## Principal's Corner

Netzaberg families,

Happy November!

Thank you to all of you who attended your child's parent-teacher conferences. Effective communication between students, parents, and staff support one of our main goals which is to ensure student and parent connectivity to our school. Parents are vital partners in education. They influence their children's attitudes about learning, and support learning at home. They are a vital link between home and school. When parents become involved in the life of the school, they make our school a better place to learn, grow and thrive. Student achievement and success increase when parents are welcomed and respected as partners, and given the support they need to contribute at home and at school. With that being said, we encourage you to continue working closely with your child's classroom teacher and encourage you to get involved here at the school as much as you can. Together we can make GREAT things happen! The mission of DoDEA is to Educate, Engage, and Empower each student to succeed in a dynamic world. We invite you to become our partners in this important mission!

Our goal as new administrators to Netzaberg Elementary is to challenge your children intellectually, grow them socially, and guide them toward independent thinking and problem solving.

We plan to have our children actively participating in lessons and activities that support growth in the areas of reading, writing, math, science and social studies lessons. We will ensure that they receive meaningful instruction from specialists of Art, Music, PE, and German Culture/Language. We will ensure that our school counselors work with students to develop personal characteristics such as responsibility and integrity. These are just to name a few.

We appreciate our PTSA Members who are strong advocates and support every aspect of our learning community. We encourage all Netzaberg Elementary parents to become members of this amazing school/home partnership advocacy group if you feel inspired.

Have a wonderful few weeks ahead!

Sincerely,  
Hilary N. Simmons  
Assistant Principal

Are you overloaded in candy? Looking to find a new home for it? Our teachers would love it! We have candy jars in the office and in the teacher's lounge for the occasionally needed 'pick me up'. Chocolate is their favorite, but we would gladly take any unused candy off your hands. Feel free to drop it off in the office or send it in with your student.

Thank you in advance!

## School Advisory Committee (SAC)

**JOIN US: NOV 19th 3:00 - 4:00 pm**

### THE SAC NEEDS YOUR INPUT!

The School Advisory Committee is a team of community members who offer suggestions and recommendations to the school administration for improvement of educational programs and the general quality of education at the local school level

**The SAC addresses:** (a) School policies toward students and parents, student activities, and administrative procedures affecting student. (b) Instructional programs and educational resources within the school. (c) Allocation of resources within the school to achieve educational goals. (d) Pupil services (health, special education, testing, evaluation, counseling, and extracurricular activities). (e) Student standards of conduct and discipline.

**The SAC does not address:** personnel policies or practices, compensation of school staff, grievances of school employees for which another forum exists, or internal management of DoDEA or DoDEA programs. The SAC does not raise funds.

# Hello November

## Donation for children with cancer

In the last 3 years we cooperate with a foundation in Grafenwöhr, that brings toys to children suffering from cancer. We collect new, unopened toys and stuffed animals for the kids to make their Christmas days more enjoyable. Therefore we would truly appreciate your help. The clinic in Erlangen treats little patients of all ages, who would be excited about a nice present. Your child's Host Nation teachers will collect your toy (s) from now until Dec 13<sup>th</sup> during HN classes.

Dear Parents,

The foundation delivering the toys prefers non-electronic toys.

Please do not giftwrap the new unopened toys. The clinic treats patients as young as newborn up to 18 years. So, toys for any age are appreciated.

Remember: Our Host Nation Teachers will collect the toys on the days of Host Nation instruction.

The young patients will be excited about every single present they will receive.

Thank you so much!

## Seasonal Influenza Vaccine Now Required To Attend DoDEA Schools

The influenza vaccine has been added to the list of required immunizations for students attending DoDEA schools, following guidance and recommendations by the Centers of Disease Control and Prevention's Advisory Committee on Immunization Practices and the Department of Defense Joint Military Medical Services regulation on immunizations.

Please get all updated shot records to the nurse. **The flu shot deadline is December 1st, 2019**
