Dear Naples Middle High School Community,

Welcome to Naples Middle High School (NMHS)! It is our pleasure to welcome you to NMHS and to provide you with a copy of our 2019-2020 Parent and Student Handbook. Our school is singularly focused on highest achievement for every student, and our teachers have been hard at work preparing for the upcoming school year with this in mind.

Our vision is simple, and it is directly aligned with the mission of DoDEA, “Educate, Engage, Empower each student to succeed in a dynamic world.” This means that we all have high expectations that all students in our school can learn and achieve academic success. The basic principle guiding all of our decisions and actions must be our belief that all students can and will learn. Our core instructional belief is in the delivery of differentiated small group and guided instruction. Research shows that instruction incorporating a variety of instructional strategies, multiple entry points for student learners, and differentiated to meet their individual learning styles promotes highest student achievement. We are committed to providing quality instruction through the use of small groups and varied learning activities in all academic subjects at NMHS.

Please know that our school is fully staffed with resource personnel to assist students and parents with any of the challenges related to deployments, life overseas, and separation from extended family. The school has a School Psychologist, two School Counselors, and houses three Military & Family Life Counselors (MFLC) as well. Our team is trained to look out for students in need of support and will proactively reach out whenever they feel that they can help. Parents are also encouraged to contact the school if they would like to talk with someone about these challenges. We are here to help!

NMHS has a rich tradition of excellence in the three A’s - Academics, Arts, and Activities, with a wealth of programs in these areas throughout the school year for students. Our teachers are committed to providing a top quality educational experience for all of our students. As part of DoDEA’s commitment to highest student achievement, all NMHS teachers will participate in weekly job-embedded professional development and collaboration with their peers within the school and across our district. Teachers, administrators, and district level instructional specialists will work together to analyze and improve classroom practice, engaging in an ongoing cycle of questions that promote deep team learning.
We would like to introduce the newest members to our NMHS staff:

- Mr. Charles Ermer - General Science and Social Studies
- Ms. Kelly York - Biology and Chemistry

Two-way communication is what makes for a great school, so please do not hesitate to contact us with any questions, comments, or concerns about our school. Our email addresses are fredo.ontiveros@dodea.edu and damell.dean@dodea.edu.

**Interstate Compact on Educational Opportunity for Military Children**

The Department of Defense (DoD), in collaboration with the National Center for Interstate Compacts and the Council of State Governments, has developed an interstate compact that addresses the educational transition issues of children of military families. Currently, all 50 states and the District of Columbia participate in this interstate compact, which provides a uniform policy platform for resolving the challenges experienced by military children.

It is estimated that the average military family moves three times more often than the average non-military family. These frequent moves can cause children to miss out on extracurricular activities and face challenges in meeting graduation requirements. In accordance with Enclosure 4 of DoD Instruction 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2017, the Compact will ensure that the children of military families are afforded the same opportunities for educational success as other children and are not penalized or delayed in achieving their educational goals by inflexible administrative and bureaucratic practices. States participating in the Compact work to coordinate graduation requirements, transfer of records, course placement, and other administrative policies.
School Meal Program

School Lunch Prices Increase SY 19-20

The school meal program offers meals in accordance with the USDA nutrition standards. Student meals will increase this upcoming school year. Elementary lunch meals are priced at $3.25 and Middle/High meals are priced at $3.50. Pre-payments to your child's meal account can be made at www.mypaymentsplus.com with credit cards, debit cards, or e-checks. This online portal allows you to make payments 24/7 from the comfort of your own home or from your smart phone. My Payments Plus also provides payments confirmations, low balance alerts, and transaction history of student purchases. Pre-payments can also be made at the NEX Customer Service Desk in the NEX mall. For questions, please contact the NEX at Comm. 081-813-5372.

Apply for Free and Reduced Meals

There is a free and reduced price meal program for families in need of financial assistance. To qualify, complete an application and return to your local School Liaison Officer at the Fleet and Family Support Center (FFSC). Applications can be found at Naples Community Schools, FFSC, and at https://www.mynavyexchange.com/StudentMealProgram-FARM. Be sure to complete the entire application as incomplete applications are unable to be approved. Any previously approved applicants are required to reapply each school year. All accounts will be deleted within 30 days of the new school year. Applications do not transfer from other schools, any new student to Naples must reapply. For more information, contact NaplesSLO@eu.navy.mil or call DSN 629-6549 or Comm. 081-811-6549.

Access to School Facilities

If the principal permits a school to operate a limited open forum by maintaining a practice of allowing any single non-curriculum related student group access to school facilities, the principal shall ensure that all non-curriculum related student groups (including activities of religious nature) are permitted equal access to meet on school premises and use school facilities during non-instructional time. Access to groups may be denied if the principal determines that a student or student group has or is likely to substantially interfere with good order or discipline or violate any federal, state, or local law, or DOD or DoDEA regulation or policy.

Visitors and Volunteers

For safety reasons, all visitors and volunteers must report to the school front office immediately upon entering the school. A visitor/volunteer is someone who is not a school
employee or student and enters the school during operating hours. The school administration has
the final determination on visitors/volunteers authorized to be at the school. When visiting,
volunteers/visitors may go only to the approved area indicated as their destination when signing
in at the front office. All visitors will receive an appropriate visitor’s badge, which is to be
displayed conspicuously at all times while on school grounds. Any change to the designated
location must be approved by the school’s front office before visiting a different location within
the school. Upon finishing their visit, visitors must check out at the front office, return the
visitor’s badge, and exit the school. Parents are welcome to visit the school and classrooms to
observe the school’s programs for brief periods of time that do not interfere with instruction.

**Study Trips**

Study trips are an important aspect of the school program. The school provides transportation,
but students are responsible for admission fees and lunch expenses. All study trips are
chaperoned with at least one adult for every ten students. Parents must give written permission
for students to participate in study trips on and off post.

