Parents,

1. Due to our remote learning starting on the 4th of January, we are making Chromebooks available to families (1 per family). Due to the limited amount of Chromebooks we have available, we are setting the following criteria:

1st Priority – families who have no computers at home.

2nd Priority – families with multiple students registered at Netzaberg ES in grade K-5th.

3rd Priority – all others, on a case-by-case basis.

To request a Chromebook, please go the following link and complete the form:

<https://docs.google.com/forms/d/1ZqRqLw-9sS9OplCUe1tOQIsfTrDqEy27SXth3a1-J9s/edit>

Upon receipt of your request a member of our front office staff will contact you to set up an appointment for you to pick up the Chromebook. Our front office will prepare a government property request pass before you arrive to our school. You will be able to pick up your Chromebook from 28 December to 31 December at the designated appointment time set by the front office staff and you.

If you have additional children in our local middle schools or at the high school, you can also reach out to them for Chromebook reservations.

If you need to contact the school, please call DSN 472-9184 or 09645 917 9184, please choose option 1.
