools. The IAC also hears concerns from the Naples Schools Complex.

- Quality, availability, maintenance, safety, security, and comfort of the physical school environment.
- Transportation of students.
- School meal programs.
- Medical services.
- Administrative and logistical support services provided by the installation commander.