**School Sponsored Nights**

Please check the school calendar for all scheduled school activities at
https://www.dodea.edu/NaplesMHS/schoolCalendar.cfm. Keep in mind that based on the school
needs, all scheduled events are subject to change.
Please monitor accordingly.

**Emergencies and Fire Drills Procedures**

Continuous ringing of the fire alarm signals a fire drill. During other emergencies, like lock-
down, earthquake, or bomb threat, teachers will be notified on the public address system.
Students must follow the directions of teachers and other adults. When the fire bell is heard,
students under the direction of the teacher are to proceed in an orderly manner, without
unnecessary noise, to the designated area. All students must wait quietly in their designated area
until they are released to go back to class. If the fire alarm sounds between classes, students are
to proceed outside and join their last period class/teacher. If the alarm sounds when students are
in the restroom or hall, students are to join the class from where they came. If the fire alarm
sounds during seminar, students are to exit the building and report/stay with the teacher
supervising them. If the fire alarm sounds while students are in the information center then they
line up with the Information Specialist. They will return to class upon the direction of the
teacher. It is each student's responsibility to know the direction of exit for each room in which he or she has a class. Appropriate instructions are posted in all locations. Drills are held weekly during the first month of the school year, monthly thereafter.

**Surveillance**

*DoDEA AI 5205.02, Volume 1, DODEA FORCE PROTECTION PROGRAM: ANTITERRORISM, February 11, 2019*

3.2.c. (2) (FOUO). DoDEA does not have an organic capability for surveillance detection or counter surveillance as identified in Volume 1 of DoD Instruction O-2000.16 and DoD Instruction 2000.26. DoDEA relies upon the installation commanders to provide this function. As such, it is not practical to integrate counter-surveillance, surveillance detection, or counterintelligence (CI) in accordance with DoD Instruction 5240.26, and other intelligence capabilities at any DoDEA operating locations.

3.15.c. DoDEA Bus Security Attendants Program. Bus Security Attendants are specially-selected, task trained adults who are assigned to ride on designated buses that transport DoDEA students on daily commutes (home-to-school and return runs). **Bus Security Attendants perform four (4) tasks:** pre-run bus security inspections, **en-route surveillance detection**, pre-attack recognition, and en-route security emergency response and management.

*DoDEA PROCEDURAL GUIDE 5760.01-01 SERIOUS INCIDENT REPORTING PROCEDURES, August 24, 2016, Section 4: Serious Incident Report Matrix, Table 6. Security Incidents, Force Protection Issues: Requires reporting of Force Protection Issues such as suspected surveillance which constitutes a threat or potential threat to students, staff or operations – if in doubt – report it! See table below*
School Advisory Committees (DoDEA-Europe & DoDEA-Pacific) and School Boards (DoDEA-Americas)

DoDEA school administrators, in partnership with sponsors/family members, students and military leaders, promote communication through the establishment of advisory committees to address issues (school initiatives, procedures and policies) at the local level. This is one way for parents to get involved in their child’s education. Consult your child’s school to learn more about school advisory committees (DoDEA-Europe and DoDEA-Pacific) or school boards (DoDEA-Americas).
Enrollment
Student Registration Process

Proof of Eligibility:  The sponsor does not need to be present at registration, as long as the parent or other adult registering the child has all the necessary paperwork in accordance with DoDEA Regulation 1342.13, “Eligibility Requirements for Education of Elementary and Secondary School-Age Dependents in Overseas Areas,” September 20, 2006, as amended, and DoD Instruction 1342.26, “Eligibility Requirements for Minor Dependents to Attend Department of Defense Domestic Dependent Elementary and Secondary Schools (DDESS),” March 4, 1997.

The following documents are necessary to complete the registration process:

- Proof of age
- Medical records, including information on medical conditions, medications, and all dates and types of immunizations
- Official documents to support eligibility (e.g., letter of employment, contract, PCS orders, etc.)
- Students enrolling in DoD domestic schools will also be asked to show proof of on-base residence

Contact the registrar at your child’s school for more information on enrollment or to update your child’s information.

Student Immunization Requirements

Students who enroll in DoDEA schools are required to meet specific immunization requirements (DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016). These requirements represent the minimum and do not necessarily reflect the optimal immunization
status for a student. Acceptable forms of official proof of immunization status may include, but are not limited to:

- Yellow international immunization records;
- State agency-generated immunization certificates;
- School-generated immunization certificates; and
- Physician, clinic, or hospital-generated immunization records.

It is the responsibility of the sponsor/parent/guardian to provide their child’s most current immunization record at the time of enrollment and when immunizations are updated. Parents of incoming students are allowed up to 30 days from the date of enrollment to obtain documentation of any missing required immunization(s). If the missing required immunization is a series, then the first dose of the series must be administered, and documentation must be provided to the school within the 30 days. Students who have immunization(s) due during the school year will have 10 calendar days from the due date to receive their vaccine(s) and to submit documentation to the school. The due date of a vaccine is on the date the student reaches the minimum recommended age for vaccine administration.

**STUDENTS IN NON-COMPLIANCE AFTER 10 DAYS MAY BE DISENROLLED, UNTIL PROOF OF COMPLIANCE OR APPROVED EXEMPTION IS PROVIDED.**

**Immunization Exemptions**

A waiver for immunization exemption may be granted for medical or religious reasons. Philosophical exemptions are not permitted. The DoD Component must provide guidance on the waiver process.

A statement from the child’s health care provider is required if an immunization cannot be administered because of a chronic medical condition wherein the vaccine is permanently contraindicated or because of natural immunity. The statement must document the reason why the child is exempt. This request for immunization exemption from specific vaccines due to vaccine contraindications or natural immunity must be completed and submitted to the school at the beginning of the child’s enrollment or when a vaccine is due. Request for exemption only needs to be completed one time for the duration of the child’s enrollment at the school.

If an immunization is not administered because of a parent’s religious beliefs, the parent must submit an exemption request in writing, stating that he or she objects to the vaccination based upon religious beliefs. The request must be completed and submitted to the school at the beginning of every school year. For students arriving after the school year has started, this request/written statement must be submitted at the initial enrollment and at the beginning of every school year.
During a documented outbreak of a vaccine-preventable disease (as determined by local DoD medical authorities), the child who is attending a DoDEA school program under an immunization waiver for that vaccine will be excluded from attending. This is for his or her protection and the safety of the other children and staff. The exclusion will remain in place until such time that the DoD Command determines that the outbreak is over and that it is safe for the child to return to school.

DoDEA immunization requirements can be found at: https://www.dodea.edu/StudentServices/Health/immunizationPgrm.cfm

DoDEA health forms can be found at: https://www.dodea.edu/StudentServices/Health/healthForms.cfm

Student Grade-Level Placement

Kindergarten and grade 1 placements are determined by minimum age requirements, in accordance with Enclosure 2 of DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010. An otherwise DoDEA-eligible student who will reach his or her fifth birthday on or before September 1 of the school year is eligible to be enrolled in kindergarten. In addition, an otherwise DoDEA-eligible student who will reach his or her sixth birthday on or before September 1 of the school year is eligible to enroll in grade 1. Placement in grades 2–8 is predicated upon completion of the preceding year. Students entering a DoDEA school (through grade 8) from a non-American or host nation school will be placed in the grade level corresponding to their ages, assuming yearly progression from grades 1–8.

Grade-level status (grades 9, 10, 11, and 12) will be determined by the number of course credit units earned by the student, in accordance with Section 2 of DoDEA Regulation 2000.3, “Student Grade Level Placement,” March 2, 2010. Students entering grade 9 must have successfully completed grade 8 and/or been previously enrolled in grade 9 and earned less than 6 credits. Students entering grade 10 must have successfully completed grade 9 and earned a minimum of 6 course credits. Students entering grade 11 must have successfully completed grade 10 and earned a minimum of 12 course credits. Students entering grade 12 must have successfully completed grade 11 and earned a minimum of 19 course credits.

In accordance with DoDI 1342.29, “Interstate Compact on Educational Opportunity for Military Children,” January 31, 2019, for students transitioning from a sending state LEA to a DoDEA school, at the time of transition and regardless of the age of the student, the DoDEA school shall enroll the transitioning student in the same grade level as the student’s grade level (i.e. in
kindergarten through grade 12) in the sending state’s LEA. For kindergarten, the student must have been enrolled and attended kindergarten class in order to assure continued attendance in kindergarten in DoDEA. Students who have satisfactorily completed the prerequisite grade level in the sending state’s LEA will be eligible for enrollment in the next higher grade level in the DoDEA school, regardless of the student’s age.

All DoDEA students, including students with disabilities, English language learners (ELLs), and students with accommodation plans, should be afforded the opportunity to participate in the standard DoDEA secondary curriculum, as appropriate, based upon their individual circumstances.

**Transcripts/Records Policy/Access to Student Records**

Student records and transcripts may be requested from several different sources, depending upon the student’s last date of attendance or graduation date. Please visit the DoDEA Student Records Center located at https://www.dodea.edu/students/transcripts.cfm for further instruction based on your situation or discuss with the counseling department at your child’s school.

**English for Speakers of Other Languages (ESOL)/Language Services**

**Policy Reference:**  DoDEA Regulation 2440.1, “English as a Second Language Programs,” March 16, 2007

An English Language Learner (ELL) is a student identified as one who is in the process of acquiring English as an additional language. In accordance with the policy stated in the DoDEA Regulation 2440.1, “English as a Second Language Programs,” March 16, 2007, DoDEA’s ESOL Program is an English language acquisition program focused on teaching language and content that is designed to teach ELLs social and academic skills, including cultural aspects, in order for the ELLs to succeed in an academic environment. The ESOL Program involves teaching listening, speaking, reading, writing, study skills, subject area content, and cultural orientation at appropriate developmental and English language proficiency levels, with little or no use of the native language. ESOL instruction is conducted in English and can be provided in a variety of settings and program configurations. The amount of instruction given will be differentiated according to the student’s age, grade level, academic needs and English language proficiency. ELLs may receive instruction both through the ESOL Program and in the main classroom setting.

**Accelerated Withdrawal**

The principal may authorize an accelerated withdrawal of a student who must withdraw from school 20 or less instructional days prior to the end of a semester in accordance with Enclosure 3, Section 9, of DoDEA Administrative Instruction 2000.1, “High School Graduation Requirements and Policy,” September 5, 2014. Accelerated withdrawal will only be considered if the parent/sponsor presents permanent change of station (PCS) orders. The parent or sponsor must present verification of the date required for the student to depart from the school (e.g., PCS orders). All of the conditions of an accelerated study program outlined by the student’s teachers must be met prior to withdrawal in order for grades to be assigned and credit to be granted. Students who withdraw prior to the 20-day limitation of the accelerated withdrawal policy will receive “withdrawal” grades rather than final grades.

*AP and/or IB courses may be used to meet DoDEA requirements.

In Bahrain only, an IB diploma is awarded upon completion of the established requirements for the IB diploma. Students unable to successfully meet requirements for receipt of the IB diploma must meet all requirements for the standard or honors diploma to receive a DoDEA diploma.

**Transferring Course Credits to a DoDEA School**

DoDEA will accept the official courses, grades, and earned credits of middle school (grades 7–8) and high school (grades 9–12) students who transfer to a DoDEA school from other DoDEA schools or who earn course credits in a non-DoD system (public or private), correspondence, online, and/or home-school program accredited by one of the six U.S. regional accrediting associations, one of the U.S. state education agencies, or by a public- or state-supported system of accreditation for public or private education programs in a foreign nation, in accordance with Enclosure 3, Section 10, of DoDEA Administrative Instruction 2000.1, “High School Graduation Requirements and Policy,” September 5, 2014. Please contact your child’s school for questions regarding course credit transfer process and approval.
Home-school Students

**Policy Reference:**  DoDEA Administrative Instruction 1375.01, “Home-School Students,” October 15, 2018

DoDEA recognizes that home schooling is a sponsor’s right and may be a legitimate alternative form of education for the sponsor’s dependent(s). Home-school students who are eligible to enroll in a DoDEA-Europe, DoDEA-Pacific, and DoDEA-Americas school are eligible to utilize DoDEA auxiliary services without being required to either enroll in or register for a minimum number of courses offered by the school. Eligible DoD home-school students using or receiving auxiliary services must meet the same eligibility and standards of conduct requirements applicable to students enrolled in the DoDEA school who use or receive the same auxiliary services. Any student, including eligible DoD dependent home-school students, who has not met the graduation requirements to earn a DoDEA diploma may not receive DoDEA commencement regalia, the DoDEA diploma, nor participate (walk) in a DoDEA commencement ceremony.

Report Card and Grading Information

**Grading and Grading System**

**Policy Reference:**  DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018

At the beginning of each course or grade level, every DoDEA teacher shall make available information regarding grading policy and course requirements to parents and students. This information will be provided to parents and students by the end of the first month of the school year or by the end of the first month of the semester in the case of a semester course.

If any student demonstrates unsatisfactory progress or achievement, teachers must notify parents with enough time to correct the deficiency. Notification must occur as soon as unsatisfactory achievement is evident, and not later than the midpoint of the nine-week grading period.

Timely and accurate reporting of student progress shall be accomplished for students in grades 4–12, using the approved DoDEA Electronic Gradebook (EGB) System. All assignments (e.g., quizzes, tests, examinations, homework, speeches, etc.) that are used to assess and report student progress shall be promptly evaluated and/or graded, posted in the EGB, and returned to the student. The normal period of evaluation and posting should be no longer than ten calendar days from the day the assignment is collected, with reasonable exceptions for large projects. At a minimum, one assignment or grade should be recorded per week in the EGB System. To create an account and access the EGB System, please visit the DoDEA Web site [https://dodea.gradespeed.net/gs/Default.aspx](https://dodea.gradespeed.net/gs/Default.aspx) for instructions.

A traditional letter grading system will be used for grades 4–12 report marks.

**Progress Reports/Report Cards**

**Policy Reference:** DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018

In accordance with the policies and procedures in DoDEA Regulation 1377.01, “Student Progress Reports,” September 4, 2018, it is DoDEA policy to issue a progress report every 9 weeks for any student present or enrolled for at least 20 instructional days or more in a marking period. Any written comments by teachers on progress reports should be stated objectively. The comments should be based on evidence about the student and should not represent opinions that cannot be supported by evidence.

Achievement codes will be given at the end of the second, third, and fourth marking period for students in grades K-1. Grades will be given at the end of each of the four marking periods for students in grades 2-12. Achievement codes or grades on report cards will be determined by the degree to which students are achieving established program objectives or standards. For students in grades K-12, unsatisfactory achievement of program objectives or standards will be reported to parents during each marking period as soon as evident, but no later than the midpoint of the nine-week grading period to allow sufficient time for a student to correct the problem.

**Parent-Teacher Conferences**

All DoDEA schools should encourage parents to meet with their child’s teacher for parent-teacher conferences. Parent-teacher conferences allow parents the opportunity to ask questions about their child’s classes or progress in school. Parent-teacher conferences are also a great way to discuss how parents and teachers can work together to help students perform at their best in school. If you are going to a meeting that was scheduled by the teacher or school, ask beforehand how much time you will have. If you will need more time or want to meet with the teacher again, let the teacher know at the end of the meeting. Please consult your child’s school for details regarding scheduling. DoDEA encourages all communication to take place through official school email accounts.
Attendance

Student Attendance

Policy Reference:  DoDEA Regulation 2095.01, “School Attendance,” August 26, 2011, as amended

In accordance with the policy stated in DoDEA Regulation 2095.01, “School Attendance,” August 26, 2011, as amended, school attendance is mandatory. All students are required to attend school for 180 instructional days per school year to ensure continuity of instruction and that they successfully meet academic standards and demonstrate continuous educational progress. School attendance is a joint responsibility between the parent or sponsor, student, classroom teacher, school personnel and, in some cases, the Command. Students with excessive school absences (or tardiness) shall be monitored by the Student Support Team to assist in the completion of all required work and successful mastery of course objectives.

Daily student attendance is identified based upon a quarter of the school day formula. Students will be identified as present or absent, based on the following criteria:

1. Absent up to 25% of the school day = absent one-quarter of the school day
2. Absent between 26%–50% of the school day = absent one-half of the school day
3. Absent 51%–75% of the school day = absent three-quarters of the school day
4. Absent 76%–100% of the school day = absent full day

DoDEA considers the following conditions to constitute reasonable cause for absence from school for reasons other than school-related activities:

1. Personal illness
2. Medical, dental, or mental health appointment
3. Serious illness in the student’s immediate family
4. A death in the student’s immediate family or of a relative
5. Religious holiday
6. Emergency conditions such as fire, flood, or storm
7. Unique family circumstances warranting absence and coordinated with school administration
8. College visits that cannot be scheduled on non-school days
9. Pandemic event

Unexcused absences may result in school disciplinary actions. An absence from school or a class without written verification from a parent or sponsor will be unexcused. Student attendance is calculated based upon the date of enrollment in a DoDEA school, which may occur anytime during the school year. Student attendance monitoring is designed to provide a continuum of intervention and services to support families and children in keeping children in school and combating truancy and educational neglect. Parents should notify the school of their child’s absence by at least 30 minutes after the start of the school day for which the student is absent. Too many unexcused absences may trigger the Student Support Team to convene.
Assessments

System-wide Assessment Program

Policy Reference: DoDEA Regulation 1301.01, “Comprehensive Assessment System,” October 4, 2018

All DoDEA students in grades or programs identified for system-wide assessments shall be included in the DoDEA Comprehensive Assessment System in accordance with DoDEA Regulation 1301.01, “Comprehensive Assessment System,” October 4, 2018. Students who have been identified as having disabilities or are ELLs shall participate using either the standard DoDEA assessments, with or without reasonable and appropriate accommodations, or through the use of the appropriate DoDEA alternate assessment, as per their Individual Education Plan (IEP), 504 Accommodation Plan, or English Learner Plan.

All assessments selected for use within DoDEA shall:

1. Align to clearly defined standards and objectives within the content domain being tested,
2. Valid and reliable and controlled for bias, and
3. Be one of several criteria used for making major decisions about student performance/achievement.

The results of each assessment shall be used as one component of the DoDEA Assessment System for major decisions concerning the student’s future learning activities within the classroom setting.

Special Education

Special Education Services

Policy Reference: Department of Defense Instruction 1342.12, “Provision of Early Intervention and Special Education Services to Eligible DoD Dependents,” June 17, 2015

Special education is specially designed instruction, support, and services provided to students with an identified disability requiring an individually designed instructional program to meet their unique learning needs. The purpose of special education is to enable students to successfully develop to their fullest potential by providing a free appropriate public education in compliance with the Individuals with Disabilities Education Act (IDEA) as implemented by DoD Manual 1342.12, "Implementation of Early Intervention and Special Education Services to Eligible DoD Dependents" (DoDM 1342.12).

In DoDEA, special education and related services are available to eligible students, ages 3 through 21 years of age. To be eligible for special education:
• The child must have an identified disability;
• The disability must adversely (negatively) affect the child's educational performance; and
• The child must require a specially designed instructional program.

If found eligible for special education and related services, DoDEA students are provided a free and appropriate public education (FAPE) in accordance with an individualized educational program (IEP), with services delivered in the least restrictive environment and with procedural safeguards in accordance with the requirements of DoDM 1342.12.

Please contact your child’s school to discuss your concerns if you suspect your child may have a disability and be in need of special education services. The Case Study Committee (CSC) chairperson will provide you with specific details relating to the evaluation process and can explain eligibility requirements further.

Disability Accommodations and Nondiscrimination

Policy Reference: DoDEA Administrative Instruction 2500.14, “Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities,” April 29, 2009, as amended

Policy Reference: DoDEA Administrative Instruction 1443.01, Volume 1, Executive Order 13160 Administration: Compliance Requirements and Appeals, February 22, 2019

Apart from special education, a student with a disability, or who has a record of a disability, or is regarded as having a disability, shall not be excluded from participating in, or be denied the benefits of, any DoDEA education program or activity or be subjected to discrimination based solely on a disability. In accordance DoDEA Administrative Instruction 2500.14, “Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities,” April 29, 2009, as amended, students with disabilities shall be provided a free and appropriate education and shall participate with students without disabilities to the maximum extent appropriate to ensure equal access to educational opportunities. This means that a student with a disability that does not require specialized instruction may be eligible for accommodations to ensure participation in school programs and activities. Please contact your child’s school for specific details.

Reporting Abuse, Neglect, Suicide Risk and Threats

Family Advocacy Program

(DoDEA Regulation 2050.9, “Family Advocacy Program Process and Procedures for Reporting Incidents of Suspected Child Abuse and Neglect,” January 27, 1998)
The Family Advocacy Program (FAP), which is an installation program, is designed to address prevention, identification, evaluation, treatment, rehabilitation, follow-up, and reporting of family violence. FAPs consist of coordinated efforts designed to prevent and intervene in cases of family distress and to promote healthy life. In accordance with DoDEA policy in the DoDEA Regulation 2050.9, “Family Advocacy Program Process and Procedures for Reporting Incidents of Suspected Child Abuse and Neglect,” January 27, 1998, DoDEA school personnel will participate in the identification of child abuse and the protection of children by promptly reporting all suspected or alleged child abuse to the local FAP officer and to the reporting employee’s immediate supervisor.

**Non-Custodial Parent Rights**

Parents and/or guardians must supply the school with a copy of any type of court order that may affect the student (e.g., who is allowed to visit the child, who has legal custody, etc.). These orders will be maintained in the student’s cumulative file. If any changes take place during the school year with the court order, the school must be notified immediately. Teachers will be notified of any restrictions that affect students in their classes.

**Child Abuse and Neglect**

**Policy Reference:** [DoDEA Administrative Instruction 1356.01, “Family Advocacy Program Process for Reporting Incidents of Suspected Child Abuse and Neglect,” November 5, 2018](https://www.militaryonesource.mil/education/41859215121314151675171879194221)

In accordance with the policy in DoDEA Administrative Instruction 1356.01, “Family Advocacy Program Process for Reporting Incidents of Suspected Child Abuse and Neglect,” November 5, 2018, all DoDEA personnel will participate in the identification and reporting of incidents of child abuse and neglect. School personnel shall report all suspected or alleged child abuse to the local FAP office, child welfare service agency (if available), and their immediate supervisor within 24 hours. All employees shall cooperate with the FAP process. The DoD FAP provides for the identification, treatment, and prevention of child abuse and neglect.

**Suicide Risk and Threats Towards Others**

In order to prevent violence, suicide, and other harmful acts among children and adults in schools, the need for reliable ways to identify persons who may require assistance is a critical step. All DoDEA employees must notify the DoDEA school administrator when a DoDEA student has made any statement or engaged in actions that may indicate threat of harm towards self or others.
Suicide Risk

Any indication of student suicidality must be immediately reported to the DoDEA school administrator. The DoDEA student who exhibits suicidal ideation or behavior, or who makes a statement or engages in actions that may indicate self-harm or suicidal thoughts, shall be immediately assessed to obtain specific information to determine the risk level. The results of that assessment are communicated to the DoDEA school administrator and documented. Regardless of the level of risk reported, in all cases, a DoDEA administrator or designated member of the Case Management Team must directly notify parents or legal guardians of the concern. For any additional assistance in this process, please contact the District school psychologist ISS.

If a parent or legal guardian disagrees with school recommendations for evaluation of a student’s dangerousness to self, or refuses to take parental or legal guardian responsibility for the safety of their child, the DoDEA School Administrator must inform the parent or legal guardian that DoDEA policy requires that school personnel protect the safety and health of the students. Parent or legal guardian refusal to address identified medical needs may necessitate a report to the local Family Advocacy Clinic and local Child Protective Services if neglect is suspected as outlined in DoDEA Administrative Instruction 1356.01, which is available at https://www.dodea.edu/Offices/PolicyAndLegislation/Administrative-Instructions.cfm.

Threats Towards Others

When a DoDEA student makes an explicit or implicit threat, or if the student’s behavior indicates that a threat is serious and reasonably likely to be acted upon, the DoDEA school administrator shall take action based on the level of the threat. Certain types of serious threats require immediate notification to local law enforcement entities without regard to the level of threat yielded. The DoDEA school administrator shall immediately report the following to the local law enforcement entity:

1. A threat that involves stalking of any person on a school bus, on school property, or at a school-sponsored activity.
2. Threats to bomb, burn, kill, or harm school personnel.
3. Threats of death or bodily injury to a person or members of his or her family or threats to commit serious bodily harm to persons on school property.

The DoDEA school administrator shall also immediately report any act that may constitute a criminal offense to the parents or legal guardians of minor students involved in the act and shall report that the incident has been reported to local law enforcement, as required by Federal, state, or local law. The DoDEA school administrator may report other threats to the local law enforcement entity, as necessary and appropriate. The DoDEA school administrator shall inform the parents or legal guardians that they may contact local law enforcement for further information, as necessary and appropriate.
System Programs and Services

School Counseling Services

DoDEA school counselors provide comprehensive counseling programs to all students in grades K–12 in accordance with DoDEA Regulation 2946.1, “School Counseling Services,” July 13, 2009, and DoDEA Manual 2946.2, “Department of Defense Education Activity School Counseling Services,” January 1, 2006. Counseling programs are designed to foster a foundation for lifelong learning by removing barriers to students’ academic success. Early identification and intervention of students’ academic and social/emotional needs is essential in removing barriers to learning and promoting academic growth. School counselors provide direct and indirect student services and curricular activities to increase the knowledge, skills, and attitudes required for students to achieve their potential academically, socially, emotionally and physically for life, college and career readiness.

Elementary school counseling programs are crucial in supporting students attitudes and personal views toward schools, self, peers, and social groups. In elementary grades, the school counseling programs support and provide education on prevention and intervention services, promoting positive academic skills, career awareness, and social-emotional development — skills students need to be competent and confident learners. Secondary school counseling programs are designed to meet the rapidly changing needs of students in grades 6–12, while preparing them for high school and beyond. College and career exploration and planning are emphasized at the secondary level. As middle school students learn to manage more independence and responsibilities, school counseling programs are designed to connect learning to practical application in life and work, support personal/social skills, and foster effective learning/study skills. High school counseling programs are designed to foster student preparation and readiness for successful college and career pathways after high school. All secondary students create and manage a four- to six-year plan with their counselor. The four- to six-year plan is managed in Choices360 and is designed to teach students how to create and attain their graduation, college, and career goals while taking into account their interests, aptitudes, and graduation requirements.

Please contact your school counselor for additional information regarding the school counseling program.

School Psychology Services

DoDEA school psychologists provide a range of services designed to support students’ learning, growth and development in accordance with DoDEA Regulation 2946.03, “School Psychological Services,” May 21, 2010. They are experts in student mental health, learning and behavior, and partner with various stakeholders throughout the school and community to support students’ academic and emotional needs. School psychology programs are designed to foster safe, healthy and supportive learning environments that strengthen connections between the school, home and community. School psychologists aim to improve academic achievement, support diverse learners, promote positive behaviors and safe school climates, and strengthen school-family partnerships. Core functions of school psychologists include mental health interventions, behavior management, crisis intervention and response, assessment, and consultation and collaboration.

Please contact your school psychologist for additional information regarding the DoDEA School Psychology Program.

**School Health Services**

**Policy Reference:** DoDEA Regulation 2942.01, “School Health Services,” September 2, 2016

DoDEA School Health Services aim to optimize learning by fostering student wellness. The school nurse serves as the health service expert, providing health care to students/staff and implementing interventions that addresses both actual and potential health and safety conditions. The school nurse collaborates with the school administrator to promote the health and academic success of students and serves as the liaison between, the school, community, and health care systems. This collaborative effort creates opportunities to build capacity for self-care, resilience, and learning.

The school nurse’s responsibilities include:

- Providing leadership in promoting personal and environmental health and safety by managing communicable diseases, monitoring immunizations, providing consultation and health-related education to students and staff to promote school health and academic success;
- Providing quality health care and intervening with actual and potential health problems through health screenings, health assessments and nursing interventions, and the development of healthcare and emergency care plans to enable students to safely and fully participate in school;
- Providing case management services to direct care for students with chronic health conditions, to ensure their safety, and to increase their access to the educational program; and
- Collaborating with school and community-based resources to reduce health-related barriers to student learning, improve access to healthcare, and develop school-community partnerships to support academic achievement and student success.
**Student Illness**

Do not send your child to school if he or she is ill. Staying home to get the proper rest, nutrition, and parental care is for your child’s benefit as well as for the benefit of the other children in the school who may be unnecessarily exposed to a contagious illness. The following are examples of when a student should remain home:

- A temperature greater than or equal to 100 degrees Fahrenheit. The student must be fever-free without the use of fever-reducing medication for 24 hours (a complete school day) before returning to school.
- Actively vomiting or has diarrhea.
- An illness which presents with contagious symptoms.
- Other symptoms interfering with learning or participation such as abdominal pain; ear ache; itchy, painful eyes; light-sensitivity; or profuse exudate from the eyes necessitating frequent wiping.
- Severe uncontrolled coughing or wheezing, rapid or difficult breathing, coughing lasting longer than five to seven days.
- Episodes of vomiting in the past 24 hours. A student must remain home until vomiting resolves (no further vomiting for 24 hours).
- Frequent loose or watery stools compared to the student’s normal pattern; not caused by diet or medication. A student must remain home if a) he/she looks or acts ill; b) he/she has diarrhea with temperature elevation of 100°F or greater; and c) he/she has diarrhea and vomiting.
- Blister-like lesions (impetigo, including streptococci, staphylococcus, and methicillin-resistant staphylococcus aureus infections) that develop into pustules with weeping and crusting. A student must be medically evaluated, remain home for at least 24 hours after initiation of medical treatment, and remain home until determined not infectious by a medical provider. Lesions must be covered for school attendance.
- Ringworm lesions must be covered for school attendance.
- Thick discharge from eye, necessitating frequent wiping and may be accompanied by pain, redness to the white part of the eye, and light sensitivity. Student must remain at home until symptoms clear or completion of 24 hours of medical provider-prescribed opthalmic treatment.
- Measles, mumps, rubella, (German measles), chicken pox, pertussis (whooping cough), and influenza. A student must remain home until determined not infectious by medical care provider.

If your child becomes ill during the school day, the school nurse will contact you to pick up your child. To return to school, your child must be without symptoms for 24 hours and fever-free without fever-reducing medications for at least 24 hours.

**Parent Notification**

As a general rule, the parent or sponsor will be notified by the school administrator or school nurse if your child has:
• Any illness or injury that causes concern or inability to participate in school activities
• Eye, ear, or teeth injuries
• Head injury
• Second- or third-degree burns
• Severe pain
• Sprains or possible fractures
• Temperature higher than 100°
• Vomiting or diarrhea
• Wounds that may require stitches

**Allergies and Chronic-Acute Conditions**

**Policy Reference:** DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003

**Policy Reference:** DoDEA Administrative Instruction 2500.14, “Nondiscrimination and 504 Accommodation on the Basis of Disability in DoDEA Conducted Education Programs and Activities,” April 29, 2009, as amended

Please inform the school nurse of any medical condition and health concerns your child may have to better serve and protect your child’s welfare in accordance with DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003.

Food allergies including peanut/nut allergies are a significant health concern within the school environment. Allergic reactions can range from mild symptoms to life threatening reactions. Ensuring a safe environment for all students and visitors is a primary focus for the administration and staff. In an attempt to raise awareness and limit an unnecessary exposure during school hours, we are implementing the following steps to address food allergies. These include:

• Notifying the school nurse of ANY allergy to food, drug, insects, etc., that your child may have;
• Providing the school nurse with medication/doctor’s orders/emergency care plan/parent permission form;
• Teaching children at home about their food allergies and the importance of not sharing any food with others in school or elsewhere; and
• Notifying the classroom teacher about your child’s allergens and checking with the classroom teacher prior to bringing in any food for classroom celebrations.

**Medication at School**

When medications must be administered during the school day, the medication must be delivered to the school nurse in the original container, properly labeled by the pharmacy or primary care manager/provider, stating the name of the student, the medication, dosage, route, time of
administration, and current date of issue. Contact the school nurse for the required Medication Consent Form. This form must be filled out and signed by the prescribing medical provider and signed by the sponsor/parent/guardian. The sponsor/parent/guardian needs to bring the signed form and the medication to the school nurse. If the school nurse is not present, the signed form and medication must be presented to the school principal, acting principal, or health aide for safekeeping. It is acceptable for parents to bring in self-purchased over-the-counter medication to be kept in the health office for their child’s use at school, but they must be accompanied by a physician’s prescription and signed parental consent form.

In some rare situations, students are allowed to keep their rescue or emergency medicine with them while in school or at school-related activities. The student’s prescribing primary care manager must provide a written statement that the student must be in control of his or her medication due to a life-threatening medical condition. The parent must provide written consent for the medication to stay with the student. See the school nurse to obtain appropriate form for medications to be administered during school hours or for a student to self-carry emergency medication.

Students may not share medications (including non-prescription medications) at school or at school-sponsored events.

First Aid and Emergency Care

School personnel will administer first aid as efficiently as possible to the dependent student when needed to treat minor injury or illness in accordance with the DoDEA Regulation 2720.1, “First Aid and Emergency Care,” September 8, 2003. In accordance with Section 6 of DoDEA Regulation 2720.1, should a student sustain a more serious illness or injury, the school nurse will make a judgment call based on nursing assessment to determine if the student needs emergency medical care requiring a response by an emergency medical team (EMT) and possible transportation for treatment at a health care facility. If a student needs emergency medical care requiring an ambulance, the school will make reasonable efforts to contact the sponsor/parent/guardian or emergency contact. In the absence of a parent, a school administrator or designee may accompany the student to the medical treatment facility.

The EMT, health care facility, or attending health care provider(s) may be non-U.S. or non-military facilities or providers, especially if the dependent student is located overseas. Treatment decisions will be made exclusively by the health care provider(s) if the nature of the dependent student’s injury or illness requires immediate health care, in accordance with their standard operating procedures regarding the delivery of emergency care for the dependent student.

It is very important for the school to have a current address, home phone number, mobile phone numbers, duty phone number, and the phone number of another adult to act as emergency contact in case parents cannot be contacted.
Contact your school nurse for additional information regarding the DoDEA School Health Services Program.

**Student Rights and Responsibilities**

**Discrimination-Free Education Programs and Activities**

**Policy Reference:** DoDEA Administrative Instruction 1443.01, Volume 1, “Executive Order 13160 Administration: Compliance Requirements and Appeals,” February 22, 2019

No DoDEA student shall be excluded from participation in, be denied the benefits of, be subjected to or be permitted to subject others to, discrimination in any DoDEA-conducted education and training programs and activities on the basis of their race, sex, color, national origin, disability, religion, age, sexual orientation, or status as a parent, commonly known as their protected class, in accordance with DoDEA Administrative Instruction 1443.01, Volume 1, “Executive Order 13160 Administration: Compliance Requirements and Appeals,” February 22, 2019.

Although DoDEA cannot guarantee every student a learning and activities environment free from annoyances, petty slights, or minor offenses, DoDEA is committed to creating and maintaining an environment free from unlawful discrimination and will not tolerate incidents of discriminatory unequal treatment, hostile environments (including those created by sexual assault and sexual harassment, discussed in greater detail below under “Student Conduct and Discipline”), or impermissible disparate impact based on a student’s protected class, or retaliation against anyone because they have made a complaint, testified, assisted, or participated in any manner in an investigation related to an allegation of discrimination.

**Student Rights and Responsibilities**

**Policy Reference:** DoDEA Administrative Instruction 2051.02, “Student Rights and Responsibilities,” April 17, 2012

Students are expected to actively participate in the educational process, including school-sponsored activities in and outside of the classroom, as deemed appropriate. Disciplinary actions include, but are not limited to, verbal reprimands, conferences, detention, time-out, alternative in-school placements, school service programs, community service and counseling programs. Other behavior management techniques will be considered prior to resorting to more formal disciplinary actions that remove a student from school for a suspension (short or long term). Long-term suspension or expulsion following a first offense may be considered when a student poses an immediate threat to his or her safety or the safety of others (e.g., offenses involving firearms or other weapons, fighting or violence, or the possession, use, or sale of drugs). Additional rules and procedures can be reviewed in DoDEA Regulation 2051.1.

- Sexually Offensive behavior
- Insubordination with disrespect and profanity
DoDEA does not allow any form of sexual harassment, sexual assault, problematic sexual behavior in children and youth (PSB-CY) and other related abusive misconduct of, or by, employees, students, or anyone participating in DoDEA-conducted/sponsored education, training programs, and activities, committed both on and off DoDEA premises.

All DoDEA students are responsible for not committing acts of sexual harassment, sexual assault, PSB-CY, and other related abusive misconduct in accordance with DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019 (DoDEA AI 1443.02, and for cooperating with any investigations and resolution of complaints made in accordance with this Issuance. Students who violate this policy are subject to discipline in accordance with DoDEA Regulation 2051.1, “Disciplinary Rules and Procedures,” March 23, 2012, as amended.

The right to be free from other related abusive misconduct includes physical and/or emotional misconduct that does not qualify as sexual assault or sexual harassment, but that is still intended to make a student feel pressured, uncomfortable, physically threatened, in pain, embarrassed, or offended. It also includes the right to be free from an adult, or another student, trying to exploit their position of authority or influence over a student to force or manipulate them into an inappropriate personal and/or sexual relationship, even if the student does not think it is harmful. DoDEA does not recognize sexual or romantic interactions between any student and a DoDEA employee or volunteer to ever be consensual, even if the student is of the lawful age of consent.

Students who are experiencing sexual assault, sexual harassment, PSB-CY, or other related abusive misconduct should report it in accordance with Sections 4 and 5 of DoDEA Administrative Instruction 1443.02, “Prohibited Sexual, Sex-Based, and Other Related Abusive Misconduct Reporting and Response,” February 21, 2019.

It is extremely important that a student not suffer in silence, or be allowed to be exploited or manipulated into an inappropriate relationship. If it is happening to them, personally, or to someone they know, a student should let an adult know about it right away. They may tell someone they feel comfortable with and trust, such as their parent, teacher, nurse, or coach, or go directly to the school principal or program director, at any time. When a DoDEA employee or volunteer becomes aware of a violation of this Issuance, they are required to report it to their school principal or program director, with the possible exception of certain disclosures made during confidential communications not otherwise subject to mandatory reporting requirements in accordance with Issuance.

Students may visit DoDEA’s “Sexual Harassment Awareness and Prevention” webpage to learn more at www.dodea.edu/sexualHarassment.

Student transportation is defined as the transportation of students from their assigned bus stop to school at the beginning of their school day, during the mid-day, and for return to their assigned bus stop at the end of the normal scheduled school day. DoDEA principals are responsible for monitoring student loading/unloading zones when students are coming and going from school.
sites as well as administering discipline. A school bus or any device operating to provide student transportation will function as an extension of the school. The walking distance for grades 6 and below should not exceed one mile from the student’s primary residence to the school or designated bus stop. Students in grades 7–12 may walk up to 1.5 miles from their primary residence to the school or designated bus stop. These distances may be slightly expanded or contracted to conform to natural boundaries such as housing areas or neighborhoods. In locations having middle schools, which include grade 6 (i.e., grades 6–8), the walking distance criteria shall be the same as the criteria for grades 7–12.

Transportation is not authorized to take students to their homes or to eating facilities for their mid-day meal. No other transportation between the assigned bus stop and the school will be charged to commuting transportation unless noted on a special education student’s IEP and/or required by Section 504 guidelines. “Curb-to-curb” only applies to students with disabilities who require such service as documented in the student’s IEP. DoDEA District Superintendents, in coordination with the District Logistics Chief and the supporting military installation commanders, will establish a commuting area to determine eligibility for transportation of dependent students.
